Not included in these calls are various community policing efforts throughout the town, meetings with other departments to keep abreast with that is happening in the County. Also, not included in these calls are time spent dealing with administrative duties to include, but not limited to getting the records of the police department up to date, court preparation, as well as policy and procedure review. We also do not “log” our time doing the reports for the calls we handle as well as the time we spend patrolling the town.
