

# Town of Tamworth New Hampshire

## Facilities Permit Policy Transfer Station & Beach Facilities

### Summary:

***A facility permit sticker is required for vehicles entering the Tamworth transfer station and town beach areas.***

### Details:

The Town of Tamworth requires all property owners/renters to display a facility permit for use of the Transfer Station and permitted beaches. Permits can be obtained from the Tamworth Town Clerk. All persons requesting a sticker must present their vehicle registration to the Town Clerk. If you are a non-resident landowner or renting you must provide a tax bill, a letter from the landlord, or a current rent receipt along with a current utility bill showing your physical address in Tamworth.

Stickers will expire and need to be renewed every two years. They should be placed in the lower left hand corner of the windshield not to obstruct the driver's view. Replacement stickers will be given at no additional cost to those who can show proof of previous sticker (the old one, a portion of it, etc). Without proof, the cost of the replacement sticker will be \$5.00 and reason must be given for why original is no longer valid.

If trading in a vehicle/selling etc., it is best to try to peel the sticker or a portion of the sticker off the vehicle at that time in order to receive a replacement sticker at no charge.

The Tamworth Board of Selectmen adopted this policy on the 18<sup>th</sup> day of May 2006; it was amended September 16, 2010, and hereby amended again on December 1, 2011.

Tamworth Board of Selectmen  
William Farnum, Chair
