

Hi Everyone,

In case the November 19, 2008 Master Plan minutes were the last ones, I'll correct the minutes, now.

The minutes should read:

"Tom Cleveland moved to amend the Tamworth Master Plan with the comments from the public hearing on November 18, 2008. Scott Aspinall seconded, and the vote was carried."

Tom Cleveland's name should replace Willie Farnum.

Thanks Willie for pointing out the error.

Ann
