ENERGY COMMITTEE Seeking Volunteers

Want to help Tamworth save on energy costs and reduce taxes?

The Town of Tamworth seeks to establish an Energy Committee and seeks volunteer members to form the committee. Volunteers will be asked to serve for an initial period of 3 years. The purpose of the Energy Committee will be to support the Town, residents, and businesses to implement energy cost reduction initiatives to save money and reduce emissions. The committee will take on tasks such as research, grant writing, and information sharing in service of the Town and community members, helping them take advantage of cost savings and emission reduction opportunities. Members of the Energy Committee will meet approximately monthly and report periodically to the Selectboard. If you are interested in joining this committee, please email admin@tamworthnh.org or call the Town Office (603) 323-7525.
