What is the Electric Aggregation Committee?

- Electric Aggregation Committee established to develop the Electric Aggregation Plan (EAP).
- Tamworth Select Board appointed the Tamworth Energy Committee to be the Electric Aggregation Committee, pursuant to RSA 53-E to oversee development of the Electric Aggregation Plan.
- Committee hosts two Public Hearings on 10/17/2023 and 11/29/2023 to educate the community, answer questions, and to receive community input for the plan.

What is the Electric Aggregation Plan?

- The Electric Aggregation Plan (EAP) details how the Community Power program will operate and comply with state legal requirements.
- Key elements for community input:
- ➤ 1) **Community priorities** (eg. save money, reduce emissions, develop energy projects like solar, micro-grids, EV charging,)
- > 2) Setting **Default Rate** for percent renewables

Purpose of the Electric Aggregation Plan

- Defines program goals and objectives
- Defines governance; implementation; customer noticing, enrollment, options
- Commits municipality to comply with applicable statutes and regulations:
- (a) Providing universal access, reliability, and equitable treatment of all classes of customers;
- (b) Meeting, at a minimum, the basic
 environmental and service standards
 established by the Public Utilities Commission
 and other applicable agencies and laws and rules.

The Plan does:

Address issues required to be considered by RSA 53-E including:

- a) How net metering will be provided;
- b) How customers enrolled in the Electric Assistance Program will receive their discount.

The Plan does <u>not</u>:

- Otherwise commit the town to any defined course of action; or
- Impose any financial commitment or liability on the town or its taxpayers.

Key Points

- If/when Your Community Power launches, most Eversource default electric supply customers will be automatically enrolled in the same service for a lower price. Community Power will be the new default electricity supplier for your Town's customers.
- Participation in Community Power is voluntary. Customers can choose to opt-out and to stay with Eversource for electric supply, or shop for another market option.
- Eversource will continue to deliver electricity using their poles and wires, provide billing services, and ensure reliability.
- Customers shopping with third-party suppliers will remain with their supplier unless they
 choose to opt-in to Community Power.
- Community Power will be self-funded by rates paid by participating customers. No taxes will be used to cover program expenses.
