

**Minutes**  
**Conservation Lands Review Committee**  
**Of the Tamworth Conservation Commission**  
**Saturday, April 30, 2011**  
**9:00 – 11:45**

*Draft minutes to be reviewed and approved at a subsequent meeting.*

**Present:** Ned Beecher, David Little, John Mersfelder, Katy Thompson

**Others:** Chris Conrod, Susan Bryant-Kimball, David White

**1. Western Field / Hertel / Map/Lot 420/13 Conservation Project** – There was an update on the funds raised so far by private donors and others assisting the Lakes Region Conservation Trust. (This Committee and the TCC are not formally involved in fundraising.) The effort to raise \$95,000 is close to being reached – within \$11,000.

**2. Western Field Conservation Easement** - The remainder of the meeting was spent editing the draft conservation easement, building on the efforts at the last meeting. This easement is what the Conservation Commission proposes to purchase from the Lakes Region Conservation Trust (LRCT) as part of this land conservation effort. Ned was assigned the task of finalizing the edits discussed at this meeting and sending a “final” draft to the Committee for review; the draft will then be provided to the Conservation Commission, legal review, and LRCT for finalizing before the closing on the land transaction late in May.

**3.. Adjournment** - John moved, Ned Beecher seconded, and all approved adjourning at 11:45 am.
