Absent: Edward Maduskuie, Gerrit Zwart, Tom Daley, Willie Farnam

Guests/Public: no one present, met in the parking lot of Town Office

Minutes:

June 21, 2010 Minutes could not be accepted, no quorum.

Reports

Sam reported: Chocorua Day – presentation went well. Ed and Sam put up the Pathfinder in the hole in Chocorua and determined with minimal cutting it would be a good location for a solar panel to generate electricity.

Sam reported: Energy Raising for Ned Beecher is October 2, 2010, which coincides with the NH Green Building Tour of certified green energy building.

Sam reported: Tamworth Conservation Commission – were very excited about the blower door testing. Sam advised that Ed would advise the date(s) of the Town office, thermal imaging, and blower door test.

Traveling Show and Film showings – Sam advised, no update at this time

Farmers Market – is 9/18 8am

Marletta reported: not sure if TVEC is listed yet.

Ed picked up the Free No-Idling signs and the packet should be in the town office for us to handout.

Electrical Education Display board – Ed w/a

Energy Fair – calls have been made and will advise when meeting to discuss future plans.

Goals and Strategy planning – if you have any suggestions please get in contact with Ed

Sam would like to see a PV array so the community could see how it works, and tracking and collating the data for the town would be helpful.

Carbon Strategy Plan – Ed still waiting to hear from Chris Conrod and will advise, he was given Chris's phone number today.

Art reported: For the Carbon Tracking Strategy, he located a type of plan from Schneider Electric – 'Four Step Plan to a Comprehensive Energy and Management Plan'. This will be reviewed, can be used as a starting point for future plans.

Next meeting 9/20/10 at 7pm at the Town office.

7:20pm Meeting Adjourned 8/16/10
