

The Tamworth Scholarship Program

Residents of Tamworth who desire to pursue their education beyond the High School level may now apply for scholarships to be awarded this June for the coming academic year under the Tamworth Scholarship Program. Thanks to the ongoing generous response to yearly appeals, this program is firmly established as a continuing community activity.

WHO? Candidates for these awards must have been full-time residents of the town for at least the full academic year (September to June) in which they apply for an award. They may either be in the graduating class in High School or High School graduates. Candidates will be judged by the seriousness with which they have devoted themselves to past and present studies, particularly in areas related to their chosen majors. Past academic excellence is not as important, however, as a high degree of motivation.

WHICH? Awards will be granted only to applicants who, in the judgement of the Committee, have a genuine need for assistance. Each applicant is urged to apply for scholarship aid and student loans from other sources, and, if available, should seek one of the part-time jobs offered by the self-help programs of most institutions of higher learning. If an applicant should obtain significant financial assistance elsewhere, the Committee reserves the right to award its funds to another more deserving applicant. Furthermore, the Committee alone makes the decision to dispense or not to dispense its funds as it sees fit.

WHERE? There is no restriction on the type of educational institution which applicants may wish to attend, provided that the institution is fully accredited for studies as a post high-school level. Each award will be contingent upon acceptance of the applicant by such an institution and will be made on behalf of the applicant to the institution.

HOW? Candidates must personally seek these scholarship awards, not merely be nominated. By the time of application, the candidate should have applied for admission to one or more educational institutions for further studies. They will be required to submit a transcript of their High-School/College records along with two (2) letters of recommendation, provided that one letter is from a member of the academic staff of the candidate's institution. **EACH CANDIDATE MUST WRITE A NARRATIVE NOT LONGER THAN TWO TYPED WRITTEN PAGES, TO INCLUDE SIGNIFICANT ASPECTS OF YOUR LIFE (ACADEMICS, EXTRA CURRICULAR, COMMUNITY ACTIVITIES, ETC) REASONS YOU HAVE CHOSEN A PARTICULAR FIELD OF STUDY AND YOUR LONG-TERM LIFE GOALS.** This should be submitted with your application.

WHEN? APPLICATION AND REQUIREMENTS MUST BE SUBMITTED TO THE TAMWORTH SCHOLARSHIP COMMITTEE, PO BOX 76, TAMWORTH, NH 03886. ANY QUESTIONS, PLEASE CALL DEB DAVIS @ 603-323-8166.

***MUST BE RECEIVED BY: APRIL 20, 2024**

Caution: Late applications, letters of recommendations or transcripts may result in those applicants NOT being considered for a scholarship.
