

## **MINUTES**

### **Conservation Lands Review Committee**

**November 25, 2013**

**6:45 pm**

*Draft minutes to be reviewed and approved at a subsequent meeting.*

**Present:** Ned Beecher, John Mersfelder, Chele Miller, Katy Thompson

Also: Nelson O'Bryan

#### **Reich/Gilman West Conservation Project**

This project is being done in conjunction with the Forest Society. This meeting was to be focused solely on starting the local fundraising effort, trying to get pledges from some former Gilman donors so that we can advertise, in the fundraising letter that the Forest Society (Martha Twombly) is drafting, that we have a significant percentage of the needed project funds raised already.

The Committee members present discussed outreach to some key potential donors. Each member agreed to contact from one to four specific people and report any pledges to Ned within the week so that he could let Martha at the Forest Society know.

**Adjournment:** John moved, Katy seconded, all approved at 7:45 pm
