

Town of Tamworth

Planning Board

*** WORK SESSION MINUTES ***

February 11, 2009

Members Present: Dom Bergen Chairman, Herb Cooper, Tom Cleveland, Tom Abugelis

Members Absent: Nicole Maher-Whiteside, Dave Cluff, Scott Aspinall

Alternates Present: Rebecca Boyden, Steve Gray, Pat Farley

Alternates Absent: Tom Peters

The regular meeting of the Planning Board that was scheduled for January 28, 2009 was cancelled due to inclement winter weather. Notice was posted on the Tamworth Exchange, at the Chocorua and Tamworth Post Office, and at the Town Hall.

The work session was called to order at 7:05 pm.

Herb obtained a copy of the movie "Earth Excavation for Planning Boards" from Mike Izzard. The movie was shown, lasting approximately 20 minutes. Following the movie, a discussion ensued regarding interpretations of 155E, the 1984 Tamworth Ordinance, and the Planning Board role in enforcement of these regulations.

Dom requests that for the April work session, each member should review 155E, the 1984 ordinance, and the Belmont Excavation Regulations that were distributed at this work session.

No work session will be held in March due to Town Meeting.

Copies of the supplemental information that came with the movie will be distributed at the next regular planning board meeting, scheduled for February 25, 2009.

Herb and Dave will not be running for Planning Board this year. There are two folks who have signed up. Candidates night will be held on March 2, 2009 at the Brett School.

The work session was adjourned at 8:44 pm.
