

Minutes of
Tamworth Trustees of Cemeteries
3:30 PM, March 27, 2013
At the Town Office

Present: Cemetery Trustees: John Wheeler, and John Roberts
Also present: Veterans Memorial Committee members David Bowles and David Haskell

John R. explained the process the Trustees were taking bids for maintaining the cemeteries and the veterans' memorial and the concern over watering the memorial as we are not allowed to use the water from the Tamworth water district through the UUFES building.

Dave B will investigate getting agreements from property owners between the river and the memorial to lay a pipe and put a pump in the river. He will report back to the Trustees.

The meeting adjourned at 4:05.

Respectfully submitted,
John B. Wheeler
