

Tamworth Road Committee

Draft Minutes – January 7, 2015

Draft minutes to be reviewed and approved at a subsequent meeting

Call to Order – Meeting called to order at 7:13 pm. Members present were Paul King, David Halpin, David Little, David Bowles and Chris Conrod. Members absent: Bob Cottrell, Ron Remick and Lori Gerard.

Review Minutes – Minutes of 12/03/2014 accepted.

Old/New Business – Chris reported finishing up research on Volume 8; records of the subsequent town meetings and Selectmen's actions (1967 and after) are hiding some place. Might have to talk with Terry to see what she knows. Dave Bowles has been at DOT District 3, looking for plans using the number codes to identify roads #s 99 and 106. No luck yet be he hasn't given up. David Little suggested submitting an annual report and soliciting help with research and/or local knowledge. Paul agreed to write the report. All members are expected to send him a few sentences describing what they have been doing the past three years. Dave Halpin entered all the data from If Walls Could Speak into a spreadsheet and shared the file with the committee. Paul announced the formation of a Cook Library group: The Cellar Hole Gang. They might dg up some useful information.

Layout Sleuthing – Using the Mylar sheet over the town map, we continued reviewing and identifying road layouts and discontinuances, and related actions/votes. We plotted those that could be geographically identified.

Volume 8:

1962-03-13-14B – Road paving beyond Otis Davy's. Unknown

1962-03-13-17 – Voted to establish road. Greg's Way

1964-03-10-32 – Passed over petion to open town roads in the White Lake area; not sure what they were talking about.

1965-03-09-24 -- Voted and approved to discontinue that portion of old Rt 113A between stations 15855 and 15005. Probably along Reed's Hill near Franchi's. Need to check state plans.

1966-03-09-20 – Appropriate funds to maintain Bunker Hill Road.

----End of Volume 8----

Other business – Paul read off a list of annual meeting road related articles that he had copied from warrants a long time ago. They cover from the end of Volume 8 to 1988.

Planning Ahead – Still need to make a list of all unknowns with names or other clues to be researched. David Little will email his digital copy of the Oscar Jewell transcription of Volume 1 to Chris to include in the list.

Next meeting – Scheduled for 7:00 pm, February 4, at the Town House.

Adjourn – Meeting adjourned at 8:15 pm.
