The purpose of this meeting is to schedule a public hearing for the Tamworth Innovative Zoning Ordinance. There must be 10 days notice for this hearing, not including the day of the notice or the day of the hearing.

The Groundwater Protection public hearing is schedule for November 17.

Dom will check availability of the School for November 16, then Runnells Hall if the school is not available on that day. If neither building is available on the 16th, he will check both for the 18th. Once the location is confirmed, notice will be sent.

If no applications come in before this Friday, the November 24th planning board meeting will be moved up to November 17.

At the meeting on the 10th of November, the Watkins boundary line adjustment will be heard, then ordinances will be reviewed until the CIP public hearing begins at 8:00.

A work session is scheduled for the 8th of December. The regular December meeting will be held on December 15, and the application deadline will have to be moved forward. November 26th would be the date 19 days before the meeting, Town Hall is closed that day. David Little will research, and once the deadline is chosen, it will be posted with notice of the change of the Planning Board meeting date. This rescheduling process is on hold until further information is returned.

Becca has drafted a press release for TIZO. She will revise and send to Dom, who will include the date and location of the hearing. Dom will send the final version to Melissa, who will get it to the Conway Daily Sun for publication.

Nicole made a motion to adjourn. Becca seconded. The meeting was adjourned at 8:02 pm.

Respectfully submitted,

Melissa Donaldson
