Public Present: None

Meeting Opened at 19:32 by Chairman Bowles

Minutes: The Board reviewed the January 5, 2023 minutes. Since a quorum was not present they were not accepted.

Old Business:

Central Station new rear apparatus door. Motor and springs still need to be mounted.

New Business:

Chief Colcord has contacted a generator company regarding the automatic transfer switch not working at Central station but hasn't heard back yet.

Car 1 has been repaired under warranty.

J. Bowles circulated draft SOGs for the use of Car 2, and for attending out of town trainings to those at the meeting. Those present agreed with the wording but no vote was taken by the Board due to the lack of a quorum.

Discussed purchasing several 3'x20' 10 oz runners in green so that they stand out from the salvage covers. It was agreed that this would be a good idea and it was mentioned that the ends of the red ones that we have could be marked with green paint to make them stand out as well.

Chief Colcord advised that he's installed the new radio Car 1.

D. Cribbie mentioned that we should invite our local and state police to our 3/9/23 electric vehicle training.

Next week's fire training will be SCBA station search.

Adjournment: Motion for adjournment made by H. Remick at 20:07, seconded by J. Bowles all in favor.

Respectfully submitted, Jim Bowles, Chairman – Town of Tamworth Board of Firewards
