

Minutes of
Tamworth Trustees of Cemeteries
5:30 PM September 13, 2017
At Cook Library

Members Present: Mark Albee, and John Wheeler

Member absent: John Roberts

1. The minutes of 08/9/17 meeting were approved.
2. There was 43% of the maintenance budget left.
3. Ordination Rock walls: A letter with photos from Bob McLean was reviewed. Bob was concerned with the brush growing up along the walls adjacent to Hollow Hill Road and Cleveland Hill Road. Mark will discuss with Jeremy and talk with Bob.
4. Wonalancet cemetery evergreens NE corner. Jason Noyes gave a proposal of \$600 to trim the lower branches that hamper access to the adjacent lots. (Streeter did not respond to a call for an estimate.) It appears that the trees must have been planted by the Ainsworths. Our cards indicate Semmes owns Rows A, B and C, lots 1 through 5. Mark will talk further with Mr. Semmes about sharing the cost and will tell Noyes to go ahead.
5. Pease Cemetery. Lot 1 is not to be subdivided. Paul's plot plan was approved. He will set the bounds. Mark reported that Mr. Wallace, descendant of owners of lot 1, wanted to move the remaining stone wall between the old and new sections of the cemetery. Permission was not granted at this time without hearing more reasons for moving the wall.
6. The monument restoration day September 9 at the Chocorua cemetery went well with 12 people helping. Karl Nydegger once again directed the operations with Mark.
7. Chocorua Cemetery: John W responded to a report from A Kunhardt that the corner markers had disappeared. John found them under the moss. He will move two of them to cover her second lot, E-2 in Coville West.
8. A deed for lot P-32 in the green burial area of the Coville East section was signed for Emily Gangelier purchased by Patti Schippani of Merrimack.
9. The next meeting will be decided later. Mark will not be available two weeks in October and John W is uncertain when he will be available.
10. The meeting adjourned 6:40 PM.

Respectfully submitted,
John B. Wheeler
