This is a work session for a public hearing regarding an SUP Wetlands Waiver requested by Howard Trask for property located at 80 Chocorua Road, Map 201 Lot 065.

Dom recused himself and turned the hearing over to David Little at 7:05 pm. This SUP is requested to replace a failed septic system.

Skip asked if there is a precedent for this type of situation. This application meets the State requirement but does not meet the town requirements.

No evidence was submitted by the public. No questions were asked by the public. The hearing was closed at 7:07 pm. Steve made a motion to approve the waiver for the installation of the septic system as submitted. Skip seconded. APPROVED

David mentioned that the Letarte permit was approved conditionally for one year, which passed in July. We have not heard from them.

John made a motion to adjourn at 7:14 pm. Steve seconded. APPROVED

Respectfully submitted,

Melissa Donaldson

Planning Board Clerk
