

## Veterans Meeting 11/07/2018

Present: Bruno Siniscalchi, Ann Cady, David Haskell, Mary Cronin, Scott Turcotte, Peggy Poirier

Dan called the meeting to order at 5:02

Bruno made a motion to accept the emailed minutes from the last meeting and Scott seconded it. The motion carried and the minutes will be kept on file.

All members gave updates on the tasks that they had been assigned. We are still waiting to hear from the school about the band and whether or not we have a bugler for TAPS. We have backup plans for each of those events.

The wreath will be picked up on Friday at the Community School by Dan. We will set up chairs at 10:30 after they are picked up at the library. Dana is all set to put up cones for traffic control on Sunday.

The committee reviewed the program and final changes were made.

The next meeting will be on November 28th at 5:00.

Bruno made a motion to adjourn the meeting, it was seconded by Scott. The meeting was adjourned at 5:22.
