**Layout Sleuthing** – Using the Mylar sheet over the town map, we continued reviewing and identifying road layouts and discontinuances, and related actions/votes. We plotted those that could be geographically identified.

1896-03-10-10 & 11 – Bartlett Bridge: voted to not build with iron; to build with wood.

1897-03-09-09 & 10 – Swift River Bridge (Village?): voted to not build with iron; to build with wood.

1897-03-09-11 – Voted to discontinue the old road (upper road) from Four Corners to Dana Steele's.

1899-03-14-09 – Voted to NOT discontinue Gilman Valley Road.

**Mack Hill Area** – At this point Ron Remick arrived and he reviewed some blister rust map and deed research he had done in the McDaniel Hill area. The conclusion is that we need to research the name “Mack” and see if this is synonymous with “McDaniel” or an entirely different person/family.

### **Layouts/Discontinuances cont.**

1899-06-29 – Voted to discontinue section of Chocorua Laake Road that got re-aligned.

1900-03-13 – Voted to discontinue Scott Road from a gate just west of Stony Brook (near Hammond trailhead) to the house.

**County Roads** – Ron reported on his search for layouts done by county commissioners. The State Archives do not have these for Carroll County but they should be found in the “Session Terms” section of the county records.

**Adjourn** – Meeting adjourned at 9:13 pm.
