

TOWN OF TAMWORTH
New Hampshire

ANNUAL REPORT

Stanley Bassett Coville
1922-2013

Year Ending December 31, 2013

Stanley Bassett Coville

1922-2013

This Annual Report is dedicated to Stanley Bassett Coville, long-time community leader in Tamworth, NH.

Stan passed away in August, 2013, leaving a lasting mark on our community, its people and our forests.

The son of Stanley Coville (Washington, D.C.) and Iris Bassett (Rochester, NY), Stan was born on January 22, 1926 in Rochester, NY and grew up in New Lisbon, NJ. He graduated from Penn State University, where he was president of his fraternity, Phi Kappa Sigma, and also of the campus Christian Association.

He married Nancy Read on August 25, 1951. They were together for 62 years. He championed her pioneering efforts in Early Childhood Education. With his support, Nancy started the first kindergarten and preschool in Tamworth and continues her work there 51 years later.

Stan and Nancy raised daughter Andrea and son Ned, and always enjoyed six grandchildren—Mackenzie, Nicholas, Read, Dean, Zachary, and Sophia.

His devotion of the outdoors and especially the White Mountains came from his family's roots in agriculture and horticulture. His grandfather, Frederick V. Coville, who was the Chief Botanist for the U.S. Department of Agriculture, led the development of the hybridization of the modern cultivated blueberry.

The True Blue Blueberry became a staple of the New Jersey and North Carolina farming communities primarily because it was a splendid economic resource and grew well in the acid soil indigenous to those areas. Stan and his sister Marie spent the summers of his early years working in the blueberry fields and learning the production process of one of the most successful cooperatives in the east coast

Stan's love of New Hampshire came from childhood summers in Greenfield, N.H., where his family vacationed each August after the blueberry harvest. He decided early on that he would grow up to be a forester in N.H. After college and a summer fighting forest fires in California, he worked for the New England Forestry Foundation for 38 years.

Later, home in Wonalancet, Stan worked as an independent land surveyor and forester. His contributions to sustaining good agricultural and forestry practices in the state of New Hampshire were recognized by many organizations, including the American Forestry Institute, the Society of American Foresters, the Carroll County Cooperative Extension Advisory Council, and State Chairman of the Tree Farm Committee.

Stanley Bassett Coville

1922-2013

Stan had the gift of taking the long view about everything. In his chosen profession you wait 30 years to see the results of your work. In Chocorua, he had marked for cutting a particular lot that he earlier had done timber management. After the bidding closed he noted a logger's bid was significantly higher than the others and wished him well.. The logger said he made a shutout bid because he had waited his whole life to cut such a lot. Another logger had parked his truck over the weekend in his own driveway because he wanted to show off his magnificent logs from a similar re-harvesting.

Dana Steele, former forester for the New England Forestry Foundation, wrote a memoir about working with Stan. "Stan taught me everything I knew or needed to know about forestry. He taught me to survey. He taught me how to look at a piece of land and 'understand' basically what was going on there and what to do, or more importantly, what not to do. He taught me much about trees and their interaction with other things around. "

Among his community commitments, Stan served on the Tamworth School Board for 10 years, as a member of the vestry of St. Andrews Church and the Wonalancet Union Chapel, and as a founding member of the Wonalancet Preservation Association. He lived his passions as a friend of the New England Sled Dog Club, square dancing in Tamworth, and baseball for all ages as a member of the Tamworth Outing Club. He maintained his long commitment to the Outing Club so it could fulfill its mission that all children could enjoy sports such as skiing, snowboarding and baseball.

If you close your eyes, you might see him putting up 30 odd posters for each square dance, or cajoling you to buy another sled dog pin even though you had several from the past years. Early on, Stan used to write the dramatic game summaries of the Tamworth Tigers Baseball team for the Carroll County Independent. He was a player and then the team manager.

Stan Coville was a force of humanity. Our community benefitted from his largess and vision in so many ways, and will for a long time ahead.

Tamworth Board of Selectmen

2013 Town Report

Seems hard to believe another year has come and gone. 2013 brought some changes to the Selectmen's Office with a newly elected Selectman, Steve Gray, and a change to the Selectmen's office staffing from two fulltime positions to one fulltime and one part-time position. The Board decided to try and alleviate some tax burden by reducing some office help hours and readjusting the job descriptions.

2013 began the statistical update which will be completed in the fall of 2014. A Statistical Update is done by analyzing market sales throughout the entire municipality to identify and implement needed value changes to the affected areas or classes of property at the municipality's general level of assessment of all taxable, tax exempt and nontaxable property for tax assessment purposes, in accordance with the standards set forth in the laws of the State of New Hampshire and Administrative Rules adopted by the Department of Revenue Administration (DRA) and the Assessing Standards Board (ASB).

The Town again lost our "oldest resident." Rita Lovering Bookholz who was the most recent holder of the Boston Post Cane passed away in July. Recently the Board presented the cane to Julia Velardo who is 99 years young (100 this August). If you know of a resident that is close to being one of the "oldest" residents of Tamworth please email their name, address and date of birth to admin@tamworthnh.org and we will add them to the list of potential candidates.

The Town mourned the loss of Emery "Chief" Roberts who served the Town in many different capacities for many years. "Chief" was the Tamworth Police Chief for 17 years, the Road Agent for 30 years, a Special Police Officer, a member of the Tamworth Fire Department, the Animal Control Officer, the Truant Officer, and a Special Deputy Sheriff for Carroll County.

We realize the town lost many loved ones in 2013 and we would like pay our respects to everyone that suffered a loss this past year.

Phase II of the Chocorua Project was advertised in December of 2013 with bids being due in January 2014. The plan is to have this portion of the project completed by fall.

The Board of Selectmen would like to thank all the people that give generously of their time and expertise to serve on the many boards and committees that make Tamworth great. We would also like to thank the department heads and the employees for their cooperation, dedication, and hard work.

The Board encourages anyone with questions, comments, concerns, or suggestions to meet with the Board or feel free to call or write the Town Office.

Respectfully Submitted,
John E. Roberts, Chairman
James S. Hidden
Steve G. Gray

WE REMEMBER.....

I'd like the memory of me
to be a happy one,
I'd like to leave an afterglow
of smiles when life is done,
I'd like to leave an echo
whispering softly down the ways,
of happy times and laughing
times and bright and sunny days.

I'd like the tears of those who
grieve, to dry before the sun
of happy memories that
I leave when life is done.

**Auditor's Report
2013**

The Financial Report for the year ending December 31, 2013, was not available at the time of printing, and therefore is not included in this Annual Report.

The auditors, The Mercier Group, of Canterbury, NH, will file the Financial Report and an Audit report when their work is complete. A copy of this Audit will be available at the Town office upon completion.

TREASURER'S REPORT

All funds under the jurisdiction of the Treasurer's office were invested so the Town would receive the maximum interest available at the time of the investment. However, safety and liquidity is our primary consideration. Our primary investment entities offered safety through full collateralization above FDIC amounts.

Investment interest in 2013 was more than 2012 with a total of \$2,364.57 received in 2013 and \$1,415.62 received in 2012. The majority of the interest came from the investment account held with Meredith Village Savings Bank.

Although funds were tight at the end of 2013, we did not have to borrow any money this year and would like to thank the school for working with us on their payments to help make this possible.

I would like to thank the two deputy Treasurers, Priscilla Remick and Joanna Noyes. Also, thank you to the Town office staff and the staff of Northway Bank, Meredith Village Savings Bank and Citizens Bank. And last but not least a thank you to Anne Abear and best wishes in her new job.

Respectfully submitted,

Mariette Ross
Treasurer

Town Clerk/Tax Collector 2013 Annual Report

In attending workshops and conferences annually I am able to continually review what is offered by various State agencies and departments in regards to what would work best for the Town of Tamworth and our full or seasonal residents. I have tried to provide services that are both cost effective and efficient for the needs of the townspeople while keeping with the requirements of the state and federal governments. In the completion of my eighth year in my combined position, now as a Certified Town Clerk/Tax Collector, I have found the on-line services and the adoption of the Credit Card processing to be a viable offering of town services. The following are the annual workshops and conferences attended this year:

April 10th - New Hampshire Tax Collectors Spring Workshop
June 7th – NH City & Town Clerks Regional Conference
September 11-13th - NH City & Town Clerk Assoc. Annual Conference
October 21- 23rd – NH Tax Collectors Assoc. Annual Conference

The newest addition of services from the Town Clerk/Tax Collectors Office would be the implementation in July 2013 of the “plate release” pilot program offered by the Division of Motor Vehicles to the Municipal Agents of the State of NH. The program allows for a municipal agent who chooses to participate to “release a license plate” of a resident in certain situations without having to call the State of NH- DMV for permission. It allows for me and my Deputy to process expired plates more efficiently and without having our residents leave our office. This program involves the release of a plate that is older than one year and one day, or the transfer of the ownership of a plate to another person with written permission from that owner, and/or to reuse an expired plate for the same owner or another. With this added program offered in our repertoire of over the counter “one-stop” shop, our office still continues to provide the processing of Vital Record requests, Dog Licensing renewals, Motor Vehicle registration renewals, and Property Tax payments all on-line. Over the last five years, many services both over the counter and on-line have been brought to the forefront and have positively benefited all residents and non-residents alike. The on-line services continue to be accessible from the home page of the Town of Tamworth’s website located at www.tamworthnh.org.

In closing, I’d like to reintroduce a past deputy, Patricia Perkins, who you will occasionally see working in the Town Clerk/Tax Collectors office as the assistant clerk. She periodically will fill in for me or the Deputy when we are not available. Again, I would like to remind all dog owners to renew their dog’s license each year anytime between January 1st and April 30th to avoid penalties. I would also like to remind all voters that the Voter ID legislative changes are still in effect for the 2014 Town, State, Special, and General Elections. A photo ID will be requested when voting at the polls, or voter affidavits to sign in lieu of a photo ID. As always, please contact the office with questions, concerns, or suggestions at tctx@tamworthnh.org, or call 323-7971 x12.

Respectfully Submitted, Kim Trammell
Certified Town Clerk/Tax Collector

TRUSTEES OF CEMETERIES

2013 REPORT

In 2013 the seasonal maintenance for town cemeteries and burial grounds was organized into three contracts and put out for bids. Although previous work by contractors set high standards, there had been no formal agreement on expectations or specifications of work or schedule and no opportunity for the community at large to compete fairly for the work. Contracts were awarded in April for one year with one new contractor in the mix.

The year was challenging with respect to rainfall, which came abundantly and stayed above normal through mid-August. We received some constructive feedback and concerns mid-summer and worked with the contractors to better communicate standards and expectations. Even with the long growing season, we were able to provide additional cleanup of brush at Riverside, Ordination Rock and Chocorua cemeteries and still come in under budget.

Contracts for 2014 were revised after meeting with the contractors in November to review what did and didn't work. Those contracts run for three years and were awarded in late December.

Water for the irrigation of the Veterans' Memorial continues to be unavailable and an issue of concern though tempered this last summer by the absence of dry conditions. David Bowles and members of the Veterans Committee made a proposal to us and the Selectmen which would have pumped water from the Swift River on Main Street to the Memorial irrigation system. Funding, permission to cross private property with buried pipe, and future maintenance costs are impediments. On a positive note, the Bearcamp Valley Gardeners Club has volunteered to do flowers at the Memorial starting in 2014.

The Trustees scheduled two volunteer monument restorations days for the Chocorua Cemetery, in June and November. Unfortunately both had to be cancelled at the last minute for weather and a memorial service. New dates will be set for the spring and fall and we are hopeful this much needed work can continue.

The Town Pound fence had mostly collapsed and was removed last summer. Plans are in the works for re-building it in the spring of 2014 with help from the Tamworth Historical Society and a private donor. Currently locust posts donated by Willie Farnum have been milled and Peter Nelson will provide hemlock for rails to be milled at Tamworth Lumber.

A private donor from the mid-west, with relatives buried in Riverside Cemetery, expressed her concern over the condition of the iron gateway. She has agreed to pay one half of the estimated \$5,000 re-building cost.

In the wake of extensive survey work done by Paul King in 2012, a number of plots previously deeded needed correction and some owners chose to relocate. In the course of doing plot layout work, we are reminded how helpful it is when deeded plots have well set corner markers and deed holders keep their paper work accessible and known to other family members. We have purchased cemetery software from Pontem and are working to populate it with all the information we can find concerning the owners, locations, and identification of the deceased. This process will require volunteer assistance during the year.

To purchase a plot in one of the town cemeteries, contact one of us to determine where plots are available. Plots are sold in sections in sequence as much as possible. The longevity of deeds is 50 years if unused and cost \$500 for both burial and cremation plots for Tamworth residents and property owners and \$1000 for all others. Plot owners are reminded that all paraphernalia will be removed at the spring cleanups annually.

Again we appreciate the good work of the maintenance contractors and thank those who volunteer, the staff at Cook Library, the Historical Society, and those who keep an eye out and offer suggestions for doing our work better.

Respectfully submitted,
Mark Albee
John Roberts
John Wheeler, Chairman

TRUSTEES OF TRUST FUNDS

2013 REPORT

This year two new trustees were elected. As a result there has been a learning and policy review process going on this year.

As Trustees of Trust Funds, we are currently responsible for the safekeeping and investment of \$743,896.40 in trust and reserve funds. The details of these funds are shown on the accompanying schedules. As of December 31, 2013, we were holding \$440,280.33 for the cemeteries, library, and school, \$282,282.97 in other capital reserves and \$21,333.10 in other trust funds. Capital reserve funds are non-permanent funds established for such Town purposes as making bridge repairs and trust funds are funds donated to the Town for specific purposes such as park maintenance and rescue squad equipment. In accordance with Town Meeting votes and as recommended by the Capital Investment Plan Committee and Selectmen, most reserve funds have been closed and the funds transferred to the general fund.

Cemetery funds are with Northway Bank. The rest of funds are invested in the NH Public Deposit Investment Pool. Due to the low interest rates available to everyone, we earned only \$682.15 in interest for the year. Please see the following report for the details of the accounts.

Respectfully submitted:

Joan Taylor
Robert Seston
John Wheeler, Chairman

Capital Improvement Program Committee Report

Fiscal Years 2014-2019

The Capital Improvement Program (CIP) is a valuable part of town planning and budgeting.

The CIP report includes anticipated expenditures and funding for capital projects for the next 6 years, suggested warrant articles, tax rate effects, and descriptions of projects for voters and Selectmen. It is non-binding, advisory, and updated annually. Inclusion of projects and finances in the Report does not commit the Town to funding or expenditures. Projects are categorized and prioritized by need and urgency and reviewed annually.

The CIP Committee is required to report to the Planning Board and the Selectmen annually.

The full CIP Report for FY 2014-2019 is available: in print at the Town Offices, Cook Library, and Chocorua Public Library; on the Town website: <http://www.tamworthnh.org/> Annual Reports/CIP Report 2013; and electronically at:

<http://www.tamworthnh.org/admin/ulm/documents/2013%20CIP%20final%20v13%202.pdf>

The following two pages summarize the capital equipment and project plans. The full report includes additional information about the scheduled program, some definitions, goals, graphics, and financial and tax rate information for Tamworth's taxpayers, residents, property owners, and businesses.

This year's report contains good information on one of the departments that has one of the largest capital expenditures of the town - the highway department. (Section 7.0 page 26)

The committee report this year recommends capital improvement warrant articles for 2014 totaling \$1,204,526 (Town budget \$875,503 the School budget \$329,023).

The Committee thanks the Town Departments, Boards, Committees, and Commissions for their cooperation, planning and budgeting on behalf of the Town and its taxpayers, and their assistance and patience in updating the CIP Report with us.

The CIP Committee welcomes comments, information, and suggestions from the community.

Respectfully Submitted,

The CIP Committee

David Little, Willie Farnum, Steve Jacobs

Bob Seston, Jack Waldron, John Wheeler, Steve Gray and Melissa Donaldson

Planning Board Report 2013

The Planning Board met 16 times in 2013 for Regular Meetings and Work sessions. During those meetings the Board conducted 15 Public Hearings:

- 1 - Boundary Line Adjustment Conceptual Review
- 6 - Boundary Line Adjustments
- 1 - Subdivision Conceptual Review
- 1 - Subdivision
- 1 - Earth Excavation Regulation Permit
- 1 - Maintenance Along Scenic Roads
- 3 - Personal Wireless Service Facility Site Plan Reviews
- 1 - Wetlands Application Special Use Permit

The Board worked throughout the year on Subdivision Regulations and the application process that goes with them when someone wants to subdivide or make a boundary line adjustment. The goal was to clarify, modify, and simplify the process.

The Board also worked on its procedures to have them compliment /coincide with the application process. All applications are now due by the 1st of the month.

This year we had two separate petitions regarding the Wetlands Ordinance. One was to modify it to eliminate local control, and another to abolish it altogether.

In spite of opinions presented at the Public Hearing by people in water resource, wildlife management and Conservation groups, and in spite of the Planning Board voting NOT to support either petition, a majority of voters at Town Meeting voted to abolish the Wetland Ordinance. This came on the heels of the Town not adopting a Groundwater Protection Ordinance the previous year. The citizens of Tamworth no longer have any local control over their wetlands or groundwater.

The Planning Board meets on the fourth Wednesday of each month. All meetings are open to the public, and we welcome your comments or questions.

Submitted by,

Dominic Bergen, Chairman and David Little, Secretary

Board Members: Becca Boyden, David Cluff, Patricia Farley, Thomas Peters, and James Hidden (Selectmans Rep)

NOTICE

If you own real estate lots that were involuntarily merged by municipal action, you may be able to have those lots restored to their pre-merger status.

Your property may qualify if two or more lots were merged for zoning, assessing, or taxation purposes and the merger occurred:

- During your ownership, without your consent; or
- Prior to your ownership, if no previous owner consented to the merger.

To restore your property to pre-merger status, you must:

- Make a request to the local governing body (Selectmen)
- No later than December 31, 2016.

Once restored:

- Your properties will once again become separate lots; however, they must still conform to applicable land use ordinances. Restoration does not cure non-conformity.

This notice must be:

- *Posted continuously in a public place from January 1, 2012 until December 31, 2016, and*
- *Published in the 2011 through 2015 Annual Report.*

Read the full statute at [RSA 674:39-aa Restoration of Involuntarily Merged Lots](#).

Zoning Board of Adjustment - 2013

The Tamworth Zoning Board of Adjustment is empowered by NH RSA 674:33 to hear appeals to any administrative decisions on town regulations adopted pursuant to NH RSA 674:16. In addition, the ZBA is empowered to grant variances and special exceptions where it is specifically allowed in the regulation. The Town currently has two ordinances that are subject to appeal to the ZBA: the Tamworth Floodplain Development Ordinance and the Town of Tamworth Personal Wireless Service Facility Ordinance. The members of the ZBA are appointed by the Board of Selectmen.

In 2013, the term of ZBA board member Harry Miller expired. The Selectmen appointed alternate Dan Rowe to fill the vacant position and appointed Bruno Siniscalchi as a new Alternate. The full Board roster consists of John Mersfelder, Chair; George Plender, Vice Chair; Lianne Prentice, Clerk; Dan Rowe, Member; Peg Huddleston, Member; Tom Cleveland, Alternate; Dave Farley, Alternate; and Bruno Siniscalchi, Alternate. Chris Conrod serves as ZBA Secretary.

The ZBA currently meets quarterly for regularly scheduled meetings, on the second Tuesday in the months of January, April, July and October. There were neither appeals nor variance/special exception applications submitted to the ZBA during 2013. The four meetings were very short and limited to the various administrative chores necessary to maintain the Board as a legal entity (e.g., this report).

ZBA Rules of Procedure and all application forms are available for download from the town website. Meeting and hearing minutes, as well as case files, are available for inspection at the Town Offices.

Respectfully Submitted,

Chris Conrod
ZBA Secretary

2013 Highway Department

The Tamworth Highway Department once again was able to accomplish many projects in 2013. Some of those projects included the paving of Mason Hill Road, Turkey Street, and Cleveland Hill Road. We were able to rebuild the deck on Narrows Bridge (over Chocorua Lake), purchased a screener and an F350 pickup, and by vote of the 2013 annual meeting took over the maintenance of the roads in Sokokis Pines.

We continued to do other needed maintenance as time allowed such as replacing culverts, ditching work and tree trimming/removal.

We were able to process about 3,000 yards of our own sand from the Highway Garage lot which will help keep the cost down.

I'd like to give a big thank you to the road crew for all their hard work which made 2013 very productive and to the sub-contractors for all their assistance as well.

If all funding is approved for 2014 we are looking to rebuild and pave a portion of Mountain Road, put a top coat on Cleveland Hill Road, Mason Hill Road, and Turkey Street, and shim & top Chocorua Lake Road from Route 16 to Narrows Bridge. Plans are to rebuild the Whittier Road Bridge over Stony Brook. We will also be doing some crack sealing on other roads as time and money allows.

I'd like to send an additional thank you out to the Board of Selectmen and the Town Office Staff for their support.

Richard Roberts
Road Agent

On behalf of Penny, Dana, and myself, we would like to thank the Town residents for their continuous support. We continue to do everything possible to ensure that Tamworth remains a safe place to live and raise a family. I would again like to invite everyone to check out the Tamworth Police Department's "FaceBook Page" at facebook.com/tamworthpolicedept. We will continue to post Crime Trends, Safety Tips, crime Prevention Information, dangerous Road conditions and Public Safety Issues. Please provide us with feedback/input to assist us in protecting the community. With that being said, please feel free to call the Police Department at 323-8581 or e-mail us at tamworthpd@roadrunner.com with your comments and/or suggestions. All information received will remain strictly confidential. On a special note: Don't forget to register your dog at the Town Office by April 1. It's the law.

Daniel J. Poirier
Chief

TAMWORTH FIRE DEPARTMENT

132 Chinook Trail
Tamworth, NH 03886
Phone: (603)323-8874 • Fax: (603)323-9974

Member
Ossipee Valley

New Hampshire
Firemen's Assn.

The very worst Fire Plan is no plan; the next worst is two Plans

Foremost, I want to extend a very sincere thank you to all of the volunteer Firefighters who invest endless hours to serve this Town. I would also like to thank all of the other Town Departments, Employees and Townspeople who have helped us over the last year.

If you do not get anything from reading this report other than understanding the importance of properly installed and operating Smoke and CO detectors then I have met my goal. I am amazed at how many times we enter a building and find no detectors or detectors with dead batteries. Smoke and CO detectors are required by State Law and SAF-C Rules (1) to be installed in every building, (with very few exceptions) to include private single family homes. Besides being required by Law, it is negligent, unacceptable and there is no excuse not to have this life saving protection. I hope that you value your life, your loved ones and your property enough to provide this protection as a minimum.

The following statistics are from 2012/12/31 thru 2013/12/01:

194 calls for service totaling 1,137.11 staff hours, 12 monthly trainings totaling 360 staff hours, other mission-specific training totaling (app.) 118 staff hours. 70% of the time, we have personnel on scene within seven minutes or less from the time of the tone.

The Tamworth Fire Department sponsors an Explorer program endorsed by the State of New Hampshire for teens interested in the Fire service. This is a great opportunity for teens in our community. The Explorers meet regularly and attend Fire Department trainings. This program gives the Explorers an opportunity to attend the State of New Hampshire Fire Academy each summer for one week of structured Fire and Medical training. The program is entering its third year and has been very successful. Any youngster between the ages of fourteen (and graduated eighth grade) and twenty-one may participate in this program.

I commend all of the members of the Fire Department for an outstanding year for our accomplishments and for a safe year with no lost time injuries.

The entire Fire Department wishes to express our sincere sympathy to Mrs. Beverly Pike. Her husband "Jed," who served this town for many years in a number of capacities, was taken from us this past spring. Jed is greatly missed and will not be forgotten.

Sincerely,
Richard Colcord, Chief

1 RSA 153:10-a SAF-C 6015.04

Better a thousand times careful than once dead

Tamworth Rescue Squad

P.O. Box 271
Tamworth, NH 03886
603-323-7244

TAMWORTH RESCUE SQUAD 2013 ANNUAL REPORT

Tamworth Rescue Squad is an all-volunteer department which services the citizens of Tamworth and surrounding towns by belonging to Ossipee Valley Mutual Aid Association. Tamworth Rescue Squad responds to requests from OVMAA along with Careplus dba North Conway Ambulance for assistance with medical support, transports, and evaluation of patients.

This year Tamworth Rescue Squad received 421 calls from Carroll County Dispatch: 298 medical calls, 53 motor vehicle accidents, 64 fire assists and 6 mutual aid requests. Each year our call volume continues to surpass the previous year; this year remains consistent with the trend. We have also seen an increase in patient acuity related to shorter hospitalizations and more serious medical conditions.

Elected officers for 2013 are Captain Jeffrey Tavares, 1st Lieutenant Shawn Taylor, and 2nd Lieutenant Scott Schwartz.

Along with the required trainings for members to keep current with State of NH licensing laws, some members have taken extra trainings. We still have 3 American Heart Association CPR/AED Instructors to continue trainings for the department and the town. If any town resident is interested in taking CPR they can contact the Tamworth Rescue Squad.

We are hoping to replace our 2005 Zoll Cardiac monitor this coming year with a new updated Zoll X Series Cardiac Defibrillator and the Auto pulse automated CPR assist device.

Thank You again to the families of our dedicated volunteer members. It is not easy on the families every time the call for help goes out and the member leaves the family to help other people. We appreciate all the families' support and sacrifices.

Another reminder - to help us find your house more efficiently, we will continue to sell the 911 signs so they can be posted near the road and should be free from obstruction. There are still many houses in town unmarked and this adds to the response time while trying to locate the correct address.

Respectfully Submitted,

Captain Jeff Tavares
Tamworth Rescue Squad

911 Emergency Ambulance Services

2013

CarePlus/North Conway Ambulance Service is pleased to continue providing the Town of Tamworth with Emergency 911 Ambulance Services. In 2013 we responded to 461 requests for ambulance services. Over the years we have developed a partnership with Tamworth Rescue, Fire and Police Department which makes the difference in providing excellent care, and we appreciate all of the support that each department has provided during the year.

- Advanced Life Support	165
- Basic Life Support	81
- No Transport	120
- Standby	95

In 2014 CarePlus will be hosting an Open House during EMS week in May along with sponsoring a Hands Only CPR Course for the public.

As we move forward our goals will continue to be providing Professional Care, Excellent Response Times and Services that the people of Tamworth can continue to count on twenty-four hours a day, seven days a week.

Respectfully Submitted,

Eric F Damon
President/CEO

TCNA has been pleased to be able to offer expanded services in 2013

- We purchased a blood chemistry analyzer. So many of you have been reluctant to have recommended blood work performed due to the costs involved. This analyzer will run a variety of tests such as electrolytes, cholesterol, blood sugars, kidney function and much more. A test that could cost hundreds of dollars can now be run in our office and you and your physician can have the results in minutes. We also purchased a laboratory analyzer that can check your HgA1c. This is a test that determines your average blood sugar over the previous 30 days. Diabetes is now the 7th leading cause of death in NH. With this new technology we hope to improve quality as well as quantity of life for residents.
- We added a Registered Dietician to our staff, Marie Veselsky. She will be teaching programs as well as meeting with you individually (by appointment) to discuss your specific dietary needs and concerns.
- Our "Get Healthy Tamworth" group started last January. They meet at 9AM in front of the Lyceum and set out for a 3 mile walk. Don't let the distance scare you away. Join the group and walk whatever distance and pace is comfortable for you.
- TCNA partnered with the Carroll County Coalition for Health and inoculated the Brett School children for flu at no cost.

Upcoming programs and services are as follows (dates TBA):

February – A Cholesterol Screening Clinic mid-week and an educational program regarding "Your Diet and Cholesterol" on Saturday.

March – An educational program called "Easy, Healthy Cooking" This will cover label reading, the challenges of cooking for one and may be followed by a field trip to Hannaford with tips on the best aisles to shop and the best aisles to avoid. It should be fun!

April – A Blood Sugar/HgA1c Screening mid-week followed by an educational program on the "Diabetic Diet" on the weekend.

May – "Protecting Your Skin" workshop and "Yard Sales for TCNA." Please contact us if you are interested in running a yard sale at your home. Last year participants had a wonderful time!

June – "Mindful Meditation" What can this practice do for you?

July – "What's Bugging You?" A look at insect borne pathogens and diseases.

August – A Blood Pressure Screening on Saturday at the TCNA office. Participants get a free gift! August 20th 6:30pm The TCNA Annual Meeting to be held at the Brass Heart Inn. Music, ice-cream, and an interesting guest speaker.

September – Another Cholesterol Screening for our neighbors who were away in February. We will also hold a workshop on “How to Preserve Food.” Don’t forget, The TCNA Benefit Concert will be held in September as well, great music, great fun, for a great cause.

October 18th – Flu Clinic at TCNA office

November – An interesting program on “Stress Management.” A topic we could all benefit from before the holidays.

December 5th – Come one, come all to the TCNA Holiday Gala

For almost a century now, the Tamworth Community Nurse Association has offered Tamworth residents a wide range of services —with no fee for service. We try to save you money. For instance, this fall, flu shots were being advertised for \$38.00 in North Conway, while Tamworth residents received inoculations for our cost of \$15.00 - an overall savings for Tamworthians of \$4706! In addition, many residents take advantage of ordering medical supplies that are not covered by insurance through our office and have realized considerable savings over the retail market. We also have equipment available to loan out. Before you rent a wheelchair, purchase a high-rise toilet seat, buy crutches or a walker, call us, no matter what your healthcare need. There's a good chance we can help.

The handicap accessible TCNA Office at the back of the Town Office Building is open Monday through Thursday from 9A to 2P and from 9A to 11A on Fridays. A nurse is available in the office weekdays from 9 to 11. Appointments are not necessary and all issues are treated with strict confidentiality. We assist people of all ages from newborns to seniors with no regard to economic strata. Stop in or contact us at 323-8511 or tamworthnurses@yahoo.com.

Dr. Brian Irwin of Tamworth Family Medicine is our Medical Director. Our nursing staff is Carol Eldridge, LPN, and myself. Dave Deveau is our administrative assistant and coordinator of the Meals-On-Wheels program. It is a pleasure to work with this competent and committed team. Each of us plays an integral part in the services TCNA provides to Tamworth residents.

Our Board of Directors meets regularly to direct agency functions and operations, handle financial matters, as well as assisting with fund raising events. The 2013 members of our Board of Directors were Mary Watkins Chair, Kent Hemingway Sr. Vice Chair, Cathy Baybutt Treasurer, Bob Seston Asst. Treasurer, Geoffrey Burke Secretary, Chele Miller, Lorraine Streeter, Leslie Johnson, Nina Perry and Heidi Palmer. The TCNA Board receives little recognition, but their steadfast leadership of this fine organization makes our services possible.

We coordinate Meals on Wheels, an essential service to town residents who would be hungry or at risk of malnutrition. This program also serves as a regular safety check. There were 8,574 meals delivered to town residents in 2013 by volunteer drivers. We always need more volunteers to work a flexible schedule once a month. It only takes two hours to complete a route, serving others is rewarding.

TCNA continues to function as the Salvation Army Unit station for the area. Emergency funds are available for Tamworth and Sandwich residents in need. This year we have assisted people by providing medication, therapy, groceries, and medical equipment.

During the holidays, we deliver gifts to our clients. Special thanks to The Tamworth Community Christmas Project for their support to this program. We also worked closely with St. Andrew's Food Pantry in distributing more than twenty Thanksgiving food baskets.

TCNA interacts and coordinates services with the Tamworth Caregivers, ServiceLink, Tri- County Cap, and RSVP, to name a few. These organizations have provided support to many area residents and serve as important members of the health care team.

The Tamworth Community Nurse Association is a private, not for profit, non-certified company. This means we do not bill individuals, Medicare/Medicaid or insurance companies. Much preventative care and social service support your neighbors need to maintain healthy lives is not covered by insurance companies. Regional health agencies, including the VNA, regularly contact us to care for patients in Tamworth whose coverage has been terminated. TCNA saves money for our clients while providing services and support.

It is the mission of TCNA to care for all Tamworth residents, including those who may fall between the cracks of the health care system. We provide a safety net. We are well known to area hospital discharge planners and work cooperatively with them to provide optimal home care. Because we are not Medicare certified we do not provide ancillary services such as occupational, physical, and speech therapy, home health aides/homemakers, and hospice. For these services we rely on area agencies such as the VNA and out-patient Physical Therapy offices. Close communication and collaboration allow us to provide continuity and holistic care.

As always, we deeply appreciate the support of the people of Tamworth and pledge to continue our efforts to work for the health and well-being of the community and of each Tamworth resident.

Respectfully submitted,

Jo Anne M. Rainville, RN
Executive Director

Tamworth Caregivers

Thank you Tamworth Board of Selectmen and residents for your support in 2013.

The TC focuses on what is most needed by Tamworth residents within our mission

The mission of Tamworth Caregivers is to develop support services provided by volunteers to serve residents who, from time to time or on a continuing basis, require assistance to meet their daily obligations and/or enhance their quality of life.

In 2013, the TC responded to 452 requests from Tamworth adults for transportation. A total of 16471 driven miles (5515 miles of long distance) and nearly 1600 volunteer hours supported neighbors' interest in remaining in their own homes while being able to address their basic needs, health care, and quality of life interests. Thank you volunteers for enjoying conversations with your riders as you travel to hospital and doctor appointments, grocery and pharmacy shopping, banking and mailing stops and to community events.

During the first half of the 2013-14 school year, the TC OASIS intergenerational tutoring program has provided twenty-two K.A. Brett Elementary children with nearly 350 volunteer tutor hours. OASIS tutors meet once a week for an hour with children in grades K-4. Tutors, teachers and staff are invited by Sue Colten, OASIS volunteer coordinator, to OASIS training sessions and special in-services. Thank you, tutors, for joyfully enhancing reading and language skills.

Our community has a proud history of neighbor helping neighbor. Tamworth has approximately 2,837 residents; 30% of us are over 55. The primary interest of this age group is 'aging in place' (AARP 2012 member survey) — to live comfortably in their home and connect with people of all ages. Since 1999, the Tamworth Caregivers has listened to their neighbors' keen desire to remain independent but connected to community. The town of Tamworth's annual support and the Caregivers' thoughtful donors make living in beautiful, rural Tamworth a positive, non-isolated experience for residents.

TAMWORTH RECREATION

2013 ANNUAL REPORT

The Tamworth Recreation Department had an outstanding year in 2013. Sports, activities, programs, trips, and classes were offered to Tamworth residents of all ages.

The Tamworth Summer programs available to children ages 7-14 had 89 children participate this year. Field trips were taken to Mt. Willard, Cannon Mountain, The Flume, David Anthony's amazing Hot Wheels/Matchbox collection, Madison Boulder, Mt. Cranmore, Story Land, Kayaking on the Bearcamp River, Whales Tale Water Park, Smitty's Cinema, Bowling, Pirates Cove miniature golf, Canobie Lake, Wallis Sands State Park, Jockey Cap, York's Wild Kingdom, and Portland Sea Dogs. Many thanks to the Cook Memorial Library for inviting us to take part in their Tin Mountain Program.

Family Day – July 4th
Strong Living Class
Easter egg Hunt

Family Day was a tremendous success with many floats, cars, fire trucks and various groups taking part in the parade. Swift River Jazz Band and Jon Sarty provided music and the fireworks were especially outstanding this year. Thank you to Alex Bradford and Susan Peter for judging the parade. Family Day 2014 will be held on Friday July 4th. The parade will start at 11:00 a.m. at the Tamworth Town House, ending at the K.A. Brett with music, games, and food from noon – 3:30. Music, food, and games from 7:00 – 9:30 ending with the fireworks at 9:30.

Thank you to all coaches, and volunteers who make your recreation department possible. Please call 323-7582 for information about all activities.

Respectfully Submitted,
H. Parker Roberts
Recreation Director

Tamworth Red Cross Swim Program

2013 Report

The summer of 2013 saw 120 children participate in the Tamworth Swim Program at White Lake State Park. The weather is always “interesting” at the lake, but we managed regardless!! There is nothing like a “White Lake Day” with white caps and wind to bring out the best in all of us! It is always a pleasure to see familiar faces return year after year and welcome new ones each summer.

The success of the Swim Program is based on many contributing factors. The Town of Tamworth and the Tamworth Foundation, who each year continue to generously support the Swim Program financially. The parents, grandparents, and childcare providers who make the sacrifice to ensure that the children are able to attend. The Tamworth Recreation Program and the Swim Program continue to work together so that many children are able to take advantage of both programs. The staff at White Lake State Park are gracious in their assistance to the program and the use of their facilities for the Swim Program.

The instructors working with the children on a part-time and full-time basis were Ida Streeter, Corey Judge, Emmaline Ashe, Josh Mason, Martha Chandler and Brenda Robinson. We cannot say “Thank You” often enough to Steve Gray. He is extremely supportive in countless ways to our program.

Our sincere thanks to all who work to make the Swim Program a continuing success!! We look forward to continuing to offer lessons for many more years to both Tamworth children and children in surrounding communities. May they all have the pleasure of learning to swim, be safe in and around the water and make swimming a part of their lives for their lifetime.

Respectfully Submitted:

Brenda R Robinson
Director, Tamworth Swim Program

TAMWORTH OUTING CLUB

The Tamworth Outing Club had another excellent year in 2013. With an active board of fourteen members, TOC quietly provides many opportunities for the community, for young and old alike. Highlights of the year include our Junior Ski Program and Junior High Ski Team, grooming of the cross country ski trails, contra dances, Cal Ripken and Babe Ruth Baseball, the 4th of July barbecue, and manning the White Lake checkpoint for Reach the Beach. We are hopeful that the Tamworth Sled Dog Race and the Wonalancet Wander can take place this year.

The Outing Club's biggest commitment is to the Junior Ski program. The program includes instruction on Friday afternoons for six weeks in January and February, and has been in place since 1935. Students ski and snowboard at King Pine Ski Area, while Nordic skiing occurs on various local trails. The Outing Club wishes to thank The Tamworth Foundation for their generous support, enabling 143 students to participate in the program and nine 6th – 8th graders to compete on the junior high ski team.

A special thank you goes to Brian Cutter for grooming the cross country ski trails in Wonalancet, and for his dedication to the Outing Club.

Contra dances were held every other Saturday this summer, as well as on New Year's Eve. All are encouraged to attend.

TOC also provided the Cal Ripken and Babe Ruth Baseball programs, with 55 children participating. This past year, there were two minor teams and two rookie teams. One of the minor teams, "The Rockies," won the championship. Mark Anthony organized the Cal Ripken league this year, and noted that the volunteers were great and that many new faces stepped up to help. Tamworth did not field a Babe Ruth team this past year, but four of our students played on the North Conway Babe Ruth team which was undefeated in regular season play. TOC was able to reimburse these students for the fee that the team required. The Outing Club would like to thank the citizens of Tamworth for approving last year's request to help fund the baseball program.

On a sad note, TOC lost a valued, dedicated member this past year when Stan Coville passed away. We sorely miss his strong opinions, his spirit and his relentless sense of volunteerism.

The Outing Club appreciates all those hearty souls who have volunteered for the ski/snowboard program, the baseball program, and Reach the Beach. We look forward to another successful year, providing the town of Tamworth with many activities.

Respectfully,
Anne Chant
President, Tamworth Outing Club

Town of Tamworth Transfer Station

2013 Town Report

In the year of 2013 we received and shipped away 1,097.51 tons of trash and recyclables.

We shipped:

M.S.W. (Household trash)	634.84	Tons
Paper	59.86	Tons
Cardboard	30.59	Tons
Commingled	23.59	Tons
Aluminum Cans	3.91	Tons
Glass	86.52	Tons
C&D/Bulky	204.42	Tons
Scrap Metal	39.64	Tons
Electronics	14.14	Tons

In addition to the items listed above we also received and shipped 40 refrigeration units and 281 tires.

The sales of our recyclables (paper, cardboard, aluminum cans and scrap metals) paid the Town \$37,991.37 for the year 2013.

I would like to thank all our Town Residents for all their efforts to make our recycling program a success.

Respectfully Submitted,

Glenn Johnson Sr.
Transfer Station Manager

Tamworth Conservation Commission 2013 Annual Report

The Tamworth Conservation Commission is a town organization staffed by volunteers. It makes recommendations to the Planning Board and to the Board of Selectmen on items pertaining to conservation. In addition, it oversees the town's trails, lands, and conservation easements. Meetings are held on the second Monday of each month and the public is invited to attend. Noteworthy activities of the Commission during 2013 are summarized below.

Membership: Several changes in membership occurred during the year. Margaret Rieser decided to step down at the conclusion of her most recent term. Joining the Commission as alternates were Shannon Maes, Eric Dube, and John Watkins. Nelson O'Bryan became chair, succeeding Ned Beecher who has served ably in that capacity for many years. Sue Stowbridge served as Tamworth coordinator for Hazardous Waste Collection Day.

Monitoring: Conservation easement monitoring was completed on lands for which Tamworth holds conservation easements or, in some cases, executory rights. The required quarterly landfill gas emission testing was completed by Commission volunteers, resulting in a cost savings to the town. The Commission continued to provide support to Green Mountain Conservation Group's program to test the quality of surface waters.

Education and Information: The Commission cosponsored three lectures during the year. A talk by Chris Conrod on vernal pools and one by Shannon Maes on pollinators were joint efforts with the Tamworth Lyceum. Mary Holland's presentation entitled "Naturally Curious," a description of wildlife behavior through the seasons, was sponsored by the Wonalancet Outdoor Club and the Commission. Bob Hardy and Dan DeHart gave a public presentation on the upcoming timber harvest at White Lake State Park. Spring bird walks were conducted again this year by Ned Beecher. The Commission continues to maintain a web site, www.tamworthconservationcommission.org for news and information such as trail maps.

Trails: Trail maintenance—primarily removal of fallen trees and trimming encroaching brush--was done as usual. New signs, provided by White Lake State Park, were put up on the Black Spruce trail.

Conservation Easements: The Commission, largely through its Conservation Lands Review Committee, worked on three projects during 2013. Building on the success that the Conservation Commission and the Society for the Protection of New Hampshire Forests had with protecting the Gilman Forest, the two groups initiated two new conservation projects: Gilman West and the Reich property. Gilman West is a 62 acre parcel which abuts the Gilman Forest on the west while the 103 acre Reich property abuts it on the south. Fund raising for these two combined projects began in December. Like Gilman Forest, both of these properties will remain actively managed forests open to the public for recreational use. The third project, projected to be completed in 2014, is a conservation easement on the Bearcamp Valley Farm property south of Route 25. This easement will help preserve the farm as an agricultural/forestry business. Funding for purchasing the easement is being provided by a private foundation.

Cook Memorial Library Director's 2013 Annual Report

Mission Statement: Cook Memorial Library provides educational, cultural, recreational and information resources through the work of its dedicated and knowledgeable staff. The library offers opportunities for learning, leisure reading, local history and genealogy preservation, study and research. It is accessible to all as a welcoming and comfortable center of community activity.

In 2013, we spent a great deal of time preparing for and implementing a new open source automation system. We discarded 2090 items in order to prepare for a clean, trim migration to Koha, the new system, and to make more room on our very crowded shelves. We added 1477 items. As of December 31st, 2013, the total number of library materials in the collection was 22,896, leaving workable space on the shelves. Now that we have mastered its complexities, we are happy with Koha, and we hope that our patrons are enjoying the increased functionality of the online catalog, and the convenience of emailed notices for holds and over dues.

In 2013, 857 borrowers checked out 28,951 library materials (185 borrowers downloaded 2718 audios and ebooks from Overdrive). There were 14,236 library visits recorded. The staff answered 1065 reference questions, 428 of which were technology-oriented.

A record number (177) of community meetings were held at the library, and were attended by 1,132 people. 100 programs for adults, children, juveniles, or a mix of all three were attended by 1753 people. Some of these programs were the result of collaboration with the Tamworth Historical Society, the Remick Museum, ACT, Tamworth Community Nurses Association, Brett School and of course, The Friends of Cook Memorial Library. In response to community petition for more open hours, we are intending to open from 10 am to 2 pm on Mondays after April 1, 2014.

Explanation of unexpended money to be carried over to 2014 budget: \$989.65 in Barbara Fromm Memorial Fund; \$839.86 in Joseph Rancourt Memorial Fund, \$1953 donated proceeds from the Independence Day 5K Race, \$200 from LCHIP (they reward us with a donation because we provide an annual report of our historic building's condition in a timely manner), and \$2732.50 in unrestricted donations. In addition, the Trustees of Public Funds for the Town of Tamworth hold approximately \$52,000 in restricted funds designated for the library.

As always, we are deeply indebted to all the donors and volunteers who support the library in various ways throughout the year. The Friends of Cook Memorial Library are to be especially commended for all the hard work they do on behalf of the library. The Friends provide financial support for virtually all library programming. They also fund purchases of equipment and supplies, continuing education opportunities for staff, our Overdrive membership which provides access to downloadable audios and ebooks, and our movie licensing contract which allows us to show films publically at the library. They also mastermind, finance, and run a "Books for Babies" program which puts beautiful bags of books in the hands of every household in Tamworth with a new baby. The Friends also bring potluck dishes for the Holiday Open House in December and help us celebrate as well as help us serve the community faithfully and well. Without our Friends and supporters, the library simply couldn't offer the range of services that it does.

In addition to all the support mentioned above, the Friends also contributed an additional \$3000 toward the implementation costs of the new automation system for the library, which as it turns out, we didn't need because the project received sufficient financial backing from you, the voters in the Town of Tamworth. We appreciate your good will toward your town library.

Respectfully submitted, Jay Rancourt, Library Director

Supporting local businesses. Attracting new commerce.

Dear Citizens of Tamworth,

As 2014 begins and another year has passed, the Tamworth Economic Development Commission continues to actively support businesses in Tamworth. The TEDC sets a number of goals each year, which we hope will both support current businesses and attract new business ventures to our beautiful town. Towards that end, we would like to tell you of some of the things that have been happening this past year.

The updated version of the booklet "Businesses of Tamworth" is available at the Town Office and at various other locations around town. We also continually updated that list of businesses on our website, www.tamworthnh.net. We have also republished our "Shop, Play, Eat, Sleep" brochure for tourists, which highlights the many opportunities that Tamworth offers to visitors. It is available at many retail locations in the area. We would like to encourage all of you to support local businesses by 'buying locally' whenever possible to support our peers in Tamworth.

We are pleased that generous donations from kind individuals and from the Tamworth Foundation and the Tamworth Fire Department allowed the TEDC to support Tamworth Wireless in purchasing a webcam which has been installed on the fire tower on Page Hill. This valuable webcam provides continual fire surveillance of the surrounding forests, allowing the Fire Department to monitor a much wider region than was previously possible. A bonus is that people anywhere in the world can view the beauty of our area! You, too, can connect to the webcam through the link provided on our website.

We continue to support the growth of Tamworth Wireless Cooperative, a non-profit which provides internet access to many areas of Tamworth where service was previously unavailable. We believe that this important element of our infrastructure will help both to attract new businesses and to increase the potential expansion for current businesses.

An ongoing goal of the Commission has been to support the creation and development of new projects. One example this past year is our encouragement of the building of housing for older residents of Tamworth who wish to live in smaller homes near the center of town. At the other end of the spectrum, in an effort to retain young citizens of Tamworth after they graduate, the TEDC is working on the development of a Teen Leadership Program. We hope that this small group of high school students who will be chosen annually will better understand their town and will actively engage now and in the future in areas such as government (both local and state), education, culture, justice, energy, sustainability, and health. We will be working with the schools to establish this program this year.

In recognition of the importance of regional collaboration to accomplish our common goals, the Commission has worked with both the Lakes Region Planning Commission and the Mt. Washington Valley Economic Council.

In conclusion, we thank you for your support as the Tamworth Economic Development Commission works to continue to support both the citizens and present and future businesses of Tamworth.

Sincerely,
Pat Farley
Chair

2013 Town Meeting Minutes
TAMWORTH TOWN WARRANT
The State of New Hampshire

To the inhabitants of the Town of Tamworth, County of Carroll in said State qualified to vote in Town Affairs:

You are hereby notified to meet for the First Session of the Annual Town Meeting at the Tamworth Town House, 27 Cleveland Hill Road, in said Town of Tamworth on **Tuesday, the 12th of March, 2013**, to choose town officers and to vote on other matters required to be on the official ballot, polls to be open for voting on Articles 1 - 4 at ten o'clock in the forenoon, and to close not earlier than 7:00 o'clock in the evening, and you are hereby notified to meet for the Second Session of the Annual Town Meeting at the Kenneth A. Brett School, 881 Tamworth Road, in said Town of Tamworth on **Wednesday, the 13th of March, 2013**, at 7:00 o'clock in the evening for the transaction of all other Town business as specified in the remaining articles of this warrant.

ARTICLE #1 To elect all necessary **Town Officers**, which appear on the official Town ballot for the ensuing year.

1048 Ballots Cast on Election Day

ARTICLE #2 (By Petition). Are you in favor of abolishing the Wetlands Conservation Ordinance? (Majority Vote Required)

The Planning Board **does not** recommend this article.

Vote by Election Day Ballot

Yes 572 No 471

ARTICLE #3 (By Petition). We the undersigned registered voters and citizens in the Town of Tamworth hereby petition an amendment of the Wetlands Conservation Ordinance of Tamworth, New Hampshire, pursuant to RSA 675:4. We petition that the amendment delete subsection 2 of "Section F, Special Provisions" which currently gives the Planning Board jurisdiction over a 25 foot buffer to wetlands and add an amendment to add language as a new subsection 4 of "Section D. Permitted Uses within the Wetlands Conservation District" as follows:

4. Notwithstanding any provision of this Ordinance to the contrary, no Special Use Permit or other Planning Board approval shall be required for any use for which a permit has been obtained from the New Hampshire Department of Environmental Services pursuant to RSA 482-A or the United States Army Corps of Engineers pursuant to 33 U.S.C. §1251 et seq. Subsection 2 of "Section F. Special Provisions" shall be deleted in its entirety. (Majority Vote Required)

The Planning Board **does not** recommend this article.

Vote by Election Day Ballot

Yes 576 No 463

ARTICLE #4 Are you in favor of the adoption of Warrant Article No. 4 as proposed by the Planning Board as follows: Amend the Tamworth Floodplain Development Ordinance as necessary to comply with requirements of the National Flood Insurance Program? (Majority Vote Required)

The Planning Board recommends this article.

Vote by Election Day Ballot

Yes 924 No 90

The Moderator opened the meeting at 7:00pm. The Tamworth Meeting Singers for a second year sang our invocation, and Dannie Wasson lead us in the Pledge of Allegiance. The moderator introduced the head table as well as the ballot clerks and the Police Department. Bob Abraham was recognized and thanked for his 3 yrs of service. The Moderator proceeded to read the election results for the elected officers as well as the results for the 3 ballot questions. The ground rules for voting by voice, raise of hands, or cards was explained. The ground rules for discussions and keeping order were also reviewed. With no questions asked the moderator proceeded to Article #5.

ARTICLE #5 (By Petition). To see if the Town will vote to name the town ball field on Durrell Road the Roy Grace Memorial Park. (Majority Vote Required)

Moved/Seconded

Discussion

Parker Roberts asked to amend the Article to read: To see if the Town will vote to name the town baseball field on Durrell Road the Roy Grace Memorial Baseball Field.

Moved/ Seconded. Amendment Voted on and passed.

Amended Article Passed

ARTICLE #6 (By Petition). We, the residents and registered voters of Tamworth, would like the Town to accept our roadways: Silver Pine Lane, Hawthorn Court, Willow Lane, and Brandywine Road. (Majority Vote Required)

Moved /Seconded

Discussion

Alan Labrie spoke of the 1.7 miles of roadway in Sokokis Pines of being paved and up to specs and eleven of the lots are commercial lots. Xann Teryek asked for the Selectmen's input as to if the roadways are up to specification? John Roberts concurred that the roads were up to specs and should last 15 – 20 yrs before major improvements need to be done. Kate Vachon asked if there was money included in this year's maintenance budget to compensate for the adoption of these roads this year. There are no additional monies in the current budget for repairs of those roadways. Some mowing may be the only thing necessary at this time.

Article Passed

ARTICLE #7 To see if the Town will vote to raise and appropriate the sum of **\$726,519** for **General Government Operations:** (Majority Vote Required)

Board of Selectmen
Town Administration

\$ 13,489
\$160,254

Tamworth Warrant Articles

Town Clerk/Tax Collector	\$104,790
Election & Registration	\$ 4,539

Advertising & Regional Assoc.	\$ 7,092
Emergency Repair Response	\$150,000
Debt Service Principal & Interest	\$ 74,164

The Board of Selectmen recommends this article. (Vote 3-0)

Moved/Seconded

Discussion

Steve Gray asked to amend the article to reduce the Planning Board line of \$32,234 by \$12,000 to now read \$20,234 and the total amount to amend the article would be \$714,519. Amendment was moved and seconded. Bob Abraham asked Steve to explain why. Steve explained that the planning board chairman has ascertained that current litigation will be going away; therefore reducing the need for legal expenses.

Vote was taken on the amendment.

Amendment Passed

The Moderator asked if any further discussion.

Dave Gaudette in further discussion asked to amend the Legal Expenses line from \$20,000 to \$7,500. Amendment Moved /Seconded. This amendment for \$12,500 would bring the total of the Article with this proposed amendment to now be \$702,019. John Roberts spoke of the reduction made from last year from \$30,000 to \$20,000 already and would not want to lower it further. Rebecca Boyden spoke of not lowering the requested amount because of the need for legal fees with no wetlands ordinance in place. Bob Abraham spoke in support of keeping the \$20,000 for the Legal Expenses line, but supported the lowering of the planning board line. Willie Farnum spoke of the need to appropriate funds and that the Selectmen do not spend all that is appropriated. Amendment was voted on for total of \$702,019. Vote was taken. Amendment Not Passed.

Discussion returned back to the amended total of \$714,519. Rebecca Boyden would like to put back in \$12,000 in the Legal expenses line to

bring the Article amount back to \$726, 519. The amendment for \$726,519 was moved and seconded. A vote was then taken and this amendment did not pass.

Joanne Rainville asked if money was in any of the lines to have landscaping done at the town office and asked if a landscaper had been contacted. A landscaper's cost had not been in the budgeting discussions. John Roberts commented that he would see if a better job could be done this year. No further discussion for the amendment to the article to total \$714,519 was given. Amended article was then voted on.

Amended Article Passed

ARTICLE #8

To see if the Town will vote to raise and appropriate the sum of \$ **617,463** for **Public Safety**: (Majority Vote Required)

Police Department	\$258,273
Police Cruiser	\$ 35,000

The Board of Selectmen recommends this article. (Vote 3-0)

Moved/seconded

Discussion

Chief Poirier asked to amend the article to increase the police budget by \$7,500 for a new total of \$624,963 for this warrant article.

Amendment Moved/Seconded.

Discussion

Chief Poirier, through the Emergency Management Director, was recently notified that a grant is available for a generator through the Homeland Security for the Police Department. This would allow the PD to set up as an emergency operations center and that it would require an appropriation of funds for the amount of the grant. A vote to amend the article passed.

Discussion under the amended article proceeded with additional questions as to why the increase of the Emergency Management line from \$3,300 to \$20,225. Dana Littlefield explained that the addition to the EM line includes the purchase of a supply trailer, which was under a 5 year

plan, to hold the supplies for the emergency management shelter at the school, and would also allow to make the supply unit mobile if there is a need to move the emergency management shelter location or to help support another town. This is also grant funded and is split with the State. The additional \$5,000 under the EM line updates our local emergency operations plan to be covered by donated time and the other half by the State. A vote was then taken on the amended article of \$624,963.

Amended Article Passed

ARTICLE #9

To see if the Town will vote to raise and appropriate the sum of **\$35,000** for the purchase of a **Sports Utility vehicle (SUV)** for the Tamworth **Fire Department**. (Majority Vote Required)

The Board of Selectmen recommends this article. (Vote 3-0)

Moved/Seconded

Discussion

Tom Vachon would like an explanation from the Fire Dept. as to why an SUV. Richard Colcord spoke of the past SUV's being handed down from the Police Department and the cost involved for repairs. Tom Vachon asked what the SUV would be used for. Why an SUV? Richard Colcord explained that the room in this type of vehicle is utilized as a command center, and therefore the need for the SUV for this purpose is practical.

ARTICLE #10

To see if the Town will vote to raise and appropriate the sum of **\$1,094,577 for Public Works:** (Majority Vote Required)

Highway Department	\$526,595	
Equipment Purchase	\$65,000	
Paving	\$260,000	
Cleveland Hill Road Repairs	\$45,000	
Lease Payments	\$1	
Total Highway		\$896,596
Street Lights		\$ 12,247
Well Monitoring & Testing		\$ 7,500
Transfer Station Operations		\$178,234

The Board of Selectmen recommends this article. (Vote 3-0)

Richard Roberts commented on the \$1 on the Lease Payments line. It is the last payment on the Lease Payment of the purchase of highway equipment. Kathy Dyrenforth asked if the painting of crosswalks in Chocorua Village is in the budget and if it was going to be done this year. Richard Roberts explained that it was in the budget and would be done.

ARTICLE #14

To see if the Town will vote to raise and appropriate the sum of **\$6,210** for **Tamworth Conservation Commission** expenses. (Majority Vote Required)

The Board of Selectmen recommends this article. (Vote 2-1)

Moved/Seconded Discussion

Jack Waldron asked who was the “No” vote on the Board of Selectmen recommendations. Bob Abraham explained that the monies from current use removal went to the Conservation Fund and felt they did not need further monies. Ned Beecher clarified that the operating budget does not get those funds. Ned explained that the funds from the land use change

tax goes to the Town Conservation Fund. The maximum per year is \$5,000. No further questions. Article voted on.

Article Passed

The Moderator explained that articles #15 – 31 are petitioned warrant articles and if discussion is needed to let the moderator know to pull the article. The articles not pulled will be voted on in total and the pulled articles will be discussed individually thereafter. These articles currently total \$124,730. The moderator proceeded to read the articles individually and the following articles were pulled #16, 23, 26, 27, 28, & 29. Article's #15, 17, 18, 19, 20, 21, 22, 24, 25, 30, & 31 were not pulled and together totaled \$51,230. The moderator proceeded to have those articles moved/seconded and voted on as a total.

The moderator then proceeded to read Article #16.

ARTICLE #15 (By Petition). To see if the Town will raise and appropriate the sum of **\$2,000** for the **Tamworth Outing Club** for the support of the Cal Ripkin and Babe Ruth baseball programs. (Majority Vote Required)

The Board of Selectmen recommends this article. (Vote 3-0)

Article Passed

ARTICLE #16 (By Petition). To raise and appropriate the sum of **\$6,000** for **Tri-County Community Action** for the purpose of continuing services of the Fuel Assistance Program for the residents of Tamworth. (Majority Vote Required)

The Board of Selectmen **does not** recommend this article. (Vote 3-0)

Moved/Seconded	Discussion
----------------	------------

Each Selectmen spoke of not supporting this article. John Roberts believes that this organization should still pay something to the Town in lieu of taxes. Bob Abraham does not support the agency as a whole & Jim Hidden felt the same not knowing where the monies were going. Ann McGarity asked if money was not made available to Tri County Cap if it would affect those from Tamworth who receive assistance for heating. John Roberts replied "No" it would not. Ann asked why? John explained that the Town of Ossipee had not passed this article before but still received assistance.

ARTICLE #19 (By Petition). To respectfully request that the town vote to raise and appropriate the sum of **\$1,573** in support of **Starting Point** providing advocacy and support to victims of domestic and sexual violence and their children. (Majority Vote Required)

The Board of Selectmen recommends this article. (Vote 3-0)

Article Passed

ARTICLE #20 (By Petition). To see if the Town of Tamworth will vote to raise and appropriate the sum of **\$5,000** for the **Tamworth Scholarship Committee, Inc.** (Majority Vote Required)

The Board of Selectmen recommends this article. (Vote 3-0)

Article Passed

ARTICLE #21 (By Petition). To see if the Town of Tamworth will vote to raise and appropriate the sum of **\$4,000** to assist the **Community Food Center**. (Majority Vote Required)

The Board of Selectmen recommends this article. (Vote 3-0)

Article Passed

ARTICLE #22 (By Petition). To see if the Town of Tamworth will vote to raise and appropriate the sum of **\$3,100** for the Early Supports & Services Programs (birth to 3 years) of **Children Unlimited, Inc.** (level funding request). (Majority Vote Required)

The Board of Selectmen recommends this article. (Vote 3-0)

Article Passed

ARTICLE #23 (By Petition). We the undersigned registered voters of the Town of Tamworth do hereby petition the 2013 Annual Town Meeting to raise and appropriate the sum of **\$40,000** for **Tamworth Community Nurse Association** for the purpose of continuing services to the residents of Tamworth. (Majority Vote Required)

The Board of Selectmen recommends this article. (Vote 3-0)

Susan Colten moved to amend the article to \$80,000. Susan Colten explained that the nurses' association budget is \$160,000 per year of which \$50,000 comes from their endowment, and then another \$70,000 has to be raised. UNH study showed that the TCNA cost savings is \$550,000 to our town because the nurses' are here in the community.

Amendment Moved/Seconded.

Discussion

A question was asked as to the impact on our tax rate. Bob Abraham commented every \$358,000 budgeted equals \$1.00 on the tax rate. So the figure would be close to \$0.10. Joanne Rainville spoke of the hours put in for fundraising and in serving this community. Explained of the paid personnel and its small staff and the amount of time spent raising \$70,000. Bob Abraham asked where the additional \$40,000 would be going and how it would be spent. Salaries were already shown to the Selectmen at budgeting time so Joanne commented that the monies could be used for new activities like the Move More program and the ability to meet with a nutritionists, etc. Joanne explained that she would be able to spend more time on new activities/programs instead of fundraising. Willie Farnum explained that he considered the TCNA to fall under the term of "Public Safety" and that the UNH study proved that the benefits far out way the costs and although this was a large amount being asked for in this amendment he would support this. Gail Marrone spoke of the study being supported by the Tamworth Foundation and that the TCNA was a model for the community.

No further Discussion on Amendment. Amendment voted on and passed.
No further discussion on Amended Article.

Amended Article Passed

ARTICLE #24 (By Petition). To see if the Town will vote to raise and appropriate the sum of **\$16,000** to provide meals for the **Tamworth Meals on Wheels** Recipients. (Majority Vote Required)

The Board of Selectmen recommends this article. (Vote 3-0)

Article Passed

ARTICLE #25 (By Petition). To see if the Town of Tamworth will raise and appropriate the sum of **\$2,972** for the annual support of services provided to the citizens of this community by the **Central New Hampshire VNA & Hospice** dba Visiting Nurse Association-Hospice of Southern Carroll County & Vicinity, Inc. (Majority Vote Required)

The Board of Selectmen recommends this article. (Vote 3-0)

Article Passed

ARTICLE #26 (By Petition). To see if the Town of Tamworth will vote to raise and appropriate the sum of **\$17,000** for the support of Tamworth children, ages 5 – 12, using the Out-of-School Hours, School-Aged childcare services at **Bearcamp Valley School and Children's Center (Tamworth Preschool Inc.)**, a non-profit organization. These services include care before and after school, vacation weeks and summer programs for Tamworth Children ages 5 – 12. This request does not include any preschool programming. (Majority Vote Required)

The Board of Selectmen **does not** recommend this article. (Vote 2-1)

Moved/Seconded

Discussion

Jim Hidden was one of the “not to recommend” additional monies of \$17,000 for 20 students in a before and after school program. Bob Abraham did not recommend this amount of money as there are other non-profits who do not come to the Town. John Roberts supports the article as it is used for children of Tamworth. Nancy Coville commented on the schools need to raise \$80,000 per year to subsidize it costs. She also spoke about the increase request being the first in 8 years. The 10% increase this year is because of expense increases of 3 to 4% and their hours of operation from 6am to 6pm and the need for families to be able to work. Since 2008 it has been very, very rough for all involved as the State has everyone on hold. There are 30% of children who cannot live with either of their birth parents and those children's providers need to have childcare before and after school because they have to work. A lot of those children have special needs as well.

The new Director Catalina Kirsch from Madison, NH spoke of supporting quality out of school enrichment programs which keeps kids safe, and helps the local economy to allow parents to work, and to pay through discounts and scholarships. The quality out of school enrichment

programs help kids succeed and to later become engaged citizens in our community. The school does serve families from surrounding communities as well, but there are more Tamworth families in the program. Kathy Bunker spoke of the child care the Bearcamp Valley School provides and her ability to still be able to work while adopting three children. Rebecca Boyden supports the Bearcamp Valley School and feels their support to families is necessary for both parents and kids.

No Further Discussion

Article Passed

ARTICLE #27

(By Petition). To see if the Town will raise and appropriate **\$2,500** to assist **Agape Ministries** in their assistance to the residents of Tamworth. (Majority Vote Required)

The Board of Selectmen recommends this article. (Vote 2-1)

Moved/Seconded

Discussion

Kevin Strom from Agape Ministries spoke of the 864 families of Tamworth they served in 2012. He does not turn away Tamworth residents who come to Ossipee so as to remain anonymous. Bob Abraham supports our local food pantry for Tamworth residents. Kevin explained Agape does not choose who receives assistance and does not turn away anyone.

Article Passed

ARTICLE #28

(By Petition). To see if the Town of Tamworth will vote to raise and appropriate in the annual budget the sum of **\$5,000** (five thousand dollars) to support **Life Bridge, Inc.** Life Bridge is a mentoring organization serving students in Tamworth. Life Bridge supports students in 7th and 8th grade with one to one mentoring services and offers students healthy group events aimed at helping curb delinquency and risky behaviors. Life Bridge has provided a full-time staff person to oversee the program which currently Life Bridge serves about 40+ families from Tamworth. (Majority Vote Required)

The Board of Selectmen **does not** recommend this article. (Vote 2-1)

Moved/Seconded

Discussion

Kristen Newcomb supports Life Bridge, Inc full time staff in Brett School for several families for their Mentorship. John Roberts spoke not to support this article and felt it should be coming out of the School budget. Jim Hidden supports the program and feels money comes out of the same pockets whether town or school budget. Bob Abraham feels the organization is faith based and not for all children. Donna Ulitz spoke

about the program for 11 children with a one on one mentor. She spoke of no place for at risk kids to go after school and important for them to be mentored. Nancy Sheridan spoke of faith based organization and believes should come from Church or School monies, and that the at risk kids need more help from trained professionals. Donna Ulitz commented that boundaries are in place and mentors are trained. Alan Labrie commented that if we are supporting at risk kids through the Bearcamp Valley School we should support this article. He doesn't agree with the Faith based argument, and isn't aware that any faith is being pushed onto the children. Diane Bowles spoke in support of Life Bridge program in seeing the mentors both in school and out of school with the at risk kids. David Kiemper pastor at Tamworth Congregational Church also Executive director of Life Bridge program spoke about the development of the program and the mentoring program and its effect on kids who need mentoring and stress relief.

Tom Vachon made a motion to amend to change the word "support" to "contract" for mentoring services for Life Bridge Inc. Motion Seconded.

Nancy Sheridan, a clinical social worker, questioned the "contract" clause if legally the town would become responsible. She spoke about her disapproval of the faith based organization and her feelings in being ethically responsible in keeping the separation of church and State. She is speaking for those children whose voices aren't heard and who were spoken to and were told to change their life styles because it wasn't Christian. Deb Maille asked Chief Poirier of his opinion in regards to Life Bridge and their services with these children. He had none.

A question was raised, "Is contracting for services different then supporting the funds for the organization"? The Attorney felt the subject matter isn't changing "to support" or "contract" with Life Bridge, Inc. for \$5,000, and felt it would be permissible either way. It was commented that the Board of Selectmen would be the ones to enter into a contract. Question was moved. Amendment to article was voted on and not passed.

Ken Cargill asked Town Council representative about the warrant article providing for the support of faith based organization where there is no guarantees' that the town gets anything in return, and if it is impermissible support of religion with town funds? The representative for Town Council felt that in supporting warrant articles, as long as issues are treated equally whether religious or not, she does not think it is a violation, but maybe the town would want to follow up with Rick Sager the Town's Attorney.

A voice vote was taken. The Voice Vote taken was believed to be inconclusive and it was asked that the moderator turn to a hand vote.

Hand counted vote taken on Article.

ARTICLE #29

(By Petition). To see if the Town of Tamworth will vote to raise and appropriate the sum of **\$3,000** in support of **Carroll County Transit's Senior Transportation**. (Majority Vote Required)

The Board of Selectmen **does not** recommend this article. (Vote 3-0)

Moved/Seconded

Discussion

John Roberts voted against this article because his understanding is that the County is being asked for money as well. Jim Hidden spoke of the Tamworth Caregivers Program being available for Tamworth residents and his concern of both town and county money supporting the county program. Bob Abraham spoke of the Tri County Cap hardship and the question as to what programs may be continued or not.

George Cleveland asked to amend article to "strike" the word "seniors" because it is not used by just "seniors". Moved/Seconded Further discussion was on the use of this transportation by everyone.

A Vote was taken on the Amendment.

The amendment passed.

George Cleveland spoke further in support of the Blue Loon on demand bus service and that Tamworth residents do use frequently and receive the majority of the services. Susan Ticehurst spoke that from memory the county delegation decided not to support this service at the county level and thought best that money should be coming from the towns. Elizabeth McCarthy spoke in support of the buses utilized for Doctors appointments.

Amended Article Passed

ARTICLE #30

(By Petition). To see if the Town of Tamworth will vote to raise and appropriate the sum of **\$5,330** for the support of **White Mountain Community Health Center** to help meet the healthcare needs of the uninsured and underinsured residents of Tamworth. (Majority Vote Required)

Article Passed

ARTICLE #31 (By Petition). To see if the Town will raise and appropriate the sum of **\$3,750** to assist the **Mental Health Center**. (Majority Vote Required)

The Board of Selectmen recommends this article. (Vote 3-0)
Article Passed

ARTICLE #32 To transact any other business that may legally come before the meeting.

Brian Cutter asked for a nonbinding vote in regards to the continued consideration for the town's Christmas tree lighting to be in the Veterans Memorial Square. Nonbinding Voice Vote taken and concluded as "Yes".

Arthur Mason asked for an explanation from a planning board member in regards to the Ellie Homeyer \$13,242 Fiasco and Paul Kings' letter that was received addressing this incident. Rebecca Boyden explained of the Planning Boards error in "procedural deliberation" during the application process, and commented that had the applicant's representative Paul King provided sufficient information and appropriate guidance to the applicant and the Planning Board the misunderstanding in this matter could have been corrected without the court's involvement. The moderator then addressed the legislative body that this conversation should be further facilitated with the planning board as the town meeting is not the Forum.

A representative of Town Council explained that the voters at the Annual Meeting don't have the authority, or that the Town meeting does not provide jurisdiction, to jump into the middle of this dispute. This should be addressed to the Planning Board or the Board of Selectmen at the appropriate meetings. She also commented that the language of this warrant article in regards to the any other business that can "legally" come before the meeting is an oxymoron, because there is no other business that can "legally" come before the town meeting at this point in time.

Bob Abraham wanted to congratulate all the newly elected officials and the town's people that came out to vote on such a miserable day. He did feel that the comments made by Rebecca Boyden in regards to Paul King's professionalism were inappropriate, and he believes that was the planning board meeting that Paul King was not allowed to speak by the chairman.

George Cleveland made a motion to adjourn / Seconded by Willie Farnum
Meeting Adjourned 9:32pm

Respectfully submitted,
Kim Trammell
Certified Town Clerk
