Draft Minutes – January 2, 2013

*Draft minutes to be reviewed and approved at a subsequent meeting*

**Call to Order** – Meeting called to order at 7:07 pm. Members present were Paul King (Chair), Bob Abraham (Selectman), Ron Remick, David Halpin, Dave Bowles, David Little, and Chris Conrod. Members absent: Bob Cottrell and Lori Gerard.

**Review Minutes** – Minutes of 12/05/2012 accepted.

**Old Business** – Paul reported that he and David Halpin checked the area where the layout of Philbrick Neighborhood Road (18221000-00 – Upper end of Philbrick Neighborhood Road, from Fowlers Mill Road to Narrows Road) veers toward the east from where the road is at present. They found evidence that at one time a road followed the original layout. It is also shown on a plan by Roger Burnell.

**Layout Sleuthing** – Layouts and other actions from Volume 2 were reviewed as follows:

18230311-00 – A discontinuance; probably one of the three Mountain Roads laid out from the Cold Brook bridge to the village.

18230405-00 – Most certainly the road going east off of Mountain Road to the Thompson summer house.

18230428-00 – Old Route 25 from Sanger Brook to Butler's Bridge, or more specifically to where Butler had his store.

18230503-00 – Unknown layout; check names Rogers, Watson, Edgell(s).

18230604-00 – Unknown layout; check names, particularly Stevenson on Hackett Hill.

18241011-00 – Unknown; check names.

18241108-00 – West end of Great Hill Road; from Pease Hill Road, past Brown's, following old route to the house west of Cave's.

18250618-00 – Short connector between Route 113 and Hollow Hill Road, just south of Swift River.

18250622-00 – Unknown; check names.

18250625-00 – Johnson Mountain extension of Mountain Road.
