After an explanation of the information that was faxed to the Town Office from NH DRA, the Board decided to set the 2009 tax rate at an estimated \$17.97 per \$1,000 of valuation pending final review of the documents by NH DRA. This was achieved by using \$558,282 from the undesignated fund balance remaining from prior years under spent budgets and unanticipated revenues. The Board decided to keep \$1,000,000 in the undesignated fund balance.

This meeting was recessed at 2:51 p.m. pending the 4:00 regularly scheduled meeting.

Respectfully submitted,
