Online Tax Payment  
Discussion

The attendees of this meeting viewed a webinar for the purpose of an explanation of how an individual can make tax and other payments online via ACH and credit cards. K Trammell hopes to have the program up and running prior to the 1<sup>st</sup> tax billing of 2012 (July payment).

K Trammell discussed the price associated with this service and the fees to the patrons who utilize the service. The Board discussed prepayments which will still be allowed.

C Pearce discussed the late evening uploads to the program and requested this be discussed with the Town's computer programmer to ensure it would not interfere with the late night backup performance.

The Board was in agreement to move forward with allowing for tax payments to be made online.

Adjournment

*R Abraham moved and J Hidden supported to adjourn the meeting at 10:08 a.m. Vote was unanimous. Motion passed.*
