Approving of December minutes – John, Laura, Pat, John, Wyatt, Abby, Kelly joined at 6:20.

Financial Update:

Ended 2020 with a small surplus of \$6 going back to the town. With the revised budget of just \$500, we spent \$494.(TEDC had returned all but \$500 of 2020 \$)

For 2021: We requested and had initial approval from the town for: \$3400
We modified some of the programs for the town to decrease our budgeting needs. The \$400 is for supplies, including our website. TEDC volunteer man force is saving the town money versus giving this work to an administrator, we have numerous commissioners working on different aspects of the website equaling many hours of work.

Business Listing Booklet:

Business booklet have been printed and picked up.
Possible distribution: Farmers Market, Rosie's, library

Economic Revitalization Zone:

\$45.19 for printing and laminating for ERZ Flyers

Budget for Printing and business listings \$900 including "community events"

Ideas:

- Create a forum or event for the ERZ and include the printing cost in this
- One of us could represent the TEDC and educate people at the farmers market
- *Abby, Kelly, Laura to work on distribution
 - *Wyatt to reach out for 100 copies 2 per page on 8x11 unlaminated and to resubmit the invoice to be spent to the Town
 - *Wyatt & Abby to man market booth at Farmers Market

Hub 66 Wifi:

www.hub66.com

Ask them to join us at Tamworth Farmers Market or to send us a flyer

*Laura to reach out to Peg for table at Farmers Market and to Hub 66 for marketing materials

*Invite Hub 66 to a forum or to host a virtual forum to inform the town
