## Meet our new Recreation Director, Shannon Heath

Hello Everyone!

I am Shannon Heath, your new recreation coordinator. I am thrilled to work with all the folks that make up this great community of Tamworth to resume the programs that you love and explore ways we can enhance and improve the offering/activities for the community to enjoy.

I grew up in Maine and spent a lot of time outside during my childhood. I loved being in natural spaces! Like many of you, I also participated in local Recreation Department programs, like swimming, camp, and sports. These were significant experiences of my youth, developing relationships, and building skills and confidence.

My life experiences inspired me to pursue a degree in Adventure Therapy from Unity College in Unity, Maine. That degree opened opportunities for me to work and learn with some amazing people and organizations. It truly inspires and motivates me when I witness how engaging programs support individual and community growth and well-being, no matter who we are or what our life path has been!

I live in Sandwich now and enjoy New Hampshire's various recreation opportunities. I am excited to work with this dynamic community to co-create programs that will contribute to everyone's sense of place and well-being. I have a lot to learn about this community, a lot of people to meet, and look forward to meeting and learning with each of you.

This weekend, I will be at the Winter Fest and Sled Dog events lending a hand and making myself available to meet people and learn about the ways this department can serve the community. I will also be making appearances around town and welcome everyone to introduce themselves and share their experiences of and visions for this department!

My office space is at the recreation building at 104 Durrell Road in front of the ball fields and I am generally there 8am-4pm Monday thru Friday. If you see my vehicle there and want to stop in, please do!

You are also welcome to connect with me via e-mail [Recdirector@tamworthnh.org](mailto:Recdirector@tamworthnh.org) or phone 603.323.7582

Thank you!!

Shannon Heath

## ENERGY COMMITTEE Seeking Volunteers

Want to help Tamworth save on energy costs and reduce taxes?

The Town of Tamworth seeks to establish an Energy Committee and seeks volunteer members to form the committee. Volunteers will be asked to serve for an initial period of 3 years. The purpose of the Energy Committee will be to support the Town, residents, and businesses to implement energy cost reduction initiatives to save money and reduce emissions. The committee will take on tasks such as research, grant writing, and information sharing in service of the Town and community members, helping them take advantage of cost savings and emission reduction opportunities. Members of the Energy Committee will meet approximately monthly and report periodically to the Selectboard. If you are interested in joining this committee, please email [admin@tamworthnh.org](mailto:admin@tamworthnh.org) or call the Town Office (603) 323-7525.
