Called to order 6:12 PM

Attendance: Pat Farley, Kelly Goodson, Mary Phelps, Wyatt Berrier, John Ferreira

Motion to Replace Lynn Kearney with Mary Phelps....Pat/Kelly

Motion to approve minutes of May, 2022....Pat/John

Discussion of broadband forum:

Pat learned that Mary at Cook Library advised that Tuesdays are usually a good day to utilize the library for a forum.

Those in attendance reported in detail their conversations and/or research of the various service providers of broadband options for Tamworth citizens.

Companies included: Consolidated, Lynn; Hughes, John; Starlink, John; Spectrum, Laura; Dish, Mary; Hub66, Pat, Fidium fiber, Pat.

Topics covered were: speed, coverage, contract, cost, special requirements and unique offerings.

TEDC would utilize zoom and record the session so it would be able to be shared/viewed after the forum. The goal would be to have some representation from the service providers.

Timeline would be 6:00-7:30pm. John suggested having the ability to utilizing polling options within the Zoom application.

Introduction

Providers/ Information

Because everyone is so busy the board opted to hold the Forum in the fall when more about some of the newer options will be available.

The board also discussed the need to continue distributing more tourist brochures and business booklets over the next several weeks so as to determine the quantity required on our next printing order.

Meeting adjourned at 7:16.
