The work session was called to order at 7:07 pm.

Groups of people to address regarding the Master Plan were discussed. David L. presented a list of non-profits in Tamworth. The list was reviewed and organizations were assigned to members.

Tom Peters would like to develop presentation questions to ask at the presentations.

David L. presented a list of possible ideas/questions and answers to use as a guideline during the discussions. A lengthy discussion ensued in regards to which topics should be covered at the community group meetings.

The Master Plan booklet should be presented at these meetings. The discussions should include information about the Planning Board's role in the Land Use sections of the Master Plan. Townspeople should be told to look for the mailing that they will/will have received from the Planning Board that outlines Land Use possibilities, and meetings will be scheduled specifically to discuss Land Use Regulations. David L. will be responsible for revising the letter/information sheet, and it will be sent out by July 22. Tentative dates for the Land Use Discussions are August 5th at 7 pm, August 17<sup>th</sup> at 7 pm, and August 29<sup>th</sup> at 10 am. Dom will check on availability of the Town House for these meetings.

Willie made a motion to adjourn at 8:45 pm. Nicole seconded. APPROVED
