

Minutes of  
Tamworth Trustees of Cemeteries  
4 PM April 9, 2013  
At Town Offices

Members Present: John Wheeler, Mark Albee, and John Roberts

- 1) Cemetery maintenance RFP's were opened and reviewed. Proposals from Divided Sky, J & S Masonry, Tony Eldridge and LCR were received.
- 2) The Trustees eliminated the LCR proposal as unrealistic.
- 3) Tony Eldridge was awarded contract Three. Divided Sky was awarded Contract One and J & S Masonry was awarded Contract Two, subject to receipt of good references and insurance certificate.
- 4) Veterans Monument water: John W reported David Bowles had spoken with the owners of the farm property next to UUFES and determined that they were not interested in having a water line going through the conservation covenanted property. Dave was going to talk with the owners between the river and UUFES to see if a water line could be installed within the Town right of way, which would require going under the driveways. John R raised concerns over the possible installation cost and then any ongoing costs – who would be responsible?
- 5) Mark will work on setting up a Chocorua Cemetery monument repair day in June and getting Jessica Felix to lead it again.
- 6) John will set up a meeting concerning the Wonalancet Cemetery boundary adjustment with the two surveyors. (Friday, April 12 at 5 PM at the Town Office.)

The meeting adjourned at 6:20 PM.

Respectfully submitted,  
John B. Wheeler
