

Town of Tamworth

New Hampshire

ANNUAL REPORT

Fire Chief Richard Colcord
Year Ending December 31, 2017

Since coming on board in 2008 Rich has been a quiet leader within his department and a true asset to the Town of Tamworth. Any time there is a need from another town department he is the first to jump in and help out. His attitude and willingness to help makes him a true team player. Whether it is cleaning culverts with the Highway Department or checking out a temperamental HVAC system at the Town Office, Chief Colcord never hesitates to lend a hand.

This past summer, the Tamworth Fire Department and Tamworth Rescue Squad merged. This change could have been difficult but Rich's calm and steady demeanor made the transition smooth. In addition to all he does in Tamworth, Rich serves in the National Guard, ready to serve our Country as he does our town.

Thank you Chief Colcord!

TABLE OF CONTENTS

Town Officers and Employees	1
2018 Budget (MS-636).....	5

TAMWORTH 2018 TOWN WARRANT

The State of New Hampshire

To the inhabitants of the Town of Tamworth, County of Carroll in said State qualified to vote in Town Affairs:

You are hereby notified to meet for the First Session of the Annual Town Meeting at the K. A. Brett School, 881 Tamworth Road, in said Town of Tamworth on **Tuesday, the 13th of March, 2018**, to choose town officers and to vote on other matters required to be on the official ballot, polls to be open for voting on **ARTICLE #01** and **ARTICLE #02** at eight o'clock in the forenoon, and to close not earlier than seven o'clock in the evening and you are hereby notified to meet for the Second Session of the Annual Town Meeting at the Kenneth A. Brett School, 881 Tamworth Road, in said Town of Tamworth on **Wednesday, the 14th of March, 2018**, at seven o'clock in the evening for the transaction of all other Town business as specified in the remaining articles of this warrant.

ARTICLE #01

To elect all necessary **Town Officers**, which appear on the official Town ballot for the ensuing year. Open positions (2) Selectmen 3 year terms, (1) Selectman 1 year term, (1) Moderator 2 year term, (1) Town Clerk/Tax Collector 3 year term, (1) Treasurer 1 year term, (1) Supervisor of the Checklist 6 year term, (2) Planning Board members 3 year terms, (1) Trustee of the Trust Funds 3 year term, (1) Cemetery Trustee 3 year term, (2) Library Trustees 3 year terms, (1) Fireward – East 3 year term, (1) Fireward-at-Large 3 year term.

ARTICLE #02

Shall we permit the public library to retain all money it receives from its income-generating equipment to be used for general repairs and upgrading and for the purchase of books, supplies and income-generating equipment?

ARTICLE #03

To see if the Town will vote to raise and appropriate the sum of **\$85,160** for **salary and benefits** for the current year for the position of **Town Clerk/Tax Collector**. **NOTE:** The amount requested under this article shall be used for an annual salary of \$56,000 to include 20 paid days off, FICA and Medicare in the amount of \$4,284, a health and dental insurance premium (93% of the premium for the Town's health insurance plan currently with an 80/20% split for a two person policy and 100% of the employee dental insurance) of \$18,503 and contributions to the NH State Retirement System at the effective contribution rate (remaining at 11.38% thru Dec 2018) of \$6,373. (These funds shall only be disbursed as long as the eligibility requirements are met in accordance with the NH Retirement System). Also, if a midterm appointment of a new Town Clerk/Tax Collector should be made, a salary and benefit package will be determined by the Board of Selectmen at the time of the appointment. (Majority Vote Required)

The Board of Selectmen **recommend** this article. (Vote 3-0)

To see if the Town will vote to raise and appropriate the sum of **\$150,000** emergency repair/response for unanticipated expenses. The full amount **\$150,000** will come from the Unassigned Fund Balance and no amount to be raised by taxation. (Majority vote required)

The Board of Selectmen **recommend** this article. (Vote 3-0)

ARTICLE #13

To see if the town will vote to allow the operation of KENO within the town pursuant to the provisions of NH RSA 284:41 through 51. (Majority vote required) (Ballot vote required)

The Board of Selectmen **recommend** this article. (No vote taken)

ARTICLE #14

(By Petition) To see if the town will vote to change the organization of the Tamworth Fire-Rescue Department and adopt RSA 154:1, I (a) which provides for a Fire Chief to be appointed by the Select Board with fire fighters appointed by the Fire Chief, and to further, disband and discontinue the Tamworth Board of Firewards, with the Board of Firewards going out of existence and operation one year after adoption of the article by town meeting. (Majority vote required)

The Board of Selectmen **recommend** this article. (No vote taken)

ARTICLE #15

Shall the Town pursuant to RSA 72:81 adopt for a five-year period (5) a “new construction property tax exemption” of fifty percent (50 percent) of the increase in assessed value attributable to construction of new structures, additions, renovations or improvements to existing structures for commercial and industrial uses (as defined by RSA 72:80). If passed, this exemption would take effect in the tax year beginning April 1, 2018. (Majority vote required)

The Board of Selectman **recommend** this article. (Vote 3-0)

ARTICLE #16

Shall the town adopt the “all veterans’ property tax credit” under RSA 72:28-b? If adopted, the credit will be available to any resident, or the spouse or surviving spouse of any resident, who (1) served not less than 90 days on active service in the armed forces of the United States and was honorably discharged or was an officer honorably separated from service, and (2) is not eligible for and not receiving the credit for veterans who served in a qualifying war or armed conflict or for veterans with a service-connected disability. If adopted, the credit will be in the amount of \$500.00, which is the same amount as the credit for a veteran who served in a qualifying war or armed conflict. If the credit is adopted, any person desiring to claim the credit will be required to file an application with the Selectmen or the Assessor by April 15 of the tax year. If adopted, this amendment shall become effective as of April 1, 2018. (Majority vote required)

The Board of Selectmen **do not recommend** this article. (Vote 2-1)

ARTICLE #17

(By Petition) We the undersigned registered voters of the Town of Tamworth do hereby petition the 2018 Annual Town Meeting to raise and appropriate the sum of **\$6,000** for **Tri-County Community Action** for the purpose of continuing services of the Fuel Assistance Program for the residents of Tamworth. (Majority Vote Required)

The Board of Selectmen **recommend** this article. (Vote 3-0)

ARTICLE #18 (By Petition) To respectfully request that the town vote to raise and appropriate the sum of **\$2,491** in support of **Starting Point** providing advocacy and support to victims of domestic and sexual violence and their children. (Majority Vote Required)

The Board of Selectmen **recommend** this article. (Vote 3-0)

ARTICLE #19 (By Petition) To see if the Town of Tamworth will vote to raise and appropriate the sum of **\$5,000** for the **Tamworth Scholarship Committee, Inc.** (Majority Vote Required)

The Board of Selectmen **recommend** this article. (Vote 3-0)

ARTICLE #20 (By Petition) Warrant Article for the Town of Tamworth to raise and appropriate the same sum as last year of **\$5,000** to assist the **Community Food Center** the food pantry serving Tamworth people. (Majority Vote Required)

The Board of Selectmen **recommend** this article. (Vote 3-0)

2017 TOWN MEETING
MINUTES
The State of New Hampshire

To the inhabitants of the Town of Tamworth, County of Carroll in said State qualified to vote in Town Affairs:

You are hereby notified to meet for the First Session of the Annual Town Meeting at the Tamworth Town House, 27 Cleveland Hill Road, in said Town of Tamworth on **Tuesday, the 14th of March, 2017**, to choose town officers and to vote on other matters required to be on the official ballot. Polls to be open for voting on **ARTICLE #01** and **ARTICLE #02** at eight o'clock in the forenoon and to close not earlier than seven o'clock in the evening. You are hereby notified to meet for the Second Session of the Annual Town Meeting at the Kenneth A. Brett School, 881 Tamworth Road, in said Town of Tamworth on **Wednesday, the 15th of March, 2017**, at seven o'clock in the evening for the transaction of all other Town business as specified in the remaining articles of this warrant.

The moderator opened the meeting at 7:05pm. The moderator introduced Morgan Dubuque to lead us with the pledge of allegiance. The Town Meeting Singers sang the Tamworth Anthem. The moderator gave a Thank you to Richard Roberts and the Highway Department who helped to keep us moving on Election Day. The moderator asked those to stand that were involved or participated in the Tamworth 250th celebration throughout the year as he read his list of activities that one would have participated in (which he was sure involved everyone in the room). He asked the official members of the 250th Celebration Committee to stand to be recognized. The moderator in recognition of John

Roberts, who was not present, thanked John for his 27 years as a Selectman (since 1987) and his countless hours of service. He asked the community when you bump into John to thank him. George Cleveland led us in the invocation. Chris Canfield, moderator explained how George Cleveland when swearing him in as moderator suggested to Chris to find people in the crowd to calm and ground him. Don McGarity, Tom Vachon, as well as Bob Floyd were named as such people. A moment of silence followed to pay tribute to those men. The moderator then certified the election by reading the results of the school and town elections.

ARTICLE #01 To elect all necessary **Town Officers**, which appear on the official Town ballot for the ensuing year.

<u>Office</u>	<u>Name</u>	<u>Term</u>	<u>Votes</u>
Selectmen		3 years	
	Michael J Malenfant		56
	Daniel Poirier		397
Road Agent		3 years	
	Richard R Roberts		428

ARTICLE #02 (By Petition) We the undersigned voters of the Town of Tamworth, NH under RSA 41:8-b submit this petition to the Tamworth Board of Selectmen to be placed on the warrant for town meeting in 2017. The question **“Are you in favor of increasing the Board of Selectmen to 5 members?”**

Majority Vote **Yes 261 No 165**

The moderator introduced the head table. He explained the rules and regulations before getting started. Articles read, moved/seconded, discussion, voice vote after discussion, if voice vote not conclusive a raise of hands with signed ballot cards will be counted by eye and if too close to call will be physically counted. If article request is for a Secret Ballot, from five registered voters who are present, the secret ballot will be conducted instead of a voice vote and the signers are not guaranteed to anonymity. Moderator asked for those who wish to speak to go to the microphone. If a person plans on addressing varying articles, and/or plan to speak often, please sit by the microphone. Please introduce yourself before speaking and please speak through the moderator. If you are not a registered voter please let the moderator know before speaking. The moderator instructed those present to go to the Town Warrant on page 33 in the annual report. The moderator read Article #03.

ARTICLE #03 To see if the Town will vote to raise and appropriate the sum of **\$83,662** for **salary and benefits** for the current year for the position of **Town Clerk/Tax Collector**. **NOTE:** The amount requested under this article shall be used for an annual salary of \$54,000 to include 15 paid days off, FICA and Medicare in the amount of \$4,131, a health and dental insurance premium (93% of the premium for the Town's health insurance plan currently with an 80/20% split for a two

2017 TOWN MEETING MINUTES

person policy and 100% of the employee dental insurance) of \$19,456 and contributions to the NH State Retirement System at the effective contribution rate (remaining at 11.17% thru June 30th and 11.38% July thru Dec 2017) of \$6,075. (These funds shall only be disbursed as long as the eligibility requirements are met in accordance with the NH Retirement System). Also, if a midterm appointment of a new Town Clerk/Tax Collector should be made a salary and benefit package will be determined by the Board of Selectmen at the time of the appointment. (Majority Vote Required)

The Board of Selectmen **recommends** this article. (Vote 2-0)

Moved/Seconded

Discussion

Mike Malenfant thanked Kim for keeping the polls open and running by the law, and thanked the Town employees and volunteers for their work on Election Day. Mike asked Kim if she had received a raise last year. She had not received a raise last year and Mike commented on her asking for almost a \$4500 raise this year. Kim spoke of it being \$4200. Mike asked the selectmen if any Town employee had received a raise last year. Steve Gray spoke that there was a pay grade promotion which came with not a substantial increase for an employee last year. Mike's point was that if Kim didn't get a raise last year and no one else got a raise last year he wouldn't go for it. Kim spoke and addressed being an elected official and having a separate warrant article and that the appointed employees and any elected official falling under the direction of the Board of Selectmen, go through the selectmen for increases of COLA or pay increases. Kim explained how she presented a number of points to the Selectmen for her increase, one being the Select board's decision in December 2015 to not count as earnable hours toward her NH Retirement System any personal, sick, vacation, and holiday time for her as an elected official. Kim spoke of her total working hours to be 1960 hours last year. She asked that in the future if 15 paid days off could be considered as counted earnable hours. Kim explained that she was fortunate to be able to show the additional revenue brought in through her office that covers what she is asking for from the Town Clerk Fee increase in July 2015 that the State legislation passed which raised that fee from \$1 to \$2 and that there are 4500 MV registrations processed annually. She went on to explain that her office balances \$8 million a year in revenue, and reiterated the Municipal Agent Fee of \$10,000 collected annually from processing the State portion of the motor vehicle registrations as being an optional program and that it is cost effective. Mike said that that is what he wanted explained so that the \$4500 raise is fully explained because no one really understands the scope of her position in what she does.

Discussion

Becky Mason asked to make an amendment to the article to reduce the Warrant Article by \$8,926 to read \$1,021,940. The moderator asked if there were specific lines to change. Becky replied to the lines involved. Town Administration line to remove \$3,000 for PT position for filing involved, second line Personnel Administration of \$2,000 for stipends because the employees are already getting raises this year, and the third line would be to the Town House for \$3,926 for the Salary and Federal Tax lines because the Town House in the past was part of the Park & Rec. Dept pay and is not now. Brian Cutter asked Parker what would this do to the Town House by reducing the budget, and was concerned about the Contra Dances during the summer. Parker addressed that in the past someone who worked for the Remick Museum used to schedule all activities at the Town House. Selectmen asked Parker as Recreation Director some years ago if he would take over the recreational activities, and later was asked to take over all the activities and would be paid additional monies for this. Brian Cutter asked Parker if he would still be opening and closing if

2017 TOWN MEETING MINUTES

the \$3,000+ was cut from the budget. Parker responded that he guess he would be expected to do this for free unless it fell under the responsibility of the Rec. Dept. Jim Hidden spoke of it always being a separate situation and going back close to 20 yrs with the Remick Foundation opening and closing and in charge of the activities prior to Parker being asked to take over. Jim realizes some lines may be blurred because we see Parker doing activities for the Rec. dept and duties at the Town House. Parker clarified that Aerobics, Yoga, Tychi that don't fall under the Recreation Dept he is not being paid his normal salary for those. Moderator asked if any further discussion. Hearing none for the Amendment a Voice Vote was taken. Point of Order was asked. Willie asked if the Selectmen could move money within the article if amendments are made to the top line of \$1 million plus. The moderator addressed that as true and that it may be brought up time and time again throughout the meeting as amendments are made. The voice vote taken to amend the Article was voted on and the Amendment was not passed.

Back to original article Amount of \$1,030,866 for Discussion.

Moved/Seconded

Steve Gray asked to amend article to \$1,036,884 increasing it by \$6,018 coming from the undesignated fund balance for general government operations addressing items brought to the attention of the board after an IT inspection was done and after the budget process was completed.

The moderator read the amendment as proposed by Steve Gray.

Moved/Seconded

Discussion on \$1,036,884

Mike Malenfant asked where in the annual report the increase of \$6,018 is to be found. Steve Gray explained that the increase will come from the undesignated fund balance and that the increase would be used for both hardware and software. Willie Farnum understands that there are some issue with the server in the office and he also noticed that our data processing budget has already increased tremendously this year, and now we want to add another \$6,000+ to make a total of \$38,000 for the data processing budget. I know that we have questions later on to the increases for the Treasurer, Rec. Dept, Transfer Station budgets of \$1,000 for new computers this year. Willie would like to know exactly what this \$6,018 increase is for. Steve Gray responded that the Computer included in this amount is in the Town Clerk/Tax Collector's office but was not the whole \$6,000. Other

2017 TOWN MEETING MINUTES

costs address issues pertaining to Homeland Security and having the software protection needed to address security problems. David Little asked if this is for consultation for security services or for a piece of hardware or a piece of software or what items. Steve Gray spoke about varying items and David Little stated that the \$6,000 can't be solely for firewalls, and was still questioning what we were purchasing for \$6,018? Steve Gray spoke about a nine page report from the IT Company that listed what was thought to be needed and that the majority was related to the security systems.

Amendment

Article as Amended open for discussion

Willie Farnum asked to have this article amended by reducing this sum by \$1,482 from the ZBA budget to \$1,035,402. Willie Farnum pointed out that we have one ordinance in town that they might have to have a hearing on and last year they spent \$250. This amendment reduction would leave \$500 for this ensuing year. This amendment involves the Zoning line.

Moved/Seconded

Discussion

No further Discussion

The Moderator clarified

The amendment to now be voted on includes the undesignated funds of \$6,018 previously voted on, and to bring the new total to \$1,035,402 of which will include this amended reduction of \$1,482.

Amended Amendment Passed

Further Discussion on the Article as Amended

David Little asked a question concerning a statement made in an Article in the paper that "If all three selectmen agreed to reduce the legal expense line by 25%?" Steve Gray answered that only two selectmen were present at the meeting when that vote was taken.

Barbara Bloomberg questioned the \$41,593 under the Town Clerk/Tax Collectors line and the previous article addressing the Town Clerk/Tax Collector's Salary and Benefits in the amount of \$83,662. She asked if this was duplication. Kim explained that as an elected official her salary and benefits are in a separate warrant article

2017 TOWN MEETING MINUTES

and the \$41,593 total is for her Deputy part time line and all the supplies, election materials, and everything else necessary to operate the office for the year. The total of those two amounts is what it costs to operate the Town Clerk/Tax Collectors Office would be roughly \$124,000 or whatever the two add up to. In the other departments it is shown as one total line for the operation of their department including the salaries of each department's employees. Barbara asked if I would still be paid if the Warrant Article for the Town Clerk/Tax Collector's Salary and Benefits would be voted down. Kim explained that it would, within a three year term, default to the previous year's amount.

Melanie Streeter asked to make a motion to reduce the Town Administration budget by \$3,000. The moderator clarified that she is asking to amend the amendment by \$3,000 to bring us to \$1,032,402.

Moved/Seconded

Discussion

Joanne Rainville asked Melanie to explain why she would like to reduce that budget. Melanie said it was always covered by a volunteer and she felt that it could continue to be covered that way. It was asked what position? The response was that it was the part time position for filing in the Selectmen/Assessing Office. Mike Malenfant had never seen a volunteer position in the budget? Jim Hidden spoke that for years it was covered by a very nice gentleman and at the time of budgeting there was not a volunteer.

No further Discussion

The moderator initiated a Voice Vote to amend the amended article to total \$1,032,402. Voice vote taken no conclusion. Further Discussion pursued as Peg Poirier stood to offer to be a volunteer. Joanne Rainville felt that we should keep the \$3,000 in the budget in case a volunteer moves to Florida to relocate! The moderator was asked to move the question. The Moderator took a voice vote for \$1,032,402 and was too close to call. Vote went to using cards. Ballot Cards were counted by show of hands.

Ballot Card Vote

David Little asked to amend the Amended Article to \$1,033,402 by adding \$1,000.

Moved/Seconded

Discussion

2017 TOWN MEETING MINUTES

David Little explained that it is for the Supervisor of the Checklist's computer as her current laptop is over 13 yrs old and not up to date and is slow. Willie Farnum agreed with David Little but is voting No on this as he feels there is plenty of money in the million dollars to purchase this laptop.

No Further Discussion Voice Vote taken Amendment Not Passed

Hearing No Further Discussion

The moderator announced that we were back to \$1,032,402. The moderator was asked for a point of order.

David Little asked to offer an amendment which does not change the total appropriations at all, but it does change where the funds come from:

To see if the town will vote to raise and appropriate the sum of \$1,032,402 of which \$515,409 is raised through taxation, \$360,975 is to come from anticipated revenue, and \$150,000 to come from the general fund, and \$6,018 to come from the undesignated fund.

Moved/Seconded

Discussion

David Little was asked where the \$150,000 was from? The \$150,000 is from the general fund. This represents the Emergency Repair Response line first created in 2011 when we discontinued a number of capital reserves, and in 2013 the state made it a contingency fund, but that we have been taxed on that amount every year for the last six years and he would like to stop re-taxing ourselves on that, as the money has been in the general fund since last year and he would like to not be taxed on that through taxation. David Little explained that the \$360,975 in the budget involves gross appropriations to be made for the anticipated revenue for the village association project and does not want the taxpayers to be taxed on that. David went on to explain how we are taxed on the appropriations made and passed.

John Wheeler thought the issue to be moot because the raised money that a surplus (unappropriated revenue that the selectmen look at when they come to set the tax rate), when you appropriate \$150,000 and it ends up as surplus because you didn't spend it, and yes, although that is considered in the amount you have to raise by taxation, when you actually set the tax rate where the money actually

❧2017 TOWN MEETING MINUTES❧

comes from whether it is the unappropriated surplus or taxes, you combine those to set the tax rate so I think it makes no difference in the bottom line.

The moderator hearing no further discussion read the amendment:

To see if the town will vote to raise and appropriate the sum of \$1,032,402 for general government operations of which \$515,409 is to be raised through taxation, \$360,975 is to come from anticipated revenue, and \$156,018 is to come from the undesignated fund balance.

The Board of Selectmen **recommends** this article. (Vote 2-0)

Richard Roberts, Road Agent, asked to amend this article down by \$40,000 to be taken from the Road Reconstruction line to bring the total line down to \$1,291,729.

Moved/Seconded Discussion

Richard explained that he feels the Town has been very supportive over the last 6 years and feels he can operate with this reduction. Willie Farnum thanked Richard for coming forward with this as he too is a property taxpayer and this will help us all a little bit.

No further Discussion Voice Vote taken Amendment Passed

☞2017 TOWN MEETING MINUTES☞

Discussion on the Article as Amended

David Little asked to amend the amendment to read \$1,291,729 for Public Works of which \$938,729 raised through taxes \$128,000 from anticipated revenue, and \$225,000 from the bridge capital reserve.

Moved/seconded

The moderator explained that Mr. Little is proposing that the \$225,000 come from the Bridge capital reserve fund. David Little said in 2014 we raised and appropriated \$235,000 to replace the Whittier Rd Stoney Brook Bridge and that was appropriated and expensed that year. The work was not done until 2016. The CIP Program intended for that money to come out of the capital reserve for that bridge and it did not, and for some error it didn't get approved in the warrant for that year so no money was every taken out of the bridge capital reserve. David would like to correct that mistake now by taking that money out now for the Bunker Hill Bridge from the capital reserve fund. Richard Roberts, Road Agent, felt comfortable with that. John Wheeler stated that the original article in 2014 did not say that the money for the Stoney Brook Bridge would be taken from the capital reserve fund but that the selectmen voted to carry over that money each year until it was used last year when the work was done. Nathaniel Winship of Whittier Road felt the work done was a fine job and that the infrastructure is important and hopes that we can proceed with support of the budget as proposed. Steve Gray, as a point of information, thanked David Little, John Wheeler, Bob Seston, the Town Administrator and the Finance Director for their research on this, maybe having been missed in a previous audit, and has narrowly avoided us raising \$225,000 twice.

No Further Discussion on the amendment.

The moderator read the amendment to be voted on as to raise and appropriate the sum of \$1,291,729 for Public Works of which \$938,729 raised through taxes \$128,000 for anticipated revenue, and \$225,000 from the bridge capital reserve.

Discussion

Jim Bowles explained that this is actually a year behind and the amount has stayed the same. It was included in a much broader article last year that was voted down but not because of the truck. This is the new way of doing this versus the old way of a capital reserve and money being put away over the course of 6 years. This has been in the CIP Plan. The Truck is a 1990 Fire Truck to be replaced. It was asked how many more years could we get out of the truck. Jim commented it would depend on how much more money the town was to put into it

❧ 2017 TOWN MEETING MINUTES ❧

for repairs. A few years ago there was \$6000 for rust work, which is showing through again, and last year also wheel rims rusted and a few rings were replaced. Richard Colcord asked opinion of Town Council as to the new two year ruling and that it can't be adjusted with the new RSA, unlike with the Capital Reserves that we could put money away each year. Atty Matthew Serge spoke that it couldn't be changed under this article. Ned Beecher asked to have CIP member speak. Jack Waldron spoke about the truck being pushed out from last year, and the CIP planning involved with all department's capital expenditures and the scheduling of those purchases. It can get tricky when things are pushed out or changed. Atty Matthew Serge spoke to a two year commitment for the truck and appropriating the money for each year involved. Willie Farnum asked about the money being appropriated as a two year project that the truck could be ordered now so that it may be ready and purchased by the second year? Jim Hidden commented that we could always go back to the Capital Reserves, that that had worked for a long time, but a few years ago the town was told it was a better cheaper way to balance expenses and his personal preference is for Capital Reserves. Juno Lamb thought there was clarity given on saving money for something but not enough clarity on the Capital Reserve Plan. She commented that it is her understanding that we look across the whole town at all of the large expenses and stagger them so we are not buying a truck and this and this all in the same year with the same intent of only raising a portion of the taxes every year. Steve Gray commented on Jack Waldron's comment that you're raising the money as close to the purchase as you can so you're not losing money to inflation. David Little commented to why we went to Capital Reserve Plan and spoke of the flexibility with CIP program. If you are raising money each year and putting that money into different reserves then it would not be possible to fund a large capital project. Although it can involve the same amount of money as when you use capital reserves, the thought was that the money would be there for that year for a purchase as opposed to raising it each year and having to wait until total funds are raised for a particular project.

Discussion

Willie Farnum thanked selectmen for reducing this article from \$30,000 as initially requested and addressing the request to reduce it at the budget hearing. It does save us a little money at this time.

Jim Bowles wanted to state, although he is for this article, as he has attended a couple of the meetings for this building it keeps coming up that we will have to have a bond for a building. He believes back in 2002 the Town had money set aside for this building, and the notion that we are saving money as we are not doing capital reserves because we are not losing money to inflation, may be offset when we have a large purchase that now we are talking about bonding money for, because he knows he pays a lot more in interest when borrowing money then we get when saving money. He would like to see some form of accounting from the CIP committee to show we are saving money by doing the Capital Improvement Program as opposed to starting to put some money aside, as we have to recognize the building is going to have to be built which we recognized in 2002. Jim Bowles commented that we are still paying on the bonds for both the landfill closure and the school addition because we didn't plan for it, and when we bond for it, you're going to lose anything you ever gained by not putting money aside for the project and losing it to inflation. Inflation is nothing in comparison to what we have to pay in bonds.

Mike Malenfant asked about the sign at the end of Depot Rd in 2002 that said "Future Home of Fire and Police Department"? And asked if we had the money set aside for that then? Dan Poirier commented that the sign at that location was a joke.

The Board of Selectmen **recommends** this article. (Vote 2-0)

Moved/Seconded

Discussion

Willie Farnum spoke being not in favor of this article after discussing the previous article about planning for a building to store all our stuff in. He spoke of a new boat versus a used boat and questioned the training costs, storage, and maintenance costs for a used boat. He felt there was a lot of questions and that the \$20,000 would add up to more costs. Richard Colcord spoke of \$16,000 in CIP plan for past 4 years by former Emergency Management Director for a water rescue type boat. We have 3 bodies of water here in town and average 3-4 water rescue's a year. We did require West Ossipee airboat to use in a rescue last year but took a little longer to get the boat there. Richard was able to be certified in an airboat operator's class, and Moultonborough was looking to get an airboat this year. Mary Breasted Smyth opposed building any boat houses on the lake. Initially a smaller "V" hull with short shaft was being looked at to purchase but air boat would be more versatile and practical for the area. The airboat on a trailer and onto water is not an issue, neither is using West Ossipee boat. The issue is that the airboat is at Jewel Hill and it takes time to get it.

Discussion

David Little spoke of wearing two hats as being on the 250th Committee as well as the Tamworth Foundation. He referenced that on Page 104 of annual report it shows profits of \$21,757.83 from the 250th activities. David spoke that from the very beginning the 250th Committee spoke of leaving a legacy to the town, as was done in previous celebrations using the examples that the Arts Council had come out of the bicentennial, and the Tamworth Scholarship committee came out of states and country bicentennial. He spoke of having town records that go back to 1766 and that the Tamworth Foundation last year voted to match all donations made to them to go to the preservation of Tamworth's Historical Records so doubling what the town would receive. The Selectmen suggested that the committee come to the town with this warrant article to be voted on at the Town Meeting.

(By Petition) To see if the Town will vote to raise and appropriate the sum of **\$2,000** to the **Tamworth Outing Club** for the support of the Cal Ripken and Babe Ruth baseball programs. (Majority Vote Required)

The Board of Selectmen **recommends** this article. (Vote 2-0)

ARTICLE #19

(By Petition) We the undersigned registered voters of the Town of Tamworth do hereby petition the 2017 Annual Town Meeting to raise and appropriate the sum of **\$6,000** for **Tri-County Community Action** for the purpose of continuing services of the Fuel Assistance Program for the residents of Tamworth. (Majority Vote Required)

The Board of Selectmen **recommends** this article. (Vote 2-0)

Moved/Seconded

Discussion

David Little spoke supporting this program but of the Tri County Cap not paying taxes to the Town of Tamworth, nor a PILOT (Payment in Lieu of Taxes), and for that to be taken into consideration as a \$60,000 contribution to Tri County Cap. Joanne Rainville asked if the people of Tamworth who desperately need fuel assistance would suffer from the loss of this money? Jim Hidden spoke that he was unsure but for the \$6,000 amount would not want to chance it. Jim acknowledged David Little's points being valid and as a select board member could try to meet with Tri County Cap again in the future. Mark Albee spoke of small amount of money and deferred taxes does not help them.

The Board of Selectmen **recommends** this article. (Vote 2-0)

ARTICLE #30

(By Petition) We the undersigned voter of the Town of Tamworth do hereby request the Selectmen to place this petition warrant article on the 2017 Warrant for Town meeting. To see if the Town of Tamworth will vote to raise and appropriate the sum of **\$3,500** in support of **Blue Loon Bus Service.** (Majority Vote Required)

The Board of Selectmen **do not recommend** this article. (Vote 2-0)

Jim Hidden has been opposed every year and does not feel the actual ridership matches up with the usage. Nancy Coville spoke of living in rural community area and very important and does its job. Steve Gray spoke of hearing of the end of federal money that has supported this program and the number of backup busses that were referenced last year. However, he would support Nancy Coville's comments in knowing more of the services and people affected by it. Paul Chant spoke about \$10.00 a day to support program with a real need, and as a sitting member on the Mount Washington Valley Economic Council there is a great concern on how people are getting around. He believes it doesn't make sense to take the money away. Joanne Rainville feels improvement with services over last two years and feels more of the people she sees are using it. The Blue Loon busses will take people to their Dentist and Dermatology appointments, Huggins Hospital, Memorial Hospital.

2017 TOWN MEETING MINUTES

ARTICLE #31

(By Petition) To see if the Town of Tamworth will vote to raise and appropriate the sum of **\$5,216** for the support of **White Mountain Community Health Center** to help meet the healthcare needs of the uninsured and underinsured residents of the Town of Tamworth. (Majority Vote Required)

The Board of Selectmen **recommends** this article. (Vote 2-0)

ARTICLE #32

(By Petition) To see if the Town of Tamworth will vote to raise and appropriate the sum of **\$1,000** for **MWV Supports Recovery Coalition Recovery Support Programs** (family and peer support programs for substance use disorders). (Majority Vote Required)

The Board of Selectmen **recommends** this article. (Vote 2-0)

Ned Beecher was curious to learn about this article as it was not on the warrant last year. Joanne Rainville from TCNA spoke of this article for a house in Conway, as a safe house, to help fight addiction. She felt they should have asked for more money to fight this war against addiction, and to help them become contributing members to society.

Beth McCarthy asked more about the program in regards to specifics? Joanne Rainville said she did not have a lot of details on this right now but is aware that Janice Spinney who is the head pharmacist at Osco has been chairing this fight on this war of addiction. Her involvement to fight drug addiction includes support of this house (which has been in the local paper) in Conway.

ARTICLE #33

(By Petition) Shall the town adopt the "all veterans' property tax credit" under RSA 72:28-b? If adopted, the credit will be available to any resident, or the spouse or surviving spouse of any resident, who (1) served not less than 90 days on active service in the armed forces of the United States and was honorably discharged or was an officer honorably separated from service, and (2) is not eligible for and not receiving the credit for veterans who served in a qualifying war or armed conflict or for veterans with a service-connected disability. If adopted, the credit will be in the amount of \$500.00, which is the same amount as the credit for a veteran who served in a qualifying war or armed conflict. If the credit is adopted, any person desiring to claim the credit will be required to file an application with the Selectmen or the Assessor by April 15 of the tax year. (Majority vote required)

Moved/Seconded

Discussion

☞2017 TOWN MEETING MINUTES☞

Willie Farnum explained his respect and honor for all those that have served but feels that this is a push down from the federal government and that we are giving now to the Veterans who do qualify under their conflict situations in their time of service currently amounting to \$70,000. He believes the federal government should be doing their job in taking care of the Veterans.

A Petition for a secret ballot vote was presented by William Farnum to the Moderator.

Mary Breasted Smyth asked to consider this locally. Juno Lamb spoke in favor of this credit because we are already offering this credit for individuals who have served during conflicts, and should support all those who have served. Jim Hidden is in favor for those who fought or didn't fight in combat to receive this credit because they don't know when they sign up whether they will see combat or not, and explained that the amount of money given is the same amount of credit for everyone. William Farnum spoke on the Town of Tamworth's increase to the Veterans Credit some years ago from \$100 to \$500. Willie felt maybe the RSA could be looked at again to make it more palatable for all.

ARTICLE #34

To transact any other business that may legally come before the meeting.

Helen Steele asked about the legislation passing in regards to using the terminology of Civil Rights Day instead of Martin Luther King Day. She asked that it be corrected in the annual report for next year in the Holiday closures list on page 5.

Willie Farnum asked the moderator the following:

I would like the moderator to appoint a study group to look at the Tamworth Police Dept and to go through a Citizen Query Questions to find out what the general populous of the citizens of Tamworth want to see in the Police Dept. My recommendation would be that a Selectmen does not serve on this board, they can communicate opinions but not serve on this board, and that the board report back to the selectmen by end of May giving a report as to what they feel the citizens want, whether they want a 3 member police force or 1 member 2 members, what type of services they want. I think this will be helpful to the community and I would like to see the moderator appoint such committee.

The moderator agreed to fulfill this request.

☞ 2017 TOWN MEETING MINUTES ☞

The moderator asked the Selectmen if they cared to honor what the committee comes up with.

Jim Hidden spoke to honor the request as a Select board member in what the committee comes up with and hopefully there are some volunteers out there and that the Board of Selectmen would love to have that information and that it would be valuable information to move forward with the Police Department.

The moderator asked people to come see you if they are interested in participating in that study group.

Deb Maille commented since such a great job was done at the Tamworth 250th BBQ she asked if we could have recycling bins out for recycling at family day on 4th of July.

Juno Lamb asked if because it seems like people were in favor of the amendments in regards to how the different parts of the money is appropriated if that we could have that language in the articles next year.

Willie Farnum made a motion to adjourn the meeting.
All in favor.

Meeting Adjourned 10:10 pm

Advisory Budget Committee

February 1, 2018

The Tamworth Advisory Budget Committee (ABC) is a group of volunteer taxpayers who have been appointed by the Selectmen to review the budgets of 42 Town Departments and various Charitable Organizations that are funded by the taxpayers. This is the first committee to participate in the budget review since 2006. ABC held meetings to review requests from late September - January, with Department Heads, organizations and the Selectmen.

The Committee met with the Department Heads and Non-Profit organizations to obtain an understanding of their present budget, as well as review the budget request for 2018. After each of these meetings, the committee reviewed four (4) years of previous expenditures for comparison to what was being requested for 2018. The committee used these findings to formulate recommendations to the Selectmen for possible reductions in the budget.

The committee determined that there are certain costs in the budget that are fixed, such as debt repayment, non-lapsing warrant articles and mandatory State and Federal cost associated with Town employees. The Selectmen did review and adopt new healthcare plans for the Town employees, which did reduce the cost of healthcare by 6.2%. The Town dental insurance increased by 2.3%. Additionally, the Town did negotiate a new electrical rate, but to date the reductions have not been included into the budget request.

Through a review of the expenditures for 2017, the committee determined that approximately \$65,000.00 would be returned to the general fund as they were non-expended funds. The Selectmen do maintain a fund balance for the Town of about 16%. Department of Revenue for the State of NH recommends that all municipalities maintain a fund balance between 7% - 18%. For the last several years the Selectmen have used money over the 16% to offset taxes for that year. In 2017, the Selectmen did use \$400,000 to offset the tax rate.

The committee did make several recommendations for reduction of cost. Through recommendations and discussion with Department Heads, approximately \$4365.00 was removed from the 2018 budget. The areas that were reduced were the following:

Tax Collector/ Town Clerk - legal	- \$ 500.00
Road Maintenance - fuel - wood	- \$ 1500.00
Personnel Benefits - merit	- \$ 2000.00
ZBA - secretary	- \$ 365.00

The Capital Improvement Plan Committee recommendations were followed and added to the appropriate Departments request which had an impact on the budget. Step/Grade raises this year for Town employees were based on performance evaluations and ranged from 0.25% to 4.3%. One department was increased to align with the surrounding areas' payment scale. This has been done over a number of years to several departments. The committee as of the date of this report cannot determine the overall increase to the budget, because not all information is available at this time.

The major increases to the budget that are **not** supported by this committee are:

- Administrative Assistants for Fire, Police and Administration - approximately \$52,000.00
- Road Maintenance - it is felt that this department should decrease the budget due to the fact that it has decreased the areas being plowed in the Town. The Road Maintenance Department will no longer plow the School, Police Station and Four (4) Fire Department stations. The committee understands that this Department is now responsible for the sidewalks in Chocorua, but still felt that it could reduce at least \$27,000.00.

A major increase **that is supported** by the ABC is the additional \$90,000.00 to the Townhouse repair and Maintenance line. This was added because of the major repairs that needed to be done to keep the Townhouse open for usage. The total for this line item is now \$105,000.00. Cleaning Services were placed in the repair/ maintenance line as the Friends of the Townhouse have now taken on that responsibility.

Non-Profit organizations were reviewed by the committee with many requiring additional information to make an informed decision. This committee determined that the vote of those needing additional information be made by the Selectmen, due to time constraints.

Additionally, this committee recommended to the Selectmen areas of concern regarding policies, procedures and contracts. The committee felt that these recommendations would be financially sound in preventing the Town from incurring unnecessary cost.

Looking to the future, we hope that the Town continues the Advisory Budget Committee. We suggest that this committee meet several times through the year prior to the budget season. We agree that serving on this committee has been a learning process with room for improvement. The main goal of this committee was to provide as much information as possible so the taxpayers of Tamworth can make an informed decision on matters that significantly affect your tax rate.

As with any committee, we strongly encourage the Tamworth taxpayers to volunteer. It is not only a way to learn about the budget, but a way in which the taxpayers may eventually be able to impact the tax rate.

Respectfully submitted,
Becky Mason, Lanette Langlois Libby, Melanie Streeter and JoAnne Rainville

Account Number	Tamworth Advisory Budget Committee Vote by Department	Yes Vote	No Vote	Abstain	Reason
4130.1	Selectmen	3	0		
4130.2	Town Administration	0	3		This is due to the addition of a Part -Time Administrative Assistant. ABC recommends going back to two (2) full time employees at present time.
4140.1	Tax Collector/Town Clerk	4	0		
4140.2	Election & Registration	3	0		
4150.5	Treasury	0	4		This was due to the fact that the committee felt that the mileage was excessive and deposits should be transported with Police Department assist as is done in other towns. Additionally, bank fees should be appropriated but should have a corresponding revenue for more than what is charged to the Town.
4150.6	Data Processing	0	3		The amount requested does not indicated the entire amount of money that is needed to institute the program. An appropriation of 70,000.00 is needed next year to complete the conversion.
4152.1	Revaluation of Property	3	0		
4153.1	Legal Expenses	3	0		
4155.2	Personnel Benefits	0	3		Due to the fact that the Town Employees receive a raise based on evaluations, both step and grade, it was felt that the one-time payment incentive was no longer needed.
4191.1	Planning	0	3		It was determined that for the last 4 years many line items have not been spent at the requested amount. Recommendations were made for reductions to the request, but the request have remained the same for 2018.
4191.3	Zoning	4	0		This budget line is now \$100.00 to keep the line open as Tamworth does not have zoning

Account Number	Tamworth Advisory Budget Committee Vote by Department	Yes Vote	No Vote	Abstain	Reason
4194.1	Office Building	0	4		This vote was NO due to the fact that some of the projects to be done had no associated prices or quotes at the time of review to equal the amount requested.
4194.2	Townhouse	2	0	1	This Department had \$90,000.00 added to the budget due to the conditions found in the basement and kitchen that needed immediate attention and the removal of tiles in the basement.
4195.1	Cemeteries	3	0		
4196.1	Insurance not otherwise allocated	3	0		
4197.1	Regional Associates				- moved to Selectmen's Budget
4197.10a	Economic Development Committee	3	0		
4199.1	Gen Gov - Grants and Emergency Response	3	0		This line item is not raised by taxes, but taken out of the end of the year funds.
4199.10a	Fire Grants				- Nothing presented to the committee
4199.10b	Police Grants				- Nothing presented to the committee.
4210.1	Police Department	Voted: not done			Budget was incomplete the time the vote was taken as no snowplowing monies were addressed. Additionally, there was concern about the Administrative Assistant being added for \$30,000.00. Finally the committee was willing to support the new line of Educational Tuition, but felt it should be a matching line item.
4215.1	Ambulance - Care Plus Contract	4	0		
4220. all	Fire & Rescue - all dept	0	3		Committee felt that the Administrative Assistant Part-Time was not needed at this time with the increase in cost of plowing and billing for services. It is understood that revenue should be obtained for billing for services but at present the committee does not know if it is budget neutral.
4220.3	Forest Fire	4	0		

Account Number	Tamworth Advisory Budget Committee Vote by Department	Yes Vote	No Vote	Abstain	Reason
4225.1	Municipal Safety Building	3	0		This is in the amount of \$8,606.89, remainder of 5 Year non-lapsing
4290.1	Emergency Management	4	0		
4312.2	Road Maintenance	0	4		The committee felt that with the decrease in the plowing of the school, four (4) Fire stations and Police Dept. the budget should be decreased. The Committee understands that the cost would increase for the plowing of the sidewalks in Chocorua. The committee still feels that the budget should still be reduced.
4316.1	Street Lighting	4	0		
4324.1	WW/RR Monitoring/Testing	3	0		
4326.2	Transfer Station Operations	4	0

4850.1	Warrant Articles				nothing presented to committee.
4910.1	Voted From Fund Balance	3	0		
4915.1	Transfers To Capital Reserves				nothing presented to committee.
4915.1	Prior Year Encumbrances				nothing presented to committee.

Each department was reviewed for vote regarding their revised/same budget.

One member left at 7:15 pm so a number of votes may only show 3 instead of 4 for approval or non-approval.

**REPORT ON INTERNAL CONTROL BASED ON
AN AUDIT OF BASIC FINANCIAL STATEMENTS**

To the Board of Selectmen
Town of Tamworth, New Hampshire

In planning and performing our audit of the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Tamworth, New Hampshire (the Town) as of and for the year ended December 31, 2016, in accordance with auditing standards generally accepted in the United States of America, we considered the Town's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, as discussed below, we did identify certain deficiencies in internal control that we consider to be significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiencies in internal control to be significant deficiencies:

PAYROLL DISBURSEMENTS***Observation***

We selected a sample of payroll transactions processed during the year. Town personnel were unable to locate an approved rate of pay for six of the employees selected for testing.

Implication

The controls over payroll are weakened. There is an increased risk that an employee will be paid the incorrect rate without any formal approved pay rate on file.

Recommendation

We recommend that all rates of pay be formally approved and kept on file for each employee. When an hourly rate increase is given, a pay rate change form should be completed, approved by the Town Administrator or Board of Selectmen, and retained in the personnel folder.

CASH DISBURSEMENTS

Observation

We selected a sample of cash disbursements paid during the year for testing. We noted that ten percent of the invoices selected for testing lacked approval by the department head.

Implication

The controls over cash disbursements are weakened. Improper disbursements may be made and go undetected without additional controls in place. Without the department head approval on invoices, there is an increased risk that a payment could be made for goods or services not received.

Recommendation

We recommend that all invoices be reviewed and formally approved by the department head responsible for receiving the goods or services.

TREASURER RECONCILIATIONS

Observation

During our audit procedures, we noted the Town Treasurer does not maintain a separate cash book to track the annual activity. In addition, the Treasurer is not performing a separate bank reconciliation of the main accounts in her custody. Instead, the monthly bank reconciliations are being done by the finance officer.

Implication

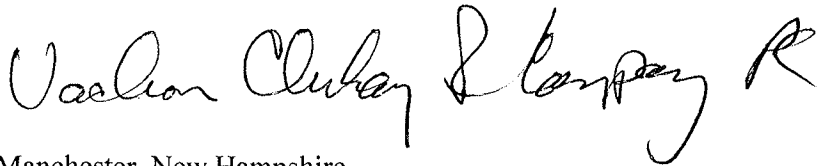

The controls related to the accounting records are weakened when bank reconciliations are not performed by the Town Treasurer in conjunction with the finance officer. A separate, independent set of records should be maintained by the Town Treasurer to strengthen internal controls.

Recommendation

We recommend the Town Treasurer maintain a cash book to record all activity in accordance with State law (RSA 41:29). Also, a separate, independent reconciliation of the bank balances should be performed by the Treasurer on a monthly basis. Any discrepancies between the Treasurer and the finance office

should be identified and corrected in a timely manner. This would allow for another layer of internal control over the Town's book and records.

This communication is intended solely for the information and use of management, the Board of Selectmen, and others within the Town, and is not intended to be, and should not be, used by anyone other than these specified parties.

A handwritten signature in black ink that reads "Vaughan Clukey & Company R". The signature is written in a cursive, flowing style.

Manchester, New Hampshire
November 21, 2017

BOARD OF SELECTMEN

It was a year full of changes for the Town of Tamworth in 2017. Long-time Selectman John Roberts vacated his seat after three decades of service and was replaced by former Chief of Police Dan Poirier at the March elections. The Board welcomes Dan and wishes John all the best in his post-Selectman endeavors.

After over a year without a Police Chief former Tamworth Officer Dana Littlefield was hired to be the new Chief. The hiring process was extensive and included a great deal of community involvement. A Police Advisory Committee was formed at the request of Town Meeting and their work was referenced throughout the search and subsequent hiring of the Chief. We had further change in the Department as Sergeant Greg Cooper left in the fall to accept a position with another agency after serving as Tamworth's lone police officer for almost a year. The Town was not without a Sergeant long as Jamie Lynn Sheehy was brought in shortly after Littlefield's appointment.

The Advisory Budget Committee was created and our Budget process re-tooled. This new format has allowed for more eyes to review department budgets and offer input as we all work together to present the best possible budget to the voters.

After much discussion and consideration the Fire Department and Rescue Squad were merged and is now Tamworth Fire-Rescue. Under the guidance of Chief Richard Colcord this transition has been smooth and the merger should save the Town money and aid in the management of resources.

Near the end of the year we saw great interest from a number of residents wanting to be involved in the maintenance and operation of our historic Town House and the "Friends of the Town House" group was formed.

These changes compliment the continued hard work by our office staff, Administrator Darlene McWhirter and Finance Officer Kathy Estabrook, as we strive to make dealing with our Town government easy and effective, maintaining transparency and sharing of information.

It definitely takes a group effort to serve the people of Tamworth and maintain the Town's infrastructure. None of this would be possible without the quality employees and volunteers we are so lucky to have.

Once again the Board wishes to thank the Highway, Police and Fire-Rescue Departments for keeping us safe all year.

As always the Board of Selectmen welcomes input from the people of Tamworth and encourages attendance at our meetings.

Respectfully Submitted,
Jim Hidden, Chairman
Steve Gray
Dan Poirier

Capital Improvement Program Committee Report

Fiscal Years 2018-2023

The Capital Improvement Program (CIP) is a valuable part of town planning and budgeting. Its purposes include:

- 1) Planning to maintain and improve Tamworth's capital investments.
- 2) Scheduling capital expenditures to "level" the capital budget tax rate wherever possible.
- 3) Recommending specific programs, purchases, projects, schedules, and budgeting to the Selectmen and voters.

The CIP Report includes anticipated expenditures and funding for capital projects for the next 6 years, suggested warrant articles, tax rate effects, descriptions of projects and detailed information on capital plans in some areas. It is non-binding, advisory and updated annually. Projects are categorized and prioritized by need and urgency.

The CIP Committee is required to report to the Planning Board and Selectmen annually.

The full CIP Report for FY 2018-2023 is available:

in print at the Town Offices, Cook Memorial Library and Chocorua Public Library
on the Town website:

tamworthnh.org/page/annual_reports?vf

The full Report includes information about the scheduled program, some definitions and descriptions, goals, graphics, and financial and tax rate information for Tamworth's taxpayers, residents, property owners and businesses.

The Committee thanks the Town Departments, Boards, Committees and Commissions for their cooperation, planning and budgeting on behalf of the Town and its taxpayers and their assistance and patience in updating the CIP Report with us. The Report includes numerous examples of their efforts to reduce costs, postpone replacements and carefully plan ahead, resulting in lowering costs while maintaining services and protecting the Town's capital investments.

The CIP Committee welcomes comments, information and suggestions from the community and invites anyone who might consider participating as a member of the CIP Committee to contact the Planning Board.

Respectfully submitted,

The CIP Committee:

Melissa Donaldson, Andy Fisher, David Little, Sheldon Perry, Dan Poirier, Bob Seston,
Ruth Timchak, Jack Waldron, John Wheeler

CarePlus Ambulance Service, Inc / North Conway Ambulance Service is pleased to continue to be part of the emergency services for the residents of Tamworth. We have a talented group of EMT's and Paramedics who work hard around the clock to ensure excellent ambulance coverage.

As we continue to provide regional ambulance coverage for partnering Towns and Tamworth we see our call volumes continue to increase. Working closely with the Fire Department has been invaluable to ensuring good service.

In Tamworth CarePlus responded to 567 requests for ambulance services. These requests include;

- 30.9% ALS Provided - Advanced Life Support Care
- 24.1% BLS Provided - Basic Life Support Care
- 45% No Transport - No Transport Provided/Standby

In 2018 CarePlus Ambulance / North Conway Ambulance Service will be adding more EMT's at the Advanced level as our staff graduates from various classes. You will also see our staff around Town during EMS Week providing Blood Pressure Screenings and community Hands-Only CPR.

Thank you for trust in our company.

Eric Damon
President

Trustees of Cemeteries

The transition to new contractors this year has been a bit challenging at times, mostly in terms of the Cemetery Trustees clearly articulating expectations and building solid working relationships with the contractors. To their credit, contractors have shown good faith in adapting to sometimes changing demands by Trustees as well as Town residents who keep a close eye on the cemeteries because they care.

It is helpful to be aware that the maintenance schedule of the cemeteries is spelled out in the contracts. In the main cemeteries (Chocorua, Fowlers Mills, Wonalancet, Ordination Rock and Riverside) as well as the Veterans Memorial, mowing and trimming is done every two weeks from the onset of spring until the beginning of August. From then on until the end of the growing season, mowing and trimming is to be done every four weeks. It is possible then to be in a cemetery in August that hasn't been done in 4 weeks!

There are ten outlying cemeteries that are on a different schedule of mowing once before Memorial Day and two or three times per summer plus spring and fall cleanups. They are Pease, Ames, Bickford-Moulton, Chapman, Gilman, Great Hill Head-Neally, Meader, Smith and Stevenson. Because any grass growing season can vary greatly, we sometimes change the schedule to respond to the different conditions.

At the Chocorua cemetery, an abutter mistakenly cut brush on a small portion of the Town's land. We worked with him to clarify boundaries and a formal letter was sent. A resident brought his concerns regarding the growth of brush along the east wall of Ordination Cemetery as a result we are taking steps to have the brush cut back more vigorously to kill it over the years. Another resident requested cutting back the yews that were overwhelming his family's plots in the Wonalancet Cemetery. Jason Noyes was hired to trim the trees up to the top rail of the fence on 113A. The result is much better.

Work on a plot survey and clean up at the North corner of the Pease cemetery continues. Remnants of the original North-South stone wall will be moved to the new boundary and the north corner will be regularly maintained to allow grass to grow. Talks with the abutters to the south wall of the cemetery will begin in the spring in hopes of securing a right of way that will allow vehicle access to the cemetery via the ROW.

On September 9, the Trustees held another restoration work morning in the Chocorua Cemetery. Thanks to Kent Hemingway, Paul King, Bruno Siniscalchi, and Karl Nydegger who joined the trustees, for these efforts that continue slowly and steadily to set aright fallen and leaning monuments in our cemeteries. Karl has donated work and supplies to repair various broken gravestones. He keeps a sharp lookout and often informs us of issues needing attention, and he's from Sandwich.

We had a few inquiries on green burial plots from out of town folks this year and sold two green burial plots. A total of nine plots were sold this year.

We again thank the Boy and Girl Scouts for placing flags on the Veterans' graves before Memorial Day and the Bearcamp Valley Gardeners who plant, tend and water the Veterans' Memorial flowers. Also thanks to the staff at Cook Library for their assistance and meeting space.

At the 2017 Town Meeting, Tamworth voters approved establishing a cemetery expendable maintenance trust fund which allows trustees to use funds from the sale of plots (\$6600 this year) for unexpected or special projects, or general maintenance. We expect this fund will be used primarily for larger improvement projects. Though final decisions have not been made, restoration work involving rebuilding the stone and steel perimeter fence at the Chapman Cemetery in Chocorua and the Pease Hill stone and steel roadside fence may be projects put out to bid in 2018. If you have the capability and the interest to do this work, or know somebody who does, please contact a trustee for details in the spring.

Respectfully submitted:

Mark Albee

John Roberts

John Wheeler, Chairman

CONSERVATION COMMISSION

The Tamworth Conservation Commission serves in an advisory role to the Selectmen and Planning Board. It also serves as a ready resource for all residents who have environmental questions. Residents who wish to learn about options for management or protection of their land find the Commission a good place to start. Assistance which the commission is happy to provide ranges from simply answering questions or gathering information, to making referrals, and to actually participating in an easement process, if requested.

Meetings

Regular Commission meetings are held at 7:00pm on the second Monday of each month in the Town Offices. The public is welcome to attend and public input is always welcome. To formally bring a question or issue to the commission, residents may request a place on the agenda by contacting Chairman Nelson O'Bryan or speaking with Darlene McWhirter in the Selectmen's office.

Membership

Interested residents become commissioners by attending meetings, making their interest known and being recommended by the Commission to the Board of Selectmen. All appointments to the Commission are made by the Board of Selectmen. There are seven members plus alternates; the number of alternates is not limited. New members typically begin as alternates to ensure a quorum and then are given priority when a permanent seat becomes open.

Current Members: William Batchelder, Ned Beecher, Stephanie Doyle, Rich Gerard, Chele Miller, Nelson O'Bryan and John Watkins.

Current Alternates: Eric Dube, Lucy Gatchell and Charlie Townsend.

Trails and Managed Lands

Commissioners do much more than sit inside during the monthly meetings. They assume critical outside roles of interest to them. These include annually monitoring each easement in which the town holds an interest, maintaining the trails owned by the town, honoring visitors and residents who enjoy all those trails by awarding Hikin' Heron patches, maintaining the Great Hill Fire Tower, offering educational opportunities and clearing town lands, as needed. In 2017 commission members cleared the field at Waterfowl Haven off Route 16 in Chocorua and reopened the view to the north from the top of Page Hill. We encourage residents to use and enjoy our unique trail systems. All are short, but each is beautiful in its own way and, as a whole, they represent the spectrum of our Town's land and forest types: fields, forests, wetlands, riparian areas, bogs and the Great Hill ledges.

Environmental

The Commission continues to act in the interest of environmental protection, especially as it relates to surface, groundwater and aquifer protection. The protected buffers along

ponds and streams are monitored and financial support is provided each year to support Green Mountain Conservation Group's Water Quality Monitoring program. Members of the Commission conduct the required quarterly monitoring of gas emissions—primarily methane—from the closed Durrell Road landfill. Commission members also assist with the annual Household Hazardous Waste Day collection.

Education and Information

The Commission is pleased to cooperate with Cook Memorial Library in sponsoring talks on wildlife and environmental topics. In addition, Commission members lead walks open to all who are interested. Ned Beecher offers bird walks each spring and Stephanie Doyle provided a fascinating mushroom walk this fall. There is also support available for students who are interested in environmental education programs. In 2017 students were sponsored at Tin Mountain in Albany and at Barry Conservation Camp in Berlin. Parents or students interested in applying for support to participate are encouraged to contact a commission member.

For further information, please visit the Commission's web site,

Tamworth Conservation Commission

Cook Memorial Library 2017 Annual Report

Mission Statement: Cook Memorial Library provides educational, cultural, recreational and information resources through the work of its dedicated and knowledgeable staff. The library offers opportunities for learning, leisure reading, local history and genealogy preservation, study and research. It is accessible to all as a welcoming and comfortable center of community activity.

In 2017, the Cook Library added three hours to its weekly schedule and is now open until 5:00 p.m. on Mondays. Thanks to the support of Tamworth voters, the library had a new roof installed in 2017, a project that was included on the Capital Improvement Program. The new roof is metal with double rolled standing seams, and should last for decades.

Cook Memorial Library in 2017 by the numbers

Items in collection as of December 31:	25,104
Items added:	1,125, 35% were gifts
Items withdrawn:	1,438
Active borrowers:	937 individuals checked something out at the library; 115 people downloaded e-books and audiobooks
Items borrowed:	27,282
Visits to library:	17,079
Reference questions answered:	2,030
Programs:	180, with attendance of 2,909
Community meetings:	164, with attendance of 1,026

Items available for check out included books, magazines, audiobook CDs, music CDs, DVDs, equipment (telescope, ereaders, projector, MP3 and DVD players), downloadable e-books and audiobooks. The library provided online access to Britannica encyclopedia, journal articles from Ebsco (funded by the New Hampshire State Library), and Ancestry and HeritageQuest genealogy family research tools.

Programs in 2017 included storytime programs, kids' and teen book clubs, weekly summer programs for children, maker club in cooperation with 4-H, Lego Club, yoga for preschoolers, adult book groups and a new "Practical Wisdom" discussion group, art workshops with Jay Rancourt, Visible Mending with Juno Lamb, presentations on historical, environmental, travel and outdoor exploration topics, and summer evening music on the lawn concerts. We are fortunate to have a number of community members interested in suggesting, presenting and facilitating programs; it makes our library a vibrant, vital place.

Our library has an active Friends group which, through memberships, book sales and a series of fundraising events, raises funds that provide programs, equipment, supplies, staff development, downloadable books, and library materials. The Friends, as a 501(c)3 not-for-profit organization, also provide access to grant funding and charitable contributions to the library.

Library Trustees voted to carry over the following unexpended funds to the 2018 budget: \$288 Barbara Fromm Memorial Fund; \$488 Susan Chiaradonna Memorial Fund; \$1,394 income from library Trust Funds; \$124 NH Public Deposit Investment Pool; copier/fax income \$1,577; \$150 replacement fees; \$1,385 Friends of CML funding support; and \$2,328 in unspent 2016 funds for retroactive 2016 retirement benefit.

Everyone is welcome at the library, and we believe we have something for everyone (if not, please ask.) Visit us or see our website for hours, contact information, updates on events, a list of services provided, and access to library catalogs and online resources: www.tamworthlibrary.org.

Respectfully submitted,

Mary Cronin, Library Director

Economic Development Commission

As one of its missions, the Tamworth Economic Development Commission has continued to encourage the growth of our many existing businesses throughout 2017 and happily welcomed the several new entities who have chosen Tamworth for their new address!

The Commissioners held its second Tamworth Street Fair! It will become an annual event on the first August weekend. Our continual goal is to include as many of the town businesses as possible and provide a unique opportunity for them to market their companies to lots of people! Fifty four businesses (and many red balloons) lined Main Street for an exciting day filled with food, music and the unique offerings of diverse products and helpful services from our town. Many people helped us in making the Street Fair a success: Tamworth Fire Department, Tamworth Police Department, Boy Scouts, the Farmers Market and especially Scott Aspinall, who made parking space available for our visitors. Many thanks to all!

Over several of the last few years, the Economic Development Commission has supported and encouraged the development of a senior housing center, a project that is currently led by JoAnne Rainville. We look forward to a successful conclusion to this project.

To encourage the concept of 'buying local' we produce a booklet for residents that contains the contact information for not only the businesses and non-profit groups in town, but also the agencies that would be helpful to newcomers. This information can also be found on our website: Tamworthedc.com. In addition, we have created a Tamworth brochure which is placed in local restaurants and stores so visiting tourists can be aware of the various local inns, stores, recreational areas and restaurants Tamworth offers.

Realizing the importance of efficient marketing to encourage the growth of Tamworth businesses, the Commissioners hosted in November the very successful kick-off of Tech Forum, a program that will be spread over four months from January to April to familiarize companies with the beneficial tools to accomplish this. The topics are: January 18, Facebook; February 15, Instagram; March 15, Excel; April 26, Website design.

Your Economic Development Commission looks forward to having another busy, productive year in 2018!!

Sincerely yours,

The Tamworth Economic Development Commission Board: Pat Farley, Chairman; Kelly Goodson, Vice Chairman; Mary Phelps, Recording Secretary; Kimball Packard, Jim Hidden, Trish Chaput, Erica Boynton and Alternates Susan Ticehurst, Barb Bloomberg and Lloyd Hadden.

Mt. Washington Valley Economic Council

The goals of the Mt. Washington Valley Economic Council (MWVEC) are to encourage economic diversity and to help area businesses succeed and grow. In difficult economic times our local dependence on a recreation and retail economy come to light in very personal and revealing ways. Hence, the Tech Village and adjoining Learning Center were created to help local businesses prosper. The Tech Village incubator for start-up businesses has created 43 new jobs, which in turn helps the overall economy of the region and hopefully creates some professional career opportunities for our youth.

In its recent communication to members, the MWVEC listed some of the ways that membership helps local businesses:

- * Financing to expand a business can be tough. The Council's Revolving Loan Fund provides gap financing for business endeavors that otherwise might be unable to secure. Currently the Council has 29 loans to local businesses totaling nearly \$1.7 million.
- * Obtaining quality technology education and business skills training helps businesses to stay ahead. The Learning Center at the Tech Village is home to Granite State College right on the campus. The Council's Boot Camp series has helped over 2,000 businesses.
- * Receiving free and confidential business guidance and advice from seasoned experts is what SCORE (Service Corps of Retired Executives) is all about. SCORE is also located at the Tech Village.
- * Learning from ongoing educational and informational forums is the norm at the Tech Village. The Council hosts monthly Eggs & Issues Programs which highlight a wide variety of topics of interest to local businesses.

The Council is funded through a combination of grants, membership dues, interest generated by the Revolving Loan Fund and corporate sponsorships which underwrite many of the educational programs and events. Participation of individuals and Towns like Tamworth help ensure that MWV EC continues to meet the needs of the area as well as being a voice for local businesses.

Respectfully submitted,

Pat Farley

2017 Annual Report for Tamworth Fire, Rescue, Emergency Management Director and Forest Fire Warden.

If you don't read anything else, read this: I could go on with the National statistics. It is not new news. It is not anything that we haven't been preaching for years. Please, install and maintain Smoke and CO detectors. It is the law in New Hampshire. It is the right thing to do. It is inexpensive to do. I will assist you if need be. There is no excuse. My life, my family's life, my home, my stuff and my pets are certainly worth the protection, as is yours. It is unbelievable the amount of homes we go in and see no detectors, old detectors or missing batteries. There is no excuse for this. On the same line, there is no excuse for not having your driveway clearly posted with E911 number system. In the event of an Emergency, a simple sign can alleviate confusion as to where you are located. Our contracted Ambulance Service consists of personnel who may not be familiar with the area. There are some suggestions as to what signs work better than others. These are available through the Tamworth Fire and Rescue Department.

E911 numbering system is a very effective tool for us. Your individually assigned number gives us a lot of information to consider in formulating tactics in the event of an Emergency. 210 whatever road tells us that your residence is 2,110 feet from the closest intersection of another road on the right hand side from the center of Town. This is not only useful in locating you; it is also used to tell us how far we would have to lay large diameter hose from that intersection in the event of a fire. Signs are around \$18.00 and if you need assistance, we can assist with that. E911 numbers for your specific home should be requested through the Town office.

Another pet peeve of mine is people not having or not knowing that they have Fire Extinguishers in their home. Again, Fire Extinguishers are a very low investment which could pay huge dividends. Smoke Detectors, Carbon Monoxide Detectors and Fire Extinguishers all have a useful life cycle and require maintenance. Smoke Detectors need to be replaced at least every ten years. Carbon Monoxide Detectors need to be replaced every five years. Fire Extinguishers should be inspected every year and probably replaced every ten years, depending on make, type and model.

As of June first, 2017, the Tamworth Rescue Squad and the Tamworth Fire Department became truly one entity. Not only legally, but as a one-team one-fight approach to provide service to the

Town of Tamworth. There has been growing pains but, economically and operationally this made sense and has worked out well thus far.

In 2017 we had no time loss accidents. I always mention this as it is a very important fact. Our business is inherently dangerous and very physically demanding. Did you know Firemen enter buildings with temperatures greater than what you cook meat at in your oven? A burning building typically reaches 600 degrees on the bottom floor and can get up to typically 1500 degrees in the ceiling! Most people don't cook their food at more than 450 degrees. EMS is equally risky. The two most common causes of injuries are musculoskeletal injuries from lifting heavy patients and physical violence against EMS providers. Assaults against EMS providers have risen over the past few years primarily due to the increase in drug abuse.

The Tamworth Fire and Rescue Department responded to seven hundred forty-seven calls for service this year. Some of these calls may be duplicate calls as we were still logging calls separately until the end of 2017. Motor Vehicle Crashes and some Fire calls would be an example of a duplicate call due to both agencies being requested. As of January first, 2018 we are logging all calls through our National Fire Incident Reporting System, (NFIRS) program which is a State and Federal requirement. This will allow for accurate demographics for all Fire and EMS calls. Regardless, 2017 was very busy year for us.

In 2017, we also have been working with Comstar, which is a private billing company. In 2018 we will be billing for EMS service when we transport the patient. We are still working out the details of this. We will bill for every call. If you have Insurance and they pay the bill then this money will be used to offset our operating cost. For at least the past year, Memorial and Huggins Hospitals are no longer letting us replace supplies used on a call. This has put a burden on you as the tax payer. If the bill does not get paid, we will write it off as a loss which will allow us to claim it for tax purposes.

Home Land Security and Emergency Management is promoting; "If you see something, say something," This applies to all types of threats to the general population. Terrorism exists everywhere! Terrorism does not acknowledge our isolated and rural demographics. An act of terrorism can happen anywhere at any time. Along the same lines, we are doing something wrong or we are not doing enough in the fight against drug abuse. If you don't acknowledge this is a huge issue destroying lives, one simple statistic is that New Hampshire is tied for the number two spot in the Country as having the worst drug problems. That alone should be a wakeup call. If you have knowledge of drug use or especially of drug dealers, say something! This is not only a law enforcement issue. It is affecting every single one of us. Entire families are ripped apart. In some cases, grandparents are now assuming the role of parents due to the fact that their children are not capable of caring for their own children.

The next time you see a member of Tamworth Fire and Rescue, take the time to simply say thank you. Zero percent of the members are providing this service to you for monetary reasons. These

are the men and women who often don't get a full night's sleep. They often work in the worst weather New Hampshire has to offer. They have missed many birthdays and holidays with their families. They have made plans and could not follow through with them. They check with other members before going out of Town for the weekend to assure that there are other members around. They have ruined many pairs of clothing. They enter a 600 degree Fahrenheit building to perform very strenuous tasks. They treat everyone with respect and dignity on every call. They attend countless meetings and trainings to provide the best service to you.

As always, I cannot thank all of the other Departments in Town for their outstanding help and cooperation throughout the year. I want to very sincerely and personally thank every man and woman who dedicates their time and energy to provide the best possible service to our community.

Very Respectfully,

Richard Colcord

HIGHWAY DEPARTMENT - ROAD AGENT

The Tamworth Highway Department was able to accomplish many projects in 2017, which include paving of Mill Road, Pease Hill Road, as well as 7000' of Gardner Hill and Lake Road.

We started the re-building of Washington Hill Road to include culvert work and under drainage work. Sand sealing of Mays Way, Tall Pines and Hollow Hill Roads were completed.

We continued other needed maintenance as time allowed that included: replacing culverts, ditching work, tree trimming and removal, patching, roadside mowing, sweeping, road sign repair and replacement, among other projects.

If funding is approved for 2018 we plan on paving Durrell Road and rebuilding Gardner Hill and Washington Hill Roads.

I would like to thank the road crew for all of their hard work in 2017, as well as the sub contractors for their work. Thank you to Chief Colcord and Chief Littlefield, as well as the Board of Selectmen and town office staff for their support.

Respectfully Submitted,

Richard Roberts
Road Agent

LAKES REGION PLANNING COMMISSION

103 Main Street, Suite #3
Meredith, NH 03253
Tel (603) 279-8171
Fax (603) 279-0200
www.lakesrpc.org

FOR TOWN ANNUAL REPORTS LAKES REGION PLANNING COMMISSION July 1st 2016 – July 30th 2017 (FY17)

The Lakes Region Planning Commission (LRPC) is an organization created by Lakes Region communities as enabled by NHRSA 36 for the broad purpose of responding to and shaping the pressures of change in a meaningful way. With a service area covering over 1,200 square miles in Belknap, Carroll, Grafton, and Merrimack Counties, the LRPC provides a wide range of planning services to member municipalities. As our economy and world change, so does the work we engage in. The Commission offers direct and support services to help our communities meet tomorrow's challenges. Our services include group and cooperative purchasing, technical assistance, geographic information systems, transportation planning, land use, environmental planning, hazards planning, and economic development. LRPC is primarily funded through local, state, and federal resources. We also maintain a regular dialogue with state agencies as a resource for the entire Lakes Region. Our overall goal is to provide support, knowledge, and guidance to the governments, businesses, and citizens of the Lakes Region.

Some of the services provided on behalf of the Town of Tamworth and the region in the past fiscal year are noted below:

OUTREACH

- Worked on Electricity Aggregation that would ultimately save the town approximately \$2,000 in electricity costs over the next year;
- Ready to assist community with economic development issues including preparing a Northern Border Regional Commission grant application to fund basic infrastructure like water and sewer, broadband towers and transportation improvements;
- The regional HHW collection saves the town several thousand dollars per year based on what it would cost if it was bid out separately (not to mention that the regional collection protects the town from residents from another town illegally dumping in town).
- Adjusted and printed Tamworth properties map;
- Prepared a poster size map of Tamworth with features including slope, government and utility owned property, conservation property and cemeteries
- Corresponded with Tamworth Town Office regarding the status of maps and met with Tamworth Commissioner regarding the Tamworth Slopes and Land Use map;
- Discussed, corresponded regarding TIP scoring process and draft outcome with municipal officials in Tamworth;
- Notified Select Boards of Commission terms and renewals;
- Arranged and performed traffic counts; and
- Provided copies of the NH Planning and Land Use Regulations book to the town.

REGIONAL SERVICES

- Hosted the June 26, 2017 Annual Meeting held at the Wolfeboro Inn in Wolfeboro NH, with featured speaker NH Senator Jeb Bradley. Approximately 100 attendees socialized, enjoyed the awards presentations and the Senator's speech;
- Began work on Electricity Aggregation that would ultimately save participating communities and school districts approximately \$110,000
- Completed environmental assessments on contaminated properties throughout region to control liability and encourage redevelopment through Environmental Protection Agency (EPA) Brownfields Program;
- Provided solid waste technical assistance to Lakes Region Communities through a U.S. Department of Agriculture (USDA) Solid Waste & Water grant award;
- Provided Geographic Information System and map making, printing, and scanning services to communities throughout the region;
- Assisted planning boards, ZBA's, and conservation commissions with Technical Land Use Assistance;
- Convened and staffed Pemigewasset River Local Advisory Committee (PRLAC) meetings;
- Updated the PRLAC website; addressed questions about availability of information relative to Northern Pass testimony - minutes, agenda (10 years) and Management Plan; and sent follow-up information to PRLAC representatives, including legislative tracking links;
- Addressed Northern Border Regional Commission (NBRC) award ceremony in Ashland with NHDRED Commissioner Rose, NBRC Co-Chair and representatives from US Senator Ayotte and US Representative Kuster's offices;
- Continued interim Town Planner/Circuit Rider assistance to enrolled communities;
- Led Lakes Region community involvement in Regional Public Health Roundtable and webinar on Financing Climate Change Actions;
- Responded to numerous requests for reviews on Developments of Regional Impact, prepared draft comments, discussed with staff and municipal planners, corresponded with state and local officials, reviewed relevant state statutes, and explored methods of improving LRPC process;
- Assisted many Lakes Region communities in developing and updating Hazard Mitigation Plans for acceptance by NH Homeland Security and Federal Emergency Management Agency (FEMA);
- Provided Master Plan Update assistance to communities;
- Coordinated with NH Division of Historical Resources Architectural Historian regarding panel to assist in the development of historic resources survey through FEMA Storm Recovery Program;
- Maintained appropriate staff training in FEMA hazard mitigation planning;
- Maintained dialogue and provided critical regional information to US Census on draft New Hampshire Town-wide Area Form Proposal and Manual, and 2020 Census Local Update of Census Addresses (LUCA) Information Guide and website information;
- Worked to become designated as Local Development District (LDD) through federal Northern Regional Border Commission to make region eligible for grant funding program and assisted members with upcoming funding round;
- Assisted several communities with recruiting, interviewing, and hiring new Planning Department staff members; and
- Conducted Regional Shared Services Survey to gauge communities' interest in potential shared services and cooperative buying opportunities.

HOUSEHOLD HAZARDOUS WASTE

- Handled over 43 tons of Hazardous Substances from 25 Communities and safeguarded the region's overall water quality and environment through coordination of the 28th Annual Household Hazardous Waste Collection Days;
- Had the assistance of over 80 volunteers;
- Had record number of cars in attendance, 1,839;
- Business cards with supplementary information about the Lakes Region Household Hazardous Product Facility (LRHHPF) and disposal of unused medications were printed and distributed. New this year were colorful refrigerator magnets with contact information, collection reminders, and a recipe for a non-toxic cleaner;
- This was the first year of a contract with a new vendor, Clean Venture/ACV. This arrangement is an important step in controlling costs to the communities and LRPC; and
- Our survey asked about willingness to pay a disposal fee on both latex and oil-based paints to allow for recycling of unused paint. 74% of those responding approved of the concept.

EDUCATION

- Convened five Area and Full Commission meetings and facilitated discussion on: Solar power, Accessory Dwelling Units, Regional Electricity Demand Aggregation, legislation in the Lakes Region (including legislation on setback on seasonal docks, NH Energy Policy, and Complete Streets among other topics), a view from the NH Senate, and the Winnepesaukee River Basin Program;
- Provided valuable environmental consulting assistance through Phase I and Phase II Brownfield Assessments and redevelopment activity on nearly a dozen Lakes Region sites;
- Maintained a digital and traditional library of significant planning documents from air quality to zoning;
- Prepared strategic planning reports such as demographic studies, build-out analyses, and attitude surveys, etc.;
- Upgraded our website, www.lakesrpc.org to include an improved home page with a rotating display and links to our most visited pages, improved HHW page, a new Solid Waste page, improved community pages, link to our new Facebook page and much more;
- Developed and awarded Lake Winnisquam Watershed Management Assistance Program;
- Collaborated with other regional planning commissions through NH Association of Regional Planning Commissions and Executive Directors' meetings in Concord;
- Coordinated with Belknap county conservation district on regional aquifer protection ordinances and supported BCCD's efforts on bank stabilization project;
- Corresponded with staff and others regarding the Lake Winnisquam Watershed Homeowners' Association watershed protection efforts and coordinated Local Source Water Protection Grant outreach meeting with NH DES;
- Coordinated Source water protection workshop and review of groundwater protection model ordinance requirements with planning board representatives from 6 communities;
- Trained by NH DHHS in Climate Adaptation Strategies;
- Researched, developed with health partners and circulated Lyme disease resources and materials;
- Coordinated and hosted several Solid Waste Roundtable meetings. Topics included: Universal Waste, Electronic Waste, Composting, Recycling, and Plastic Bags; and
- Began development of a resource guide for municipal outdoors workers and landscapers.

ECONOMIC DEVELOPMENT

- Served as NH Business Finance Authority (NHBFA) Board member and voted on major credit and bond issues including loan guarantees for area businesses;
- Coordinated with area economic development groups including Belknap Economic Development Council (BEDC), Capital Region Development Corporation (CRDC), Franklin Business and Industrial Development Corporation (FBDIC), Grafton County Economic Development Council (GCEDC) and Mount Washington Valley Economic Council in pursuit of workforce development and growth opportunities for the region;
- Continued to work with area economic development organizations, and pursue relevant opportunities with the Economic Development Administration;
- Worked with NHBFA and City of Franklin officials to develop a loan application to perpetuate downtown development. Assisted city on whitewater park EDA application;
- Participated in search committee and interviews for NHBFA Executive Director; and
- Worked with Northfield EDC on wastewater system expansion.

TRANSPORTATION

- Continued working with the Lakes Region Tour Scenic Byway Advisory Committee to spur economic development and preserve regional scenic quality and visitor experiences;
- Provided Geographic Information System services and technical land use assistance to our communities;
- Conducted over 200 annual traffic counts around the region;
- Coordinated and conducted meetings of the regional Transportation Technical Advisory Committee (TAC) to enhance local involvement in regional transportation planning and project development;
- Assisted communities with Road Safety Management Systems analysis;
- Provided assistance to two public transportation groups: The Carroll County Regional Coordinating Council, and the Mid-State Regional Coordinating Council;
- Continued work on the Regional Transportation resources webpage;
- Conducted culvert inventories in pilot communities throughout the region;
- Conducted Catch basin inventories in Alton and Center Harbor;
- Supported Complete Streets regional discussion and state legislation;
- Coordinated with NHDOT Safety Engineer and municipal officials to establish Road Safety Audits in several communities; and
- Conducted regional assessment of regional bike-ability including gaps in bicycle and pedestrian infrastructure throughout the region.

Municipal Safety Building Committee

The Tamworth Municipal Safety Building Committee (MSBC) was formed by the Board of Selectmen in 2016 to research the feasibility of constructing a building to house the Fire, Rescue, and Police departments. The committee consists of representatives from the Fire Department, Police Department, CIP, Rescue Squad, Selectmen and interested citizens.

The Municipal Safety Building Committee first reviewed the comprehensive study on the requirements for a new Fire Station performed by former Tamworth Fire Chief Steve Solomon. The current Central Fire Station parcel does not provide the opportunity to accommodate reasonable future growth. There is a detailed report which documents the problems of the current Central Fire Station on the Town website. Our goal is to use a fifty year planning horizon for both the building and the parcel. We foresee that in the near future it may be necessary to provide ambulance service without the aid of an outside agency. This accommodation needs to be planned for by the Municipal Safety Building Committee.

The municipal safety building needs to be located within one road mile from the current Central Fire Station. This is needed to maintain current fire insurance rating from the Insurance Services Office (ISO) standards. Tamworth has four fire stations strategically located so that no residence is located more than five miles from a station. Buildings not within such a distance are typically assigned as Class 10. Typically, insurance companies will not insure a Class 10 building.

The MSB Committee looked at historical call demographics for Police, Fire and Rescue. Approximately 57% of calls are within a five-mile radius of the center of Town. The committee identified 5 parcels that satisfy these requirements and bear further investigation.

By constructing a Municipal Safety Building to house the Tamworth Fire, Rescue and Police the Town would have a single modern building from which to provide public safety. The current central fire station and police department buildings could be disposed of and the proceeds used to offset the overall cost of a new building.

All are welcome to attend our meetings. This will be a Municipal Safety Building that is yours, your children's, and generations to come.

Respectfully submitted,

Richard Colcord
Chairman

Planning Board

During 2017, the Tamworth Planning Board held 12 meetings, 1 special meeting, 5 work sessions and 1 social event.

During the regular and special meetings, the board held 16 public hearings:

- 8 Boundary Line Adjustment (3 approvals)
- 6 Subdivision (5 approvals)
- 1 Design Review Phase (Subdivision)
- 1 Not relevant to the planning board: Maintenance on a state road.

The planning board also approved 1 lot merger and this year's Capital Improvement Program report.

The planning board conducted 6 Preliminary Conceptual Consultations involving 1 involuntary lot merger, 4 subdivisions and 1 boundary line adjustment.

Our "Happy Hour" social event was held in late April and was graciously hosted by Mary and Edward Phelps at the Preserve at Chocorua. It was an outreach by the board for input from the general public and to recruit alternates to the board. Approximately 20 people from the public attended and enjoyed appetizers and drinks.

During the work sessions, the planning board discussed a Land Use and Constraints map, a Transportation and Key Destinations map and worked on revisions to the subdivision application and regulation.

The minutes to all our meetings are available to the public via the town website. The public is always welcome at any planning board meeting, typically held on the fourth Wednesday of the month, 7 PM at the town office building.

Our members:

Sheldon Perry- Chairman, Becca Boyden- Vice Chairman, David Little- Secretary, Eric Dube- Treasurer, Pat Farley, Andy Fisher, Dan Poirier- Selectmen's Representative, alternates Dom Bergen and Nichole Maher-Whiteside. Melissa Donaldson, clerk

POLICE ADVISORY COMMITTEE

On March 23, 2017, the Tamworth Board of Selectmen (BOS) created the Tamworth Police Advisory Committee (PAC) at the behest of Town Meeting. The goal of the committee was to create recommendations to the BOS about how to structure Tamworth's policing, based on input from the community as well as to research how other communities structure their departments.

The PAC made every effort to include the public in the discussion. Each of our meetings was posted on the town website and we made frequent reminders to the Tamworth Exchange. Approximately 110 residents attended three public listening forums held town-wide. In addition, the Town Meeting request for a Police Advisory Committee included the call for a survey to find out what the citizens wanted in their policing. Surveys were sent to 1,438 postal patrons. We achieved a 25% response rate, totaling 359 responses.

The PAC also researched several other communities' policing practices and conducted interviews of area departments. Members posed questions to the municipal consulting firm Municipal Resources Incorporated (MRI), the New Hampshire Local Government Center and several area town offices. The PAC also interviewed personnel at the KA Brett School to determine the school's perspectives on policing in Tamworth.

The PAC submitted its final report to the Board of Selectmen May 26. (See the PAC report on the Town of Tamworth website.) On June 5 the Board of Selectmen held a public hearing about the report. They proceeded to include many of the report's recommendations in their subsequent work to rebuild the Tamworth Police Department.

The PAC's final report was the result of hundreds of hours of work. Committee members included Mark Anthony, Rebecca Mason, Lisa Remick, Melanie Streeter and Ginny Welch. Many residents also gave generously of their time. These residents include but are not limited to Eric Dube, Dick Lennon, Diana Lewis, David Little, Bill McKay, John Mersfelder, Chele Miller, Margaret Rieser, Nancy Sheridan, Susan Ticehurst and John Whacker. In addition, the Tamworth Foundation provided grants to pay for mailings and printings, the Cook Memorial Library made it easy to use its excellent meeting rooms. Runnells Hall and the South Tamworth Union Hall provided their spaces for the listening forums as well.

The time, labor and resources involved in developing this report provide a window into the tremendous responsibilities required of municipal government. At this writing, the filing period for candidacy for elected town positions has just closed. As has been the trend in recent years, we find many positions without candidates. If we as a community continue not to step up to fill elected positions, perhaps future town boards and commissions might do well when confronting thorny problems to use the PAC model that brings together a group of concerned citizens willing to work hard for a short term to study the problem and propose thoughtful solutions for moving forward.

Respectfully submitted,

Chris Canfield, Chair Police Advisory Committee (dissolved May 30, 2017)

Dana Littlefield
Chief of Police

Town of Tamworth
TAMWORTH POLICE DEPARTMENT
PO Box 69 • Tamworth, New Hampshire 03886

Dispatch: (603) 539-2284
Office: (603) 323-8581
Fax: (603) 323-7395

First and foremost, I want to thank the community for their welcoming gratitude and their continual support of our efforts to reestablish the Department and provide the Town with a community-based police department. Community spirit is at the heart of this Town, and our obligations and duties to the Town are no different. We aim to engrain ourselves into the community and be involved not only when there is an emergency, but in every aspect of what is happening in Town, good, bad, or indifferent. As I sit here and reflect on providing you with statistics, I'd like to point out this; our stats primarily show what I would call negative contacts, and those come by fulfilling our primary duties of protecting life and property. However, that is not our sole purpose. We aim to create positive contacts, by being involved in the community and being approachable. We are committed to involving ourselves in the school and making positive contacts with the students, so they recognize we are not just here for emergencies, but we are here to create relationships. Unfortunately, there are not many stats that reflect positive contacts, instead contacts are reflected by you, the community, when you provide feedback and positive word of mouth about the Department's efforts to provide a quality service to the Town.

The end of 2017 brought about a flurry of activity as we sought to utilize the budget to bring the Department up to current standards. A couple projects included; small upgrades to the building to help us reorganize and create a positive workflow, and new graphics for our cruisers. One major project was the consolidation with the Carroll County Sheriff's Emergency Communications Center. This project allows us to have a centralized reporting and dispatch system, shared by the County and other communities, that allows us to have greater access to more information throughout the County, right at our desktop computers or on our mobile laptops. As we move forward we will be presenting a couple more projects. One is a Property Check program and the other is Project Good Morning, which is a program designed to assist residents who do not have regular contact with family members, friends, or neighbors. Those who sign on to the program will be required-

Duty, Honor, Community

Dana Littlefield
Chief of Police

Town of Tamworth
TAMWORTH POLICE DEPARTMENT
PO Box 69 • Tamworth, New Hampshire 03886

Dispatch: (603) 539-2284
Office: (603) 323-8581
Fax: (603) 323-7395

to call daily to our Dispatch center, and if they are not heard from by a certain time a police officer will come and check on them. This program has worked well in many communities and we look forward to bringing it to ours.

As I review the needs for the Town and focus on ways that we can be more proactive in the community, rather than just reactive to emergency situations, I am reminded that our most valuable asset, to the Department and the community, is the people we employ. We aim to be fully staffed with three full time officers, who care about their job and care about this community. In addition to those positions, we have added overtime to our budget, and are also seeking help from part time officers to help us fill voids on holidays, vacations, and other needed vacancies, so that we can bring consistent service to this community 365 days a year. We also brought on board an Administrative Assistant, for limited hours, and look for your support as we request more hours for this position to move forward. This position brings what I call “a face to the window”, someone who is there on a regular basis to greet you when you walk into the Department or answer your calls immediately, while our officers are on the road patrolling the neighborhoods. This position is key to helping us be more proactive in the community and provide a higher level of service to the Town.

On behalf of Sergeant Jamie Sheehy, Admin. Assistant Linda Eldridge, Animal Control Officer Kevin Newberry, and myself we would like to thank you for your support of our Department, and we look forward to your continued support as we move forward into 2018. If you haven’t already, please take a minute to follow our page on Facebook ([Facebook.com/TPDNH/](https://www.facebook.com/TPDNH/)), as we seek to keep the Town informed of; emergent issues, upcoming events, known hazards, and friendly reminders. We will also seek other avenues of communications, or you can always pick up the telephone and give us a call.

Thank You and Be Safe,

Dana Littlefield, Chief of Police

RECREATION

This past year was a productive one for the Recreation Department. Trips, programs, various sports activities and classes were offered for all ages.

Congratulations to Tamworth's Softball Team comprised of grades 4, 5 and 6 for winning the Carroll County Championship for 2017. This is their fourth title in the last five years.

Eighty one children ages 7-14 participated in the summer program in 2017. Hiking, swimming and kayaking were enjoyed as well as field trips to Saco Valley Sports Center, Pirates Cove, Smitty's Cinema, Blitz Air Park, Portland Sea Dogs, Aqua Boggan, Wallis Sands, Storyland, Whale's Tale, Fun Town, Clark's Trading Post and Hilton Park. Believe in Books Literacy Foundation came to the Summer Program each Wednesday and children could get two free books each visit.

Programs

Living Strong	Family Day-July 4th Celebration
New England Flower Show	Easter Egg Hunt
Squeaky Sneakers	Tai Chi
Aerobics	Summer Program
Believe in Books	Hoop Shoot
Magic of Christmas Portland	

Sports

T-Ball	Softball Grades 4-6,
Basketball Grades K-6	Adult Softball
Adult Basketball	Soccer Grades K-6,
Tennis,	Open Gym Jr. High/High School
Pickle Ball	

The Family Day July 4th Celebration will be here before you know it. Start planning your float now. Looking for a fundraiser for your group? Call 323-7582 for information about a booth at Family Day.

The new playground equipment was installed at the Recreation Baseball Field. It is a great addition to our Recreation Facility. Thank you to the voters who supported this wonderful addition that will give younger children a safe area to play while their siblings are playing ball.

A special thanks to Pee Wee Hurd and American Air Systems for again sponsoring our grade 5/6 boys basketball team. Also thank you to The Whittier Lions Club for sponsoring our grade 5/6 soccer team. For more information or suggestions call the Recreation Department at 323-7582.

Recreation Director

Tamworth Red Cross Swim Program

The summer of 2017 saw 175 children participate in the Tamworth Swim Program at White Lake State Park. The weather is always “interesting” at the lake, but we managed regardless!! There is nothing like a “White Lake Day” with white caps and wind to bring out the best in all of us! It is always a pleasure to see familiar faces return year after year and welcome new ones each summer.

The success of the Swim Program is based on many contributing factors. The Town of Tamworth and the Tamworth Foundation, who each year continues generously to support the Swim Program financially. The parents, grandparents and childcare providers who make the sacrifice to ensure that the children are able to attend. The Tamworth Recreation Program and the Swim Program continue to work together so that many children are able to take advantage of both programs. The staff at White Lake State Park is gracious in their assistance to the program and the use of their facilities for the Swim Program.

The instructors working with the children on a part-time and full-time basis were Ida Streeter, Jessica Mason, Katie Anderson, Tayghan Gelinas, Martha Chandler and Brenda Robinson. We cannot say “Thank You” often enough to, Steve Gray. He is extremely supportive in countless ways to our program.

Our sincere thanks to all who work to make the Swim Program a continuing success!! We look forward to continuing to offer lessons for many more years to both Tamworth children and children in surrounding communities. May they all have the pleasure of learning to swim, be safe in and around the water and make swimming a part of their lives for their lifetime.

Respectfully Submitted:

Brenda R Robinson
Director, Tamworth Swim Program

Tamworth Community Nurse Association

Annual Report FY 2017

Statistics

Home and Office Visits	3,116
Flu Inoculations	61

Acute Ills/Strep Tests/Nebulizer	368
Emergency Calls	114
Life Saving Interventions	10
Injections/Med. Administration	308
Community Service	5,000+

This has been a year of transition for the Tamworth Community Nurse Association. After 14 years of dedicated service, our nurse Carol Eldridge retired and moved to Florida. It was so hard to see her go for our staff and patients alike. We were fortunate enough to find a new nurse to fill her shoes. Her name is Pam Martin and she lives in Moultonborough. Like Carol, she is an LPN and a phlebotomist. She works 9am -1pm on Tuesday, Wednesday and Friday. Please stop by to say "Hi" to Pam.

We also were deeply saddened when our Administrative Assistant, Barbara DiMaio, passed away in August. We all miss her funny retorts and her caring personality. Marletta Maduskuie was available to come back and help us carry on. You will find Marletta in our office on Tuesday, Wednesday and Thursdays. In addition to serving as an Administrative Assistant she coordinates our Meals on Wheels program. Peg Ross has joined our team as well; on Monday and Friday she helps with clerical duties as well as serving as an additional phlebotomist. We are also fortunate to have Dr. Brian Irwin of Tamworth Family Medicine as our Medical Director.

At TCNA we always manage to keep busy. In addition to direct patient care, we offered educational classes on a wide variety of topics. We also offered consults with a Physical Therapist and hope to hire a Registered Dietician soon. The programs we offer are always geared toward benefitting our community at large. If you have a suggestion or idea about topics you would like to see covered, please contact our office and share your input with us.

TCNA and the Tamworth Farmers Market continue to strive to improve the quality of nutrition for all Tamworthians, thanks to the generous grant from the Harvard Pilgrim Health Care Foundation (HPHCF). The Farmers Market continues to offer its *Double Your Dollars* program in order that recipients of the Supplemental Nutritional Assistance Program (SNAP) can purchase healthy, locally-grown foods for half the price. The HPHCF has also allowed us to hire an Outreach Coordinator to help individuals understand SNAP benefits as well as get the word out about the offerings of our wonderful Market. We partner with the Brett School on after-school cooking programs and providing a garden coordinator to increase production of the school's garden as well as teach gardening techniques. We will also be working with the Tamworth Food Pantry and providing food for cooking classes for people who utilize their program. Keep in mind the Tamworth Caregivers (and others) are willing to supply transportation to and from the Farmers Market. This is a win-win opportunity for all Tamworth residents.

For almost a century now, the TCNA has offered Tamworth residents a wide range of services —with no fee for service. We try to save you money. For instance, many of you need to be on blood thinners for a variety of reasons; this test would cost \$175.00 at a local hospital. You can have this test done in our office at no charge. In addition, many residents take advantage of ordering medical supplies that are not covered by insurance through our office and have realized considerable savings over the retail market. We also have equipment available to loan out. Before you rent a wheelchair, purchase a high-rise toilet seat, buy crutches or a walker, call us, no matter what your healthcare need. There's a good chance we can help.

The handicap accessible TCNA Office located at the back of the Town Office Building is open Monday through Thursday from 9am to 1pm and from 9am to 11am on Friday. A nurse is available in the office weekdays from 9am to 11am. Appointments are not necessary and all issues are treated with strict confidentiality. We assist people of all ages from newborns to seniors with no regard to economic strata. Stop in or contact us at 323-8511 or tamworthnurses@yahoo.com.

Our Board of Directors meet regularly to direct agency functions and operations, handle financial matters, as well as assisting with fund raising events. The 2017 members of our Board of Directors were Mary Watkins Chairman, June Aprille Treasurer, Bob Seston Advisor to our Finance Committee, Nina Perry Secretary, Lorraine Streeter, Leslie Johnson, Mary Edes, Neysa Packard, Alice Hadam and Beth McCarthy. Heidi Palmer and Robin Gordon also served for a portion of 2017. The TCNA Board receives little recognition, but their steadfast leadership of this fine organization makes our services possible.

We coordinate Meals on Wheels, an essential service to town residents who would be hungry or at risk of malnutrition. This program also serves as a regular safety check. There were 10,254 meals delivered to town residents in 2017 by our much appreciated volunteer drivers. We always need more volunteers to work a flexible schedule once a month. It only takes two hours to complete a route, serving others is rewarding. If you know someone who could benefit by receiving Meals on Wheels, please contact us.

TCNA continues to function as the Salvation Army Unit station for the area. Emergency funds are available for Tamworth and Sandwich residents in need. This year we have assisted people by providing medication, therapy, groceries and medical equipment.

During the holidays, we deliver gifts to our clients. Special thanks to The Tamworth Community Christmas Project for their support of this program. We also worked closely with St. Andrew's Food Pantry in distributing more than twenty Thanksgiving food baskets.

TCNA interacts and coordinates services with the Tamworth Caregivers, ServiceLink, Tri-County Cap, and RSVP, to name a few. These organizations have provided support to many area residents and serve as important members of the health care team.

The Tamworth Community Nurse Association is a private, not for profit, non-certified company. This means we do not bill individuals, Medicare/Medicaid or insurance companies. Much preventative care and social service support your neighbors need to maintain healthy lives is not covered by insurance companies. Regional health agencies, including the VNA, regularly contact us to care for patients in Tamworth whose coverage has been terminated. TCNA saves money for our clients while providing services and support.

It is the mission of TCNA to care for all Tamworth residents, including those who may fall between the cracks of the health care system. We provide a safety net and we are well known to area hospital discharge planners and work cooperatively with them to provide optimal home care. Because we are not Medicare certified we do not provide ancillary services such as occupational, physical, and speech therapy, home health aides/homemakers, and hospice. For these services we rely on area agencies such as the VNAs and out-patient Physical Therapy offices. Close communication and collaboration allow us to provide continuity and holistic care.

As always, we deeply appreciate the support of the people of Tamworth and pledge to continue our efforts to work for the health and well-being of the community and of each Tamworth resident.

Respectfully submitted,

Jo Anne M. Rainville, RN
Executive Director

TAMWORTH OUTING CLUB

It was another successful year for youth baseball in Tamworth, thanks to the generosity of residents who support the program through our town funding request. The Cal Ripken league is for children 6 to 12 years. The Babe Ruth league has transitioned to the local Home Run Baseball league based out of Center Conway and is for players 13 to 15 years old.

The Cal Ripken league hosted over 65 children participating in 5 teams. This program includes practices as well as games with an emphasis that all children get the chance to play, learn sportsmanship and have a good time. The Tamworth Outing Club would like to thank Mark Anthony for his 25 years of volunteer work. Mark has turned the duties of running the Cal Ripken league over to Jim Hidden.

Under the guidance of Jim Hidden, the Home Run Baseball league was a success with a busy 12 game schedule with the finale being winning the league championship. The Home Run Baseball League is a local organization that costs \$750 per year, which is quite a savings from what the old Babe Ruth league charged. Benefits also include making baseball more accessible to kids and activities for players in the pre-season/off-season. Jim was also helped out by coaches Mike Brooks and Doc Walker.

The Tamworth Outing Club would also like to thank Mary and Mark Smith who donated this year's village Christmas tree that the club erects and lights each year. We were also busy with the junior ski program, contra dance schedule, highway clean-up along Route 113, sled dog race and ski trail grooming in Wonalancet.

We are always looking for new members and can use volunteers that suit anyone's interest. To learn more about the club go to Tamworthoutingclub.org.

Thanks for your support.

Brian Cutter
President Tamworth Outing Club

Town Clerk/Tax Collector

It is hard to believe that 12 years in this position has never become dull or boring, and in fact, between the varying Departments we answer to with the State of NH, and the demand for newer and faster technology, one does not have time to sit and ponder!! With continued legislative changes in voting procedures and laws, "One Million" Vital Records being added to the Statewide database, the upgrade to the State's Driver Licensing system, and the new NH Inspection location placement we continually try to keep our residents updated and informed. In keeping with tradition, the Clerk/Collectors annual attendance at workshops & conferences is listed below:

April 5th – Tax Collectors Spring Workshop Concord, NH
April 11th – Town Clerk Legislative Day Concord, NH
June 7th – NH City & Town Clerks Regional Conference
June 12th – Carroll County Tax Collectors Meeting
September 6th – 8th - NH City & Town Clerk Assoc. Annual Conference
October 10th – Fast & Furious ElectionNet Training
October 18th- 20th – NH Tax Collectors Assoc. Annual Conference

In September 2016 a Moose Plate Grant was awarded for \$6,520 to preserve two of the three Town Record Books applied for. In February 2017 the two Volumes were shipped to Kofile Preservation, completed on May 18, 2017 and are accessible by the general public at the Tamworth Town Office. In August 2017, the Tamworth Foundation announced that their previously established fund for the town's preservation project had reached an amount of just over \$79,000. This amount included the taxpayer's decision, by vote at Town Meeting, to double the 250th Celebration Committee's net proceeds and to remit such funds to the Tamworth Foundation for preservation purposes of Tamworth's historical records. I'd like to thank the Tamworth Foundation for their generous undertaking and implementation in supporting the Town's preservation efforts.

The on-line payment services and over-the-counter credit card transactions continue to increase and in 2017 collected revenues are up to \$435K with these services. The annual revenue of \$10K from the Municipal Agent Fee still carries in 2017 and the newer credit card processing agent's offer of 2.79% convenience fee remains unchanged. Also, the added \$1.00 increase for the town clerk's fee implemented through State Legislation in July 2015 continues to carry \$4500 in additional revenue for a second year.

In closing, I'd like to give a special thanks to my Assistant Clerk/Collector Libby who very competently covered the office in short notice during my sporadic absences this year. I'd like to again remind all dog owners to renew their dog's license by April 30th. I would also encourage residents when in our office to sign up for our new "E-mail" Notification option for future Motor Vehicle Registrations and Dog Licensing reminders. As always please feel free to contact us at tctx@tamworthnh.org, or call 323-7971 x12.

Respectfully Submitted, Kim Trammell
NH Certified Town Clerk/Tax Collector

TRANSFER STATION

In the year of 2017 we received and shipped away 1,164.68 tons of trash and recyclables.

We shipped:

M.S.W. (Household trash)	657.67	Tons
Paper	49.14	Tons
Cardboard	44.46	Tons
Commingled	27.95	Tons
Aluminum Cans	4.46	Ton
Glass	70.06	Tons
C&D / Bulky	300.71	Tons
Scrap Metal	68.06	Tons
Electronic	12.42	Tons

In addition to the items listed above we also received and shipped 82 refrigeration units and 438 tires.

The sale of our recyclables (paper, cardboard, aluminum cans and scrap metals) paid the Town \$ 50,740.15 for the year of 2017.

I would like to thank all our town residents for all their efforts to make our recycling program a success.

Respectfully Submitted,

Glenn Johnson Sr.
Transfer Station Manager

TREASURER'S REPORT

To receive the maximum interest rate available, all funds under the jurisdiction of the Town of Tamworth & the Treasurer's Office are invested in the Meredith Village Savings Bank with three smaller accounts in the Northway Bank.

The total investment interest in 2017 was \$13,363.49 from accounts held by Meredith Village Savings Bank & \$24.73 from accounts held by Northway Bank.

I would like to thank the voters of Tamworth for their support. I would also like to thank Town Administrator Darlene McWhirter & Finance Officer Kathy Estabrook for their assistance when the computer wouldn't cooperate with me.

Thank you to Joanna Noyes for serving as Deputy Treasurer for so many years. Thank you to Allie Kaplan-Thompson & Beverly Sullivan for serving as First & Second Deputy. Your hard work is appreciated. Also, thank you to Kristy Badger from Meredith Village Savings Bank & JoAnn Klatskin from Northway Bank for their courtesy during the year.

Respectfully submitted,
Priscilla A. Remick

Trustees of Trust Funds

As Trustees of Trust Funds, we are responsible for the custody and investment of \$881,461.40 in capital reserve and trust funds serving public purposes. A summary of these funds is shown on the accompanying schedule. As of December 31, 2017, we were holding \$577,251.76 of capital or expendable reserve funds and \$304,209.64 of trust funds at historic cost in accounts with the custodians. Capital reserve funds are funds raised by vote at town meetings for specific uses such as bridge repair or special education. At the 2017 Town Meeting, an expendable reserve fund for cemetery maintenance was approved obviating additional individual perpetual care trusts into the future. Trust funds comprise private money donated or paid to the town for specific public purposes, including cemetery perpetual care.

Our adopted investment policy, affirmed annually by the Trustees in accordance with state regulation, recognizes that reserve funds can be expended in the near term and therefore ought to be kept in liquid form with preservation of principal paramount. Capital and expendable reserves are invested through the NH Public Deposit Investment Pool and yielded \$5,270.15 in interest during the year at the modest rates currently available, 1.19% current yield, nevertheless an improvement over 2016.

On the other hand, trust funds have a long-term investment horizon, often with the possibility of expending only income but not principal. With a view to protecting the long-term value of the principal from erosion due to inflation and to improving on the flow of income, the Trustees engaged professional investment management for the trust funds in December, 2014. Bearing Point Wealth Partners, Hampton, NH, has discretionary investment authority over the trust funds under the terms of an investment management agreement providing for investment in a portfolio of income oriented equity and fixed income ETFs and mutual funds.

In 2017, the trust funds portfolio earned \$8,103.53 net of management fees, plus \$2,839.39 in distributed and realized capital gains that were added to principal. We distributed \$7,526.32 from income to the spending agents of the funds—Cook Library, Brett School, TCNA and the Town General Fund to help pay for the work the Cemetery Trustees did maintaining the perpetual care lots. Unrealized gains increased by \$12,379.65 during 2017, to a level of \$9,325.39, bringing the market value of trust funds to \$313,535.03. The Trustees monitor the portfolio's ongoing performance as managed by Bearing Point on at least a quarterly basis. The overall return on the portfolio was 7.37% as compared to the benchmark of 7.95%. Although the equity portion of our portfolio exceeds that in the benchmark, returns lagged due to our value orientation as compared to the benchmark's weight in growth stocks.

Bearing Point also provides accounting and reporting services, such as the accompanying schedule and other state required forms. The annual fee of \$1,563.03 paid to Bearing Point amounts to 0.5% of market value, paid out of income produced by the portfolio. It should be noted that Bearing Point derives no other benefit from this relationship than the aforementioned 0.5% fee, and that custody of the assets in the portfolio resides with National Advisors Trust, Overland Park, KS as part of the relationship at no cost to the Trustees.

Respectfully submitted,
Robert Seston

Zoning Board of Adjustment

The Tamworth Zoning Board of Adjustment (ZBA) is empowered by NH RSA 674:33 to hear appeals to any administrative decisions on town regulations adopted pursuant to NH RSA 674:16. In addition, the ZBA is empowered to grant variances and special exceptions where it is specifically allowed in the regulation. The Town currently has two ordinances that are subject to appeal to the ZBA: the Tamworth Floodplain Development Ordinance and the Town of Tamworth Personal Wireless Service Facility Ordinance. The members of the ZBA are appointed by the Board of Selectmen.

The ZBA is currently in a state of dormancy. The last case to come before the Board was settled in 2012, with some minor follow-up action in 2013. There were no meetings during 2017.

At present, the ZBA has three out of five board member seats filled and no alternates. The 2017 Board roster consisted of Dan Rowe, Treasurer; Peg Huddleston, Clerk and Bruno Siniscalchi, Member. Town employee Chris Conrod serves as ZBA Secretary. The term of Peg Huddleston expires in 2018.

The ZBA welcomes the interest of all town residents and encourages those who would be interested in serving as a full board member or alternate on the Board. It is to the advantage of the appellant to have a full five member board hearing a case because it takes a majority to overturn an administrative decision or grant variances and special exceptions.

ZBA Rules of Procedure and all application forms are available for download from the town website. Meeting and hearing minutes, as well as case files, are available for inspection at the Town Offices.

Respectfully submitted,

Chris Conrod
ZBA Secretary
