Request for Proposal: Consulting Engineers for the Town House Fire Escape

Town of Tamworth, New Hampshire through its designated representative, The Select Board, is seeking proposals for services relating to the design for an emergency fire escape to replace the existing fire escape on the town-owned property known as the Town House, located at 27 Cleveland Hill Road, Tamworth, NH. This structure is on the State List of Historic Places. Proposals will be taken for either architectural or engineering services to render a design to be used in the bidding and construction of the Fire Escape.

All interested persons and firms should submit their proposal by Friday, May 19th, 2023, at 4PM, to Keats Myer, Town Administrator between the hours of 9:00 a.m. and 4:00 p.m. (closed from 12:00-1:00 daily), Tuesday through Friday, located at the Town of Tamworth, 84 Main Street, Tamworth, NH 03886, phone 603-323-7525 ext. 14, e/mail Admin@tamworthnh.org. The Town of Tamworth reserves the right to reject all responses not meeting the requirements of this Request for Proposals for Consulting Engineers/architects.

Veteran's Committee - Seeking Volunteers!

The Select Board is seeking volunteers to join the newly formed Veteran’s Committee. The committee has been formed to plan and implement celebrations of our veteran’s on Memorial Day and Veteran’s Day.

The Committee will meet on an as-needed basis. No special skills are necessary other than the desire to work on the behalf of our Veterans. Please reach out to Keats Myer at the Town Offices Admin@Tamworthnh.org

Transfer Station Study

As part of the Recycling Center Improvement Project for the Town of Tamworth, Sanborn Head & Associates Inc. prepared this transfer station study to support the proposed development of a new transfer station and recycling facility in Tamworth, New Hampshire.

The objectives of this study was to evaluate 1) the traffic flow at the transfer station and 2) monthly solid waste and recyclable data and utilize it to project future traffic flow and solid waste and recyclable materials generation rates, loose storage volumes, and baled storage volumes for development and sizing of the new transfer stations and recycling facility. This report summarizes the processes used to preform this study and the results.

The Tamworth School Board has tasked the Tamworth High School Options Committee (THSOC) with the following: Investigate and evaluate the sustainability of various options for Tamworth students grades 9-12 as the current Kennett High School tuition agreement expires in 2027. This means if you have a child currently in 4th grade or below this is going to affect where they will be attending High School. The current options they are comparing are Kennett High School, Moultonborough Academy, and Fryeburg Academy.
